only one letter from
home. I miss how I get
those letters Mary sent
to Washington & am
sorry for I do want to
hear from the Regt
Well what I was a going
to tell you was that
I am sick a little ~~but~~
but I am not des per

at home as any
number else
Will I must write
any more this time
if I get any news
I will let you know

I was taken very sudden
Thursday night with dizzy
ness and sick at the stomach
I made for Bed as fast
as I could & I have been
there ever since But I
am a little better to
day I guess I shall
get over it in a few
days you need not make
yourself any necessary
trouble by worrying your
self about me for I
shall be as good as
here as I could be

Adel

any money here
I shall send it home
as soon as I get it

I shall apply for a
Discharge as soon as
I get well enough to
come home
