#### A Tragic Finish.

A watchman's neglect permitted a  
leak in the great North Sea dyke,  
which a child's finger could have  
stopped, to become a ruinous break,  
devastating an entire province of Hol-  
land. In like manner Kenneth Mc-  
Iver of Vanceboro, Me., permitted a  
little cold to go unnoticed until a trag-  
ic finish was only averted by Dr.  
King's New Discovery. He writes:  
"Three doctors gave me up to  
die of lung inflammation, caused by  
a neglected cold; but Dr. King's New  
Discovery saved my life." Guarant-

#### Twenty Year Battle.

"I was a loser in a 20 year battle  
with chronic piles and malignant sores,  
until I tried Bucklen's Arnica Salve;  
which turned the tide, by curing both,  
till not a trace remains," writes A.
