CREATED INTO THE ARMY! — We see
that our young friend, CHARLIE GIBBS, was
victimized by the Draft in the 2d Ward of
Buffalo, on the 6th inst. If he makes as good
a soldier as he does Clerk in the "Calico De-
partment," Uncle Sam may well rejoice at
having secured his services. ERASTUS GILLET,
also formerly a of this village, drew a prize in
the same lottery, at the same drawing!

TO THE AFFLICTED.—Doctor A. C. JACK-
SON, the well known Indian Physician, will be
at Irvine Hall, in this village, on the 20th of
the present month. As an evidence that the
skill of the Doctor is universally admitted, it
is only necessary to state the fact, that the num-
ber of his patients seems to increase with each
additional visit, thus showing that those whom
he has once treated, give a good account of his
curative powers among their afflicted friends
and neighbors. Call on the Doctor.

Tell me, thou mighty deep, with waves
so blue and clear, when hoops shall disappear?
some rock-bound shore, some island far away,
where these outrageous strut-balloons shall be
stowed away? The mighty deep was rippled
by a squall, and answered—"Not at all!"—
EAMES & Co. of Little Valley, have a fine lot
of them "stowed away" which they will dis-
pose of on the most favorable terms. Also, a
full stock of all goods in their line for sale re-
markably cheap for the ready cash!

SKEDADDLING!—Two or three loads
of Gov. Seymour's "friends" from this town
and vicinity, eloped on Sunday and Monday
nights last, to avoid the Draft! These subjects
are always found at the polls—voting "early
and often" the "Democrat" ticket! We hope
they will be drafted, and suffer the penalty of
desertion. The "democratic" vote in this town
will be light this fall, if the balance of Gov.
Seymour's "friends" should leave!

The young lady who had a thousand
acres of valuable land, which the young men
said was sufficient grounds for attachment, did
not marry as well as the young lady without
a fortune, who had learned to discard all kinds
of Saleratus or Soda, save Herrick Allen's Gold
Medal, which has no equal on this or any other
continent. Go, ye young ladies, and, do
likewise, and dame Fortune will smile on you
also. Every body retails it, and most of the

ACCIDENT AND SUDDEN DEATH.—On
Wednesday night, of last week, while A. L.
GIBBS, Esq., of East Otto, was engaged in
loading hay upon a wagon, the horses sudden-
ly started forward, and threw him backwards
from the load. He struck heavily upon his
head and shoulders, and was seriously, and
perhaps fatally injured. At about the same time
the wife of Mr. GIBBS had started in a carriage
to visit a neighbor, and upon arriving at the
place of destination, while alighting from the
carrige, she complained of feeling very ill,
and died while being conveyed to the house.
Apoplexy or heart disease, was the probable
cause. These people, who are old and highly
respectable residents of East Otto, are the pa-
rents of the present Governor of Oregon.

SHOCKING AFFAIR.—A man by the
name of SUTTON, residing near Rushford, in
Allegany County, had a tame bear about two-
thirds grown. On Wednesday of last week,
Mr. SUTTON was absent from home, and

**CATTARAUGUS COUNTY
TEACHERS' INSTITUTE.**

The Annual Session of the Cattaraugus County Teach-
ers' Institute for 1863 will be held at Ellicottville, com-
mencing on Monday, the 14th of September next, and
continuing two weeks.

The Commissioners are happy to announce that they
have engaged Dr. JAMES CRUESHANK, Editor of the
New York Teacher, to conduct the exercises. His
name alone is a sufficient guaranty that the coming
Session will be full of interest and instruction to all who
may attend.

As much as Institutes are established by Law, and
supported by Legislative appropriations, thus being
made a part of the Common School System of the State,
the Commissioners deem it their right and duty to in-
sist upon the attendance, during the entire Session,
of those for whose especial benefit this beneficent pro-
vision has been made.

Those who engage in the responsible business of
Teaching are morally bound to prepare themselves, by
the use of all available means, for the creditable dis-
charge of their assumed duties. Attendance, therefore,
upon the coming Session, other things being equal, will
be regarded as evidence of superior merit in the Fall
Examinations.

Certificates of qualification will be granted during
the Session to all who may be thought worthy of them.
Certificates of Attendance, commending the bearers
to the special favor of Trustees, will be given to those
who shall be present during the whole Session.

Board can be obtained at the Hotels for \$2.00, and in
private families for \$1.50, \$1.75 and \$2.00 per week.

GEO. A. GLADDEN.
