Lieut

Will you do me the favor to present the enclosed assignment of one months (August) pay to Lieut Searle's representation I advanced him the money for it as a favor to him at his request as they can collect his five month pay at once they will probably pay this to you – Should they decline doing so or not give you any satisfaction turn in regard to it please inform me at once and I will write to the Pay Master General to have his pay stopped – I should very much dislike to do as it would be a severe reflection upon him and hope you may make some arrangement in regard to it

By so doing you will greatly oblige yours truly
