—A requisition will be asked from Gov. Hill for Dr. Henry VanAernam of Franklinville and George N. Cornwell, who have been indicted at Fergus Falls, Minn., on a charge of fraud. It is claimed they sold 4000 acres encumbered land on the Northern Pacific as clear of attachment. The buyer, S. A. Blowers, sold a part, discovery followed, he asked and was denied restitution. Dr. VanAernam has represented the 32d District comprising Chautauqua and Cattaraugus counties, in Congress, several times.—Buffalo Evening News.
