Dear Mrs. Shilson,

Thank you very much
for writing - I was hoping
you hadn't forgotten me.

The Maj. Gen. of the Museum
at Fort Monroe has written
to me for the history of
my grandparents - when
they lived on the Fort -

They change the register
every year - and he
noticed that we wrote
that our grandparents had
lived there - so I still
have a lot of research to
do, also I would have great
interest in the letters. Sincerely
Pauline Huling
