MISSING SOLDIERS.

List of those from the State of New-York Not Accounted For.

Miss CLARA BARTON, of Washington, has commenced the work of procuring information regarding soldiers missing during the war. List No. 1 of missing men has been received. It is prefaced by the following note:

WASHINGTON, D. C., June 1, 1865.

SOLDIERS AND BROTHERS: Please examine this roll; and if you know what became of any man here named, or have facts of interest to surviving friends, communicate the same to me by letter, as soon as possible, with your address in full.

If any one sees his own name, or that of a comrade whom he knows to be living, please inform me, that it may be withheld from future rolls.

Letters of inquiry for missing soldiers may be brief — should contain the name, regiment, company and State to which they belonged, with the full address of the writer, plainly written.

Attention will no longer be confined to those who have been prisoners, but an effort will be made to ascertain the fate of all missing men of the United States army during the war.

If any letter of inquiry fails to receive an answer, please write again. No apologies are necessary, and no letter will be neglected.

CLARA BARTON.

Address Miss CLARA BARTON, Washington, D. C.
