Personally appeared before me Deputy Clerk

known, and who is now City Clerk of the
City of Lawrence in said County and State,
who being duly sworn, deposes and
says, that he has been well acquainted
with the said applicant for the last four
years, and that he has frequently conversed
with said applicant in regard to his dis-
ability contracted while in the line of duty
in the military service of the United States,
and that from his intimate acquaintance
with him and personal knowledge of
his condition from all appearances,
knows that he is entirely unfit, and un-
able to perform manual labor, and from
personal observation knows that the said
applicant is at times almost entirely ex-
hausted in the performance of his duties,
Affiant further says that he knows these
facts from personal observation, having
been occupying an office opposite the
