## Harrison Campbell Dead

Well known and prominent resident of Steamburg  
Expired

W.H.Campbell, a highly respected resident of this town, died at his house here early this morning. Mr. Campbell has been a sufferer with heart trouble since early last June, but of late has shown signs of improvement, so his death was rather unexpected. Deceased has always lived in this vicinity and has ranked as one of our foremost citizens. He was a veteran of the Civil War, was a staunch ~~patriot~~ patriot, and always displayed a deep interest in public affairs. He will be missed by all classes. Mr Campbell is survived by a wife, two sons and three daughters, all of this place, and who have the sympathy of all in their bereavement.
