I take the opportunity to write a few lines to you and ask of you where a certain ~~is~~ is. I have not heard from him since the regiment were in camp at Belle Plaine last Spring. I would like to have you write and let me know where he is and his address also if you please our regiment has become taken from the field and put on prompt duty for the

present but how long
it will stay on the
ship, I cannot say, but
hope that it will not
go to the field again
while the war lasts
