Dear Brother,

I havent had a letter
from you since the one that had
that money in. if you have written
I was have got it. Well, Trase
I have got back to the Regiment
a gain I got here last night
I found a good many of the
Boys here & some of them
came from ^{the} Comdissant Camp
with me they was taken Prisoner
s at Gettysburg & was Paroled
on the Field. But the Govern-
ment would not recognize the
Parall so they was ordered back
to the Front the most of
my Regt. was taken at the

fight & most of them have
gone to Richmond, & all of the
officers that was taken have
gone except the ~~Captain~~ Cal.
He is at Annapolis has command
of the Paroll Camp & he is
trying to get the Regt there too
to guard the Paroled Prisoners
& I hope he will succeed. We
will have good times there if he
gets us there. Every thing is quiet
here at present our Army is all
analogous on this side of the
River & considerable Cavalry &
Artillery are a great the River.
The Regt. pickets are in a line
5 or 6 miles up here & a Consider-
able force at Cullpuffur 15 miles
from here. I saw Gen Reed at
the Councilsant Camp yesterday
he has been sick but is better
now. A Col. Imman was
there at the Paroll Camp he is
a Paroled Prisoner taken at

Chainsbroull Henry Ellis was
killed their story say. I expect
Charly Fields is a prisoner but
I dont know I havnt heard
from him since the fight
But the most of his Regt
was taken at that fight (at
Gettysburg I mean) he came
through the first fight all safe
We are expecting the Pay masters
here to day or to morrow to
Pay us. I dont know whether
I shall get any or not & near
not mustered last musters day
But I guess that wont make
any difference. Our Regt has been
consalated & I had a lot of
our Corp. & Sargt. have been
reduced to the ranks. I belong to
Company I. 94th N. Y. V. now
the weather is pretty warm
here now but I have got so
used to worse weather I dont
mind it much
