

Memorial Day 1913

Grandpa Hester

VETERANS OF THE CIVIL WAR. Approximately 125 men from Lancaster served in the Union Army during the Civil War, 1861-1865. This photo, taken in 1913, shows a group of them on the steps of the town hall. They wear the badges and insignia of the Grand Army of the Republic, a Civil War veterans' organization.

(The sign in the background is in front of the old offices of the Lancaster Enterprise which was located in the town hall before moving to its present location on Clark St.) The Lancaster Historical Society is accepting photographs which will be kept in the archives of the town.
