**Event.**

The alarm of fire was sounded through-  
 our streets between the hours of 1 and 2  
 o'clock a. m. Sunday morning last. The  
 burning buildings proved to be the  
 wagon, paint and blacksmith shop  
 owned by James Steadman, together  
 with 9 new wagons nearly done and  
 working tools etc. He was insured for  
 \$700, but his loss will be \$1,000. Cause  
 of fire unknown. Mr. Steadman was  
 absent at the time.

Mr. and Mrs. Morley departed this  
 life on Tuesday night last. Mr. Morley  
 has been suffering some time with a  
 tumor and his death was looked for at  
 any time. Mrs. Morley died shortly  
 after his death. She had been in usual  
 health but for some time has been af-  
 fected with heart trouble which was the  
 cause of her death. Mr. and Mrs. Mor-  
 ley will be greatly missed. They were  
 ever ready to lend a helping hand to the  
 poor and needy.

Mr. George Williams, a highly  
 respected citizen of Pine Valley, died  
 very suddenly Tuesday afternoon.  
 Funeral services were held at the M. E.  
 church under the auspices of the G. A.  
 R. He leaves a wife and 5 small
