

I am just as independant as  
a hog on the Ice. if I cant  
stand up I'll lay down &  
squell. I dont care a cent  
for any one in the army,  
I look out for No. 1 that I  
do, I have plenty of hard  
Bread & meat & Capp & shig  
er & Beans & thanks be to the  
Lord I have a good appetite  
to eat it & I ant home  
~~sick neither~~ I would  
like well enough to  
have the war end, and  
I would like to go home and

su all my friends But  
I now shall curl up &  
make my self sick on  
purpose to get discharged  
When I am discharged it  
shall be an honor ~~to me~~  
as now, I dont  
believe it will pay, to  
send any thing for  
me it will cost more  
than it will be worth  
& I dont supps for <sup>the way</sup>  
for actuals so long as  
my teeth are good en-  
ough to eat hard Bread  
we have the best of pork  
& Beef better than I ever

same at the meat market  
at in catt, co, & one  
pay hooks chickens once in  
a while & have a good  
old time at home  
& occasionally a bekim  
null I must stop for  
it is getting so dark I  
cant see the stars

June 25 it is mor-  
ning again we had a quite  
a hard show last night But  
it has cloud off & we are  
going to have a fine day  
We are a going to have some  
more money again  
in a week or two they are mak-  
ing out the pay rolls now

I am are a going to have a  
new suit of cloths in a few  
days Gen. Dwyer says he is  
proud of the 105 and how  
going greatly we must have a last  
600 men. But old Fuller don't  
know as much as a last years  
first

I don't think it will  
pay to send any thing  
here to eat as I am a  
fraid it would spoil my  
apetite ~~for~~ how you let  
Mr. Miller how that money  
got. I shall have some more  
soon. Why don't you write  
to the captain he asks a lot  
you very little while  
well I guess this will do for  
this time
