

Reverend Norman Allen told me
the other day that in looking
over the Papers and Letters of
John R Babcock, that he
ran across a letter I
wrote to him when I was in
the Army in 1863. Nearly 30
years ago, and thinking I would
want to see it gave it to me,
and it has been saved so
long I thought possibly you
would be glad of it, and
would want to see it for
some time it will be quite
a curiosity so I enclose
it to you = NAC
