

Suffolk Dec 24th 1862

Lieut

Will you do me the favor to present the enclosed assignments of one months (August) pay to Lieut Searles representatives

I advanced him the money for it as a favor to him at his request - As they can collect his five months pay at once they will probably pay this to you - Should they decline doing so or not give you any satisfaction in regard to it please inform me at once and I will write to the Pay Master

General to have his pay stopped - I should very much dislike to do as it would be a severe reflection upon him and hope you may make some arrangement in regard to it

By so doing you will greatly oblige

Yours Truly

J. S. Reedley
