Dear Father,

Yours of the 10th received
What I want now to know ^{is} how
Dr Wald obtained a judgment
against you, did he attempt
to sell your personal (Household)
property and you stop him or
did you sign a note for the amt
of debt? and if you signed a
note did you, or Mother, or
both ^{of you} sign it? I said Dr Wald
"v. S. Augustus Wilson et al" means
Against Augustus Wilson and others
If you signed the note alone
he can not do a thing "his breeches
are down". but if Mother signed
it with you it may make a
deal of difference And My Atty.

says he could not have obtained a Judgment in any other than the two aforesaid ways: namely to have attempted to sell your personal property by constable sale, or by your having signed a Judgment Note.

We are all quite well but little Joe who has been feeling badly for a week, cause cutting stomach teeth. I went to Buffalo on Monday to get measured for my Uniform to wear to Washington Never knew it to be so cold as it was on Tuesday in Buffalo. the wind off Lake Erie was terrible a person sitting in a car before the train started, to shut their eyes could easily imagine themselves on the Ocean. there was so much motion to the car caused by the wind The weather is very agreeable here just now.

With Love to all Harry.
