HOLIDAY PRESENTS!

...ers, the purer the article which they use
...better it will be for them. We therefore
...ll such to call on SWIFT & LINES, of
...ho keep an excellent article of every
...ption of the "ardent," and whose adver-
...ment may be found in another column.—
...They are Cattaraugus men, and their establish-
...ment may be found at Nos. 142 and 144 East
...eca Street.

☞ It will be seen by reference to another
...lumn that our associate, Mr. CHARLES D.
...ELL, has been and went and gone and got
...arried! We told him how it would turn
...f he didn't stop playing with the girls;
...e solemnly warned him of the inevitable re-
...lt, and referred him to the examples of his
...ellows by way of admonition. 'Twas of no
...vail however, and he has plunged into the sea
...matrimony. Good enough for him!

☞ THE ROMANCE OF WAR.—A man
...amed CONE, a member of the 154th New
...ork, was reported killed at Chancellorsville.
...unerial sermon was preached in Salamanca,
...this County, and his wife made application
...r the bounty money and back pay. Luck-
...ly, however, she was in no hurry to marry
...gain for a few weeks ago her husband came
...ome all right, having only been wounded and
...aptured in Rebel hands.

☞ PANTHEON NO. 1.—"A thing of beauty
...s a joy forever," sang the poet; but if you
...ish to see a host of beautiful things, just
...all on the variety store of D. D. LOCKOW,
...Kirby, where you will find pictures that
...ould adorn the walls of a palace, picture
...ames of every style and variety, photograph
...lbums of the most elegant description, and
...very conceivable sort of choice and fancy ar-
...icles to please the eye and gratify the taste.
...If you call on him you will be sure to pur-
...chase something, and, by the way, it is just
...time to provide for the Holidays in ad-
...vance. Attend to your wants, your little
...ones and friends.

☞ THE LADY'S FRIEND.—We have received
...the January number of this new magazine.
...Aside from its typographical appearance
...the literary merit is fully up to the expec-
...tations which the publication, as a whole, has
...created, judging from the high character of
...its well-known publishers. Address, Deacon
...& Peterson, Philadelphia.

...whole country, both in size and ar-
...rangement. One of its principal features, how-
...ever, is the luxurious eating house and hotel
...which is included in it. It is not only elo-
...quently arranged and furnished, but it is kept
...in the highest style by Mr. TAYLOR, formerly
...of the Angier House, Cleveland.

☞ SWIFT & LINES.—If people will drink
...liquor, the purer the article which they use
...the better it will be for them. We therefore
...counsel all such to call on SWIFT & LINES, of
...Arcade, who keep an excellent article of every
...description of the "ardent," and whose adver-
...tisement may be found in another column.—

...ment may be found at Nos. 142 and 144 East

...we solemnly warned him of the inevitable re-
...sult, and referred him to the examples of his
...fellows by way of admonition. 'Twas of no
...avail however, and he has plunged into the sea

...hours old. The little stranger was provided in
...a profusion of clothes of all descriptions neces-
...sarily for so youthful a person, and upon one of
...the articles was a note containing a hundred
...dollar greenback, with the words, "Take good
...care of the infant." Mr. GARDINER, being
...possessed of no children of his own, concluded
...to keep the child, a fine girl, and it has already
...become a favorite with himself and lady.—
...*Cuba Patriot.*

☞ DIPTHERIA.—We have received, says
...the *Tribune*, a recipe for the cure of dipitheria,
...from a physician who says that of 1,000 cases
...in which it has been used not a single patient
...has been lost. The treatment consists in thor-
...oughly swabbing the back of the mouth and
...throat with a wash made thus: Table salt, 2
...drachms; black pepper, golden seal, nitrate of
...potash, alum, 1 drachm each. Mix and pul-
...verize, put into a teacup half full of boiling
...water, stir well, and then fill up with good
...vinegar. Use every half hour, one, two, and
...four hours, as recovery progresses. The pa-
...tient may swallow a little each time. Apply
...1 oz. each of spirits turpentine, sweet oil, and
...aqua ammonia mixed, every four hours to the
...whole of the throat and to the breast bone ev-
...ery four hours, keeping flannel to the part.

☞ The "Oldest Rebel Editor West of Cay-
...uga Bridge," two weeks since, gave the most
...perfect and complete exhibition of his charac-
...ter and favorite modes of expression that has
...for a long time nauseated the public. Mean,
...slanderous and false personalities we have
...long been accustomed to, and care very little
...about; But when he spreads out and parades
...before his readers the intense loathsomeness
...of his soul, and, like only himself, attacks
...journalists in his paper, in language too dis-
...gustingly gross to be heard beyond the dens
...of rotten streets walkers and old rags of the
...fish market, we can only wonder how—if in-
...deed it be—such a foul sheet can be secured
...in a decent family. For ourselves—whom it
...pleases the vile vagabond to designate as jun-
...ior No. 2—we have but to say that henceforth
...we shall let such ordure as he alone, and keep
...clear hands.

MARRIED.

...At the residence of the bride's father, in this village,
...on the 30th ult. by Rev. E. J. Roder, Mr. CHARLES
...DEBELL, of the "Cattaraugus Freeman," to Miss SO-
...PHIA L., youngest daughter of ANDREW FELIX, Esq., of
...this village.

...In this village, on the 26th ult. by the same, Mr.
...E. G. Harrington, to Miss EVA M. FELIX, daughter of
...ANDREW FELIX, Esq., all of this village.

...In Collins, on the 25th ult. by Rev. Mr. Foster, Mr. JA-
...COB C. HUGHES, of Concord, to Miss ANNA-
...HANNA SPELLINGBERG, of Collins.

☞ Accompanying the above notices was the mod-
...erate dollar which a lucky bridegroom always sends
...when he obtains a wife. Permit us to say that we
...served in company with New York regulars, to-day
...in camp, at a banquet. Officers in the army
...and navy are not the only ones who can fight.

DIED.
