Petition to His Excellency the Governor of New York for the appointment of commissioned officers in the Regt.

I respectfully concur in the recommendations embraced in the within Petition and request that the persons named for the officers respectively therein be commissioned as officers of the Regiment. I have examined the within named enlisted men Sergeant Cameron, Godfrey & Private Martin with a view to their promotion and find them quite proficient in the Tactics and possessed of a good and ___ education. Private Martin served at the Military Academy at West point for about Two Years but did not graduate there. on account of his proficiency in Drill &c he is recommended for a commission before attaining the rank of sergeant
