

# 31

Headquarters 2nd Division  
January 7th, 1864

My dearest Lis,

*Rev. Chas. Antiquy Chap*

Yours of the 27th inst. is just received. I was right glad to hear from you but at this time I have only a moment to write as the Chaplain is already to start. He goes home in resignation on account of sickness. I will just say I am usually well. Dr. Day I think will fail to obtain a leave of absence.

Affectionately

Henry
