General

I have the honor to recommend that the following promotions and appointments be made in the 154th Regt. N.Y. Vols to wit

- 2 First Lieutenant Timothy A. Allen to be Quarter master vice Edward Porter promoted

Since the Regt has been in the field Lieut & Quarter master Porter has been on duty in the Line as 1st Lieutenant of the company commanded by Capt Mills, and Lieut Allen has been discharging the duties of Quarter master; these officers having been assigned by order of my predecessor Col Rice, at their own request

The sergeant recommended as 2d Lieut I have examined in the Tactics and upon the general duties of an officer and I find him an intelligent and worthy young man.
