# MRS. LAWSON TO GIVE LAST WORD ON PROHIBITION

## W.C.T.U. CONVENTION TO START AT SECOND CONGREGATIONAL CHURCH TODAY.

Mrs. W. A. Lawson, of Milwaukee, well-known lecturer of the W.C.T.U., and Mrs. Hattie C. Whipple, of Cornell, vice-president of the inter-county union, arrived in the city last evening, and are being entertained at the home of Mrs. E. D. Bouda.  
Mrs. Lawson found a copy of The Evening Telegram at the depot and could not restrain a "glory hallelujah" as she read the headlines of the sweeping Supreme Court decision.  
These women are the vanguard of the convention of the inter-county union, comprising Chippewa and Eau Claire counties, which meet at 2 o'clock today in the Second Congregational church. The executive committee has a meeting at 10:45. There will be a supper at the church in the evening. The convention closes on Wednesday evening with an address by Mrs. Lawson on "The Question of the Hour." All who are interested in the very last word on the status of the prohibition question will do well to hear this address.

# ELKS ATTENTION!

All Elks are requested to meet this morning at the Elks' club to attend the funeral of late Brother E. C. Witherby.  
**HENRY DROEGE**, Rtailed Ruler.  
**J. W. SELBACK**, Secretary.

**LA CROSSE.**—An unusual case involving an interstate question has grown out of the recent arrest by Game Warden Rackow of Winona of Arthur Johnson and Michael Kleis. La Crosse men caught setting fishing without a license in Minnesota. The Minnesota officer confiscated the fishing outfit of the La Crosse men, including a boat. Now comes Joseph Dagesdesch of La Crosse with the claim that the boat is his property and it was taken without his permission by Kleis and Johnson. Dagesdesch has brought a replevin suit in justice court here, in an attempt to recover his boat.

# 161 VOTE HERE IN SCHOOL ELECTION

## MRS. STALLBOHM TO BE SECOND WOMAN ON BOARD, LANGE AND COOK THE

At the polling places of the five even numbered wards 161 votes were cast for school commissioners yesterday. The election activities of the Eighth ward led with 57 ballots, while only 14 were cast in the Second ward.  
Fred Arnold received 13 of the 14 cast in the Second ward. Mrs. Nella Stallbohm was elected by 23 votes over 6 cast for Walter Leonard in the Fourth ward. Raymond Lange and C. S. Cook, present incumbent, tied in the Sixth ward with 15 votes each. S. C. Opliger ran up 38 votes in the Eighth ward without opposition, until the last half hour before the polls closed, when 19 ballots were cast for Charles Miller. Twenty-six votes were cast for E. R. Fomberg and five scattering votes in the Tenth ward.  
Vacancies in the Third and First wards due to resignations of August Stock and Richard Loken will be filled by appointments by the mayor. It is understood that residents of the Third ward have presented a petition asking the appointment of Ralph Owen.  
Wards, in which there have been neither resignations nor elections, are represented by M. B. O'Brien, Fifth ward; Charles J. Kepler, Seven ward, and Mrs. A. H. Wilk, Ninth ward.  
The election of Mrs. Stallbohm, formerly an able and popular teacher here, will add a second woman member to the board of education.

# WILLIAM F. VINTON, OF EAGLE POST, DIES

## PROMINENT MUSICIAN, ONCE HELD IN LIBBY PRISON, PASSES AWAY

William F. Vinton, member of the Eagle Post, G. A. R., died just before noon yesterday at his home, 1108 South Barstow street. His death marks the passing of one of the few survivors of the notorious Libby prison of Civil war days. It also marks another vacancy in the rapidly dwindling ranks of the Grand Army of the Republic.  
The immediate cause of death was pneumonia, but he has also been suffering from heart trouble since last fall.  
Mr. Vinton was best known in Eau Claire as a musician, having come to Eau Claire in 1872 to organize a band here, which is said to have been the first band formed here. He has been affiliated with musical organizations here ever since. He was also proprietor for many

years of the old Windsor Hotel.  
The funeral will be held Wednesday afternoon from the home, 1129 South Barstow street at 3 o'clock with Masonic services at the grave. There will also be G. A. R. services.  
William F. Vinton was born in Ellicottville, N. Y. in 1832, and was therefore 88 years old. His 82nd birthday was last Wednesday, June 3.

Mr. Vinton enlisted in the union forces from Ellicottville, N. Y., August 20, 1862, with the 154th Volunteers. Shortly after his enlistment he became principal musician and band leader of his company, and served as such thru-out the war. He was in many of the big battles of the army of the Potomac, and in the battle of Chancellorsville, he with many of his comrade musicians, were taken prisoners by confederate soldiers and were sent first to Castle Thunder Prison, from which place they were later transferred to the confederate prison at Belle Isle. Having spent about a month at the latter prison they were transferred once more and sent to the notorious Libby prison, where they remained until exchanged near the close of the war. After his release from the Libby prison, Mr. Vinton was transferred from the regiment in which he enlisted to the Sixth regiment of Veteran reserve corps and with this regiment he served until he obtained his discharge, July 5, 1865, at Cincinnati, Ohio.

Mr. Vinton came to Eau Claire in 1872 accompanied by his wife and two children to organize a Cornet band which bore distinction of Vinton bore the distinction of being the first band organized in this city. Shortly after reaching here he formed a partnership with Dr. E. C. French and practiced dentistry until 1878 when he and his wife took over the Windsor Hotel which stood where the Lange Wholesale Grocer Co. is now located. He remained proprietor of this hostelry for 14 years when he moved into the home on South Barstow street, where he devoted most of his time to the study of music. Mr. Vinton claimed the honor of being the leader of the orchestra which played the opening night at the Grand Opera House. He was leader of almost all of the prominent bands of the city in years gone by and was an accomplished player of the violin as well as of wind instruments.  
He is survived by his wife who was Emily Hall of East Randolph, N. Y., a son, Charles Vinton and a daughter, Mrs. Hattie Dougherty, both residing in this city. He was a member of the 112 A. F. and A. Masons, an order which with the Eagle Post of the G. A. R., will have charge of the funeral.

# "THERE'S SOMETHING WRONG AT CHI."

(BY LOWEL MELLETT  
(By special arrangement with Collier's Weekly)  
CHICAGO, June 7.—There is something wrong with this convention, or with its preliminary arrangements. I've been here ten hours now and not a soul has whispered the inside low-down in my ear. This is not usual and it isn't right.

# BUTTERMAKERS TO MEET HERE TODAY

More than two hundred butterers and creamery managers from over the state will gather here today to attend a special meeting of the Wisconsin Buttermakers' Association. The sessions will be held in the Auditorium.  
It is understood that the purpose of the meeting is to reorganize the present state association, and that the name of the new organization will be the Wisconsin Buttermakers & Creamery Managers' Association.

WASHINGTON, June 7.—The Interstate Commerce commission announced it will distribute the \$1,000,000 revolving fund created by transportation act as an amendment to the railroads.  
The commission authorized \$1,000,000 for purchase of new equipment; \$73,000,000 for additional equipment and betterments; \$50,000,000 for other purposes.

# Why Do Word "Adjust"

**CHIROPRACTORS** use the word "adjust" to express what they do. Chiropactors employ it, it means it assumes its proper relation to the patient.

To "treat" means: "The medical care of a patient."

Illustration may further clarify.

To soften hard water you are treated by adding to it the oil machine takes too long or too short.

The Chiropactor applies a signed to act upon the disease. It has acted as a hindrance to Nature's forces of the patient himself. The

If a patient with an acid stomach the acid condition; he uses and the vertebral subluxation will secretion of acid by the stomach permit Nature once more to bring it back to normal.

Thus it is evident that the science of Chiropactor adapts the body to the requirements of the nervous system.

Not a muscle moves, not a tendon, etc., is carried on except which heal the body's wounds, sufficient—capable beyond all wisdom organs is to open the line requires nothing but an adjustment failed should commend it to the

The word "adjust" indicates force between finding the precise temporary relief or for the support.
