SBU Theater presents RECKLESS, a comedy by Craig Lucas. The show begins Wednesday, March 28, and runs through Saturday, March 31. Each show begins at 7:30 in the Garrett Theater.

RECKLESS is a critically-acclaimed comedy by one America's best contemporary playwrights. Lucas' plays include PRELUDE TO A KISS, which is now enjoying a revival on Broadway.

RECKLESS follows the character Rachel Fitsimmons, played by Emily-RoseMaher, through a series of calamitous Christmases and meetings with bizarre people and situations. The play's comedy ultimately gives way to a message of hope in a crazed world.

There will be an audience talk-back after the Friday performance. Seating in the Garrett Theater is limited. There will be free student rush seating one-hour before show time in person at the box office.

For reservations call 375-2494.

RECKLESS contains some adult language.

## Relay For Life

Need volunteer hours? Looking to get involved in a great cause?

### Relay For Life needs your help!

Relay For Life is a fun-filled overnight event to celebrate survivorship and raise money for research and programs of your American Cancer Society.

Please join us Friday, March 30 for a night of enjoyable, memorable, and meaningful volunteerism. The event lasts all night, but you can stay as long as you want. Any help you can offer is greatly appreciated.

If you're interested in getting involved, register as a volunteer at [www.acevents.org/relay/ny/stbonaventure](http://www.acevents.org/relay/ny/stbonaventure) and e-mail your name, email address, phone number and availability to [sbuRelayForLife@gmail.com](mailto:sbuRelayForLife@gmail.com) and we'll be in touch. Make sure you register online to receive credit for volunteer hours.

It's not too late to form a team; donations for Relay will be accepted until August.

All are welcome to stop by to volunteer, or check out what Relay is all about. Feel free to invite friends and family members. There will be a lot of fun activities and fundraisers taking place throughout the night with a carnival theme.

The Luminaria ceremony and survivors laps will take place around 9 p.m. Survivors can register on the Web site under "survivor lap registration".

Juniors- you can go to prom AND take part in Relay. Relay takes place during the first night of prom and does not conflict with the night of the formal.

We look forward to seeing you at St. Bonaventure's second annual Relay For Life!

## SBU Visual Arts Department presents Senior Thesis

The Department of Visual and Performing Arts at St. Bonaventure University will present Identity, a senior thesis exhibition, at The Regina A. Quick Center for the Arts.

The exhibition opens on Thursday, April 12, in the Kenney Gallery of the Quick Center and will remain on view through May 12. The four seniors represented in the exhibition are Catherine Kwiatkowski, Denise Moran, Steven Smaldone and Ardyth Van Scoy.

A gallery talk will be given by the four artists on April 12 at 7:30 p.m. on the second floor of the Quick Center, with a reception to follow. Also on view will be work by other students continuing in the art program.

A native of Buffalo, Kwiatkowski works in sculpture, painting and photography. She feels that her artwork both connects her to the world and helps her deal with the dreams of her life. Kwiatkowski also has a photograph on display on the Mezzanine Gallery as part of 30 Under 30, A Juried Exhibition of Emerging Regional Photographers.

Moran hails from Yonkers and plans to receive her master's in art therapy. When her younger sister was diagnosed with a rare bone cancer, Moran discovered the therapeutic nature of art. Since then she has been creating art both as a form of self-expression and as a way to handle her emotions.

Born in Geneva, N.Y., Smaldone enrolled at St. Bonaventure in 2003. He studied physical education for a year before deciding to transfer to the visual arts.

Van Scoy is a resident of Limestone, N.Y., and has been creating textile art for most of her life. She also works as a costume designer and wardrobe mistress for the Quick Center and other venues. One of her creative goals is to produce artwork with a useful purpose as well as aesthetic appeal. For Van Scoy, creating art is not only an outlet, but also as a way to connect with past generations.
