Dear Father Mother Sisters Brothers

I take this opportunity to write a few lines to you to let you know that I am still alive and well and at the front and our Brigade has just advanced about 80 rods the 15th 16th June our Regt lost 21 Wounded and 4 killed and Dell was one of them he was slightly wounded and has gone back to the rear and I think he will come home in a short time and make a visit of 30 days and I guess you will be glad to see him I see by your letters that Edwin Ames is Dead Oh how it makes me feel to think that I never will see him more nor his friends how did Fannie Cummings Apier feel when she received the news did she go as mourner or not at his funeral we are having very hard fighting at the Pleasant and every day and it rains all most all the time and very hard I have not had my clothing dry in 4 days and some of the time I never saw it rain harder in my life and we on the move and we had some hard places to cross and I saw while crossing one of these places 5 Horses mire and the men had to leave them load and all and in another place I saw a staff officer riding along as well as he could and all at once his horse went in to a mud hole and went in all over and threw the man off and he went in all over and lost his hat but the horse was a good one and so they got him out and we got over the place after a long time and as we are advancing I cannot write any more so good by for this time so you must write often and all the news
