

*Fredonia Censor*, May 11, 1864

We are pained to learn that information has been received that Capt. JOHN C. GRISWOLD, of the 154th, is very low with inflammation of the bowels, and no hope is entertained of his recovery.

THE 154TH.--A letter in the *Olean Times* states that this Regiment has been incorporated in the 2d Brigade of the 2d Division of the 20th Corps. The Corps is commanded by Gen. Hooker, and the Brigade by Gen. Geary.
