

# The Pink Floyd Experience

*Concert will rock out the legendary music of Pink Floyd with outrageous stage effects*

By Jennifer Anderson

**T**he Pink Floyd Experience, a re-interpretation of the live concert that changed live performance forever, will perform at the St. Bonaventure University Reilly Center Arena at 8 p.m. Saturday, Nov. 19.

St. Bonaventure University and the Cattaraugus County Campus of Jamestown Community College have come together to bring The Pink Floyd Experience Benefit Concert for the Hurricane Katrina relief effort to Bona's, with additional sponsorship from The Mix 101.5 FM, Studio 4 East, Citizen Printing, and on campus, the Student Government Association, Campus Activities Board, WSBU-88.3 The Buzz and The Bona Venture.

SBU and JCC students, as well as SBU faculty and staff, will be admitted free with complimentary tickets available at the Reilly Center ticket office. Tickets are available for \$12 for the general public at the Reilly Center ticket office, all Tops Friendly Markets, by phone at 888-223-6000 or online at tickets.com. But students and others alike will have the chance to show their generosity as donations for Hurricane Katrina relief will be collected at the Reilly Center doors.

"This concert is an opportunity for SBU and JCC students as well as area residents to show that we are members of a wider community, the world community," said Steve Plesac, director of student activities at SBU. "We hope that people will help the victims of Hurricane Katrina while enjoying a tremendous evening of entertainment."

The concert is a celebration that brings the music, themes and innovation of the timeless band Pink Floyd to fans around the world, rocking out all the legendary music of Pink Floyd with outrageous stage effects. Opening the

show, a 45-foot wall crumbles to the ground revealing the band's six musicians. Concert-goers' hair will be standing on end after a helicopter sweeps in introducing the next song!

Without giving away too many surprises, the show finishes with a 12-foot-long Pig blimp that flies over the audience in final homage to Pink Floyd's most familiar image!

The goal was to form the perfect re-interpretation of the original thrill and glory of Pink Floyd. Creators wanted to keep it intimate and put the legendary combination of music, sound, hook and lights in a theater setting.

They wanted to ensure the show was an assault on the senses including everything that is Floyd.

After the search for the perfect band was complete, the world premiere opened in the fall of 2003 and included 270,000 watts of light, 20 tons of full quadraphonic sound and six amazing musicians creating a show fit for the ultimate Pink Floyd fan.

Pink Floyd remains one of the most influential rock bands of all time. It is rarely discussed without using words like "psychedelic" and "provocative."

The Pink Floyd Experience has captured just that.

As one of rock and roll's biggest icons, Pink Floyd's most famous album, *Dark Side Of The Moon*, is tied for the fourth biggest selling album in Capitol Records history.

## **SBU to celebrate All Souls Day with Prayer of Remembrance**

By Christina Santandrea

An interfaith candlelight prayer service will take place at 10 p.m. Wednesday, Nov. 2, at the Grotto, located next to Plassmann Hall, in remembrance of all those who have died.

This All Souls Day ceremony will include song, readings from Scripture and the calling out of names. Candles will be lit in remembrance.

All Souls Day is a Roman Catholic day commemorating the faithful departed or those baptized Christians believed to be in purgatory. It is celebrated on Nov. 2 unless the date falls on a Sunday, and then it is celebrated on Nov. 3. The day follows All Saints Day in order to shift the focus from heaven to purgatory.

Peter Ghiloni, director of worship and liturgy at St. Bonaventure, said that it is important for the University as a community to remember this day, which is part of the church's liturgical year.

"We are a Catholic, Franciscan University, and it is important for us to celebrate this day of remembrance because it has been a day of celebration in the church since the 7th century," he said.

There will also be a prayer of remembrance at 12:30 p.m. Wednesday in the University Chapel, located in Doyle Hall, for those who are not able attend the candlelight ceremony. All are welcome to attend either celebration.
