"Returned—Robert Grinard, of Allegany in this county, enlisted in the 154th Regt., and was reported killed at the battle of Gettysburg, in July, 1862. His funeral sermon was preached by Rev. Mr. Worthington of this village, and his wife and family mourned his loss. C. G. McKay Esq., of Allegany, procured his back pay, bounty, and pension, and his family had after two years of grief, become reconciled to his death. On Monday last, Mr. Grinard arrived home in good health, and was received with great rejoicing by his immediate friends. It is said his wife was about to be married again, and Mr. Grinard seems to have arrived none too soon. He claims to have been a prisoner for more than two years.—Olean Adv."

Clarke in the most approved style. Mr. Clarke will occupy it next week, as a Grocery and provision store, and we venture to say it will be one of the nicest and most complete in the county."
