AND WE DEDICATE . . .

We, the senior class of 1955, deem it an honor to dedicate our yearbook to Professor Peter Marron, a scholar, a friend, and a Christian gentleman. As a scholar he has taught us, as a friend he has guided our class through the many tedious problems confronting us, not the least of which was the junior prom, and as a Christian gentleman he has given us an unforgettable example of true lay spirit in the Catholic Church. These few words can in no way repay him for the many hours, he has devoted to our class. And yet all we can say is, thank you Prof Marron for your kind help over the past four years.

SCHOLAR . . . FRIEND . . . CHRISTIAN

GENTLEMAN... PROFESSOR PETER G. MARRON

Let's take a stroll...

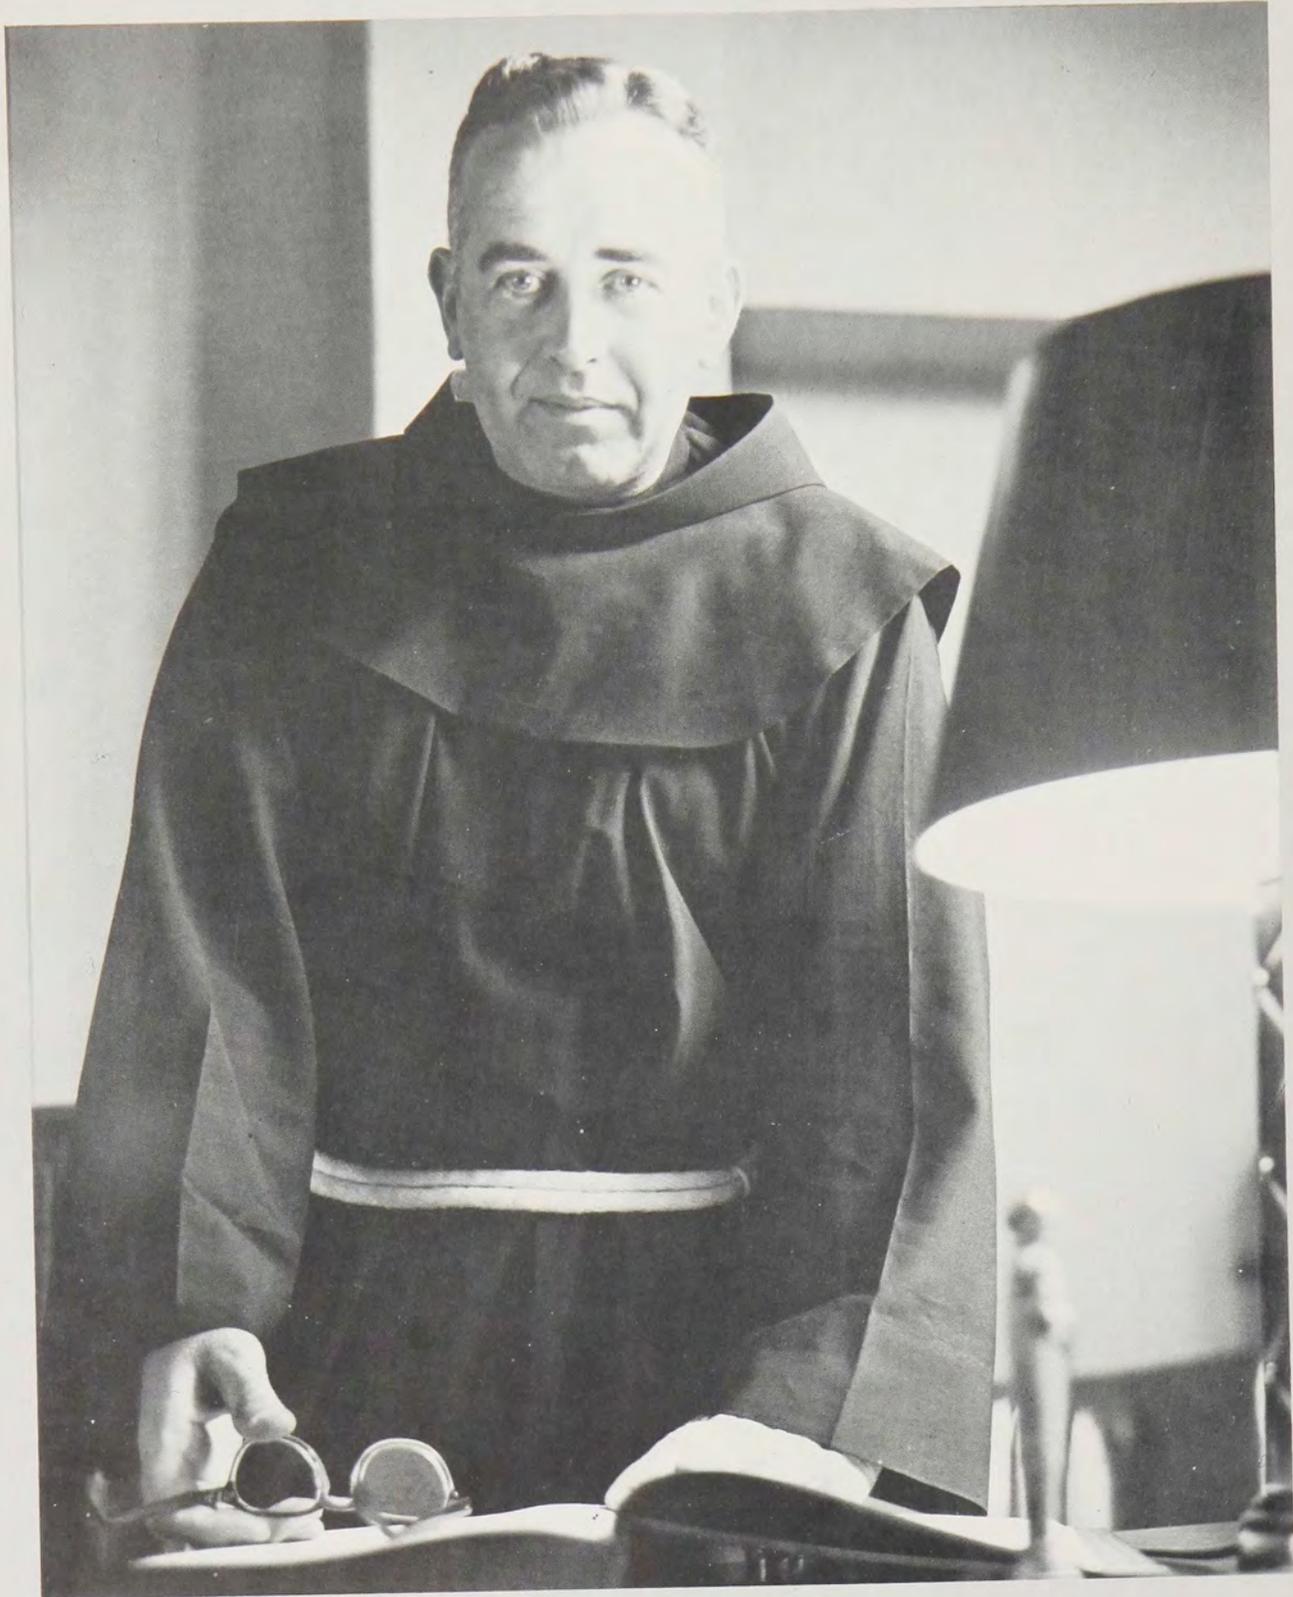

We can never forget our associations with the Franciscans, our professors and our friends we have come to know so well by constant contact throughout the year. As time passes so quickly and names often become blurred with its passage we fail to connect the proper name with the correct picture.

Before our minds become too clouded with the rush of time let us take a look at happenings and reflect upon the events that have taken place during the year.

We remember...

OUR ESTEEMED PRESIDENT . . .

THE VERY REVEREND JUVENAL LALOR, O.F.M.

ST. BONAVENTURE UNIVERSITY
ST. BONAVENTURE, NEW YORK

Commencement 1955

My dear Graduates:

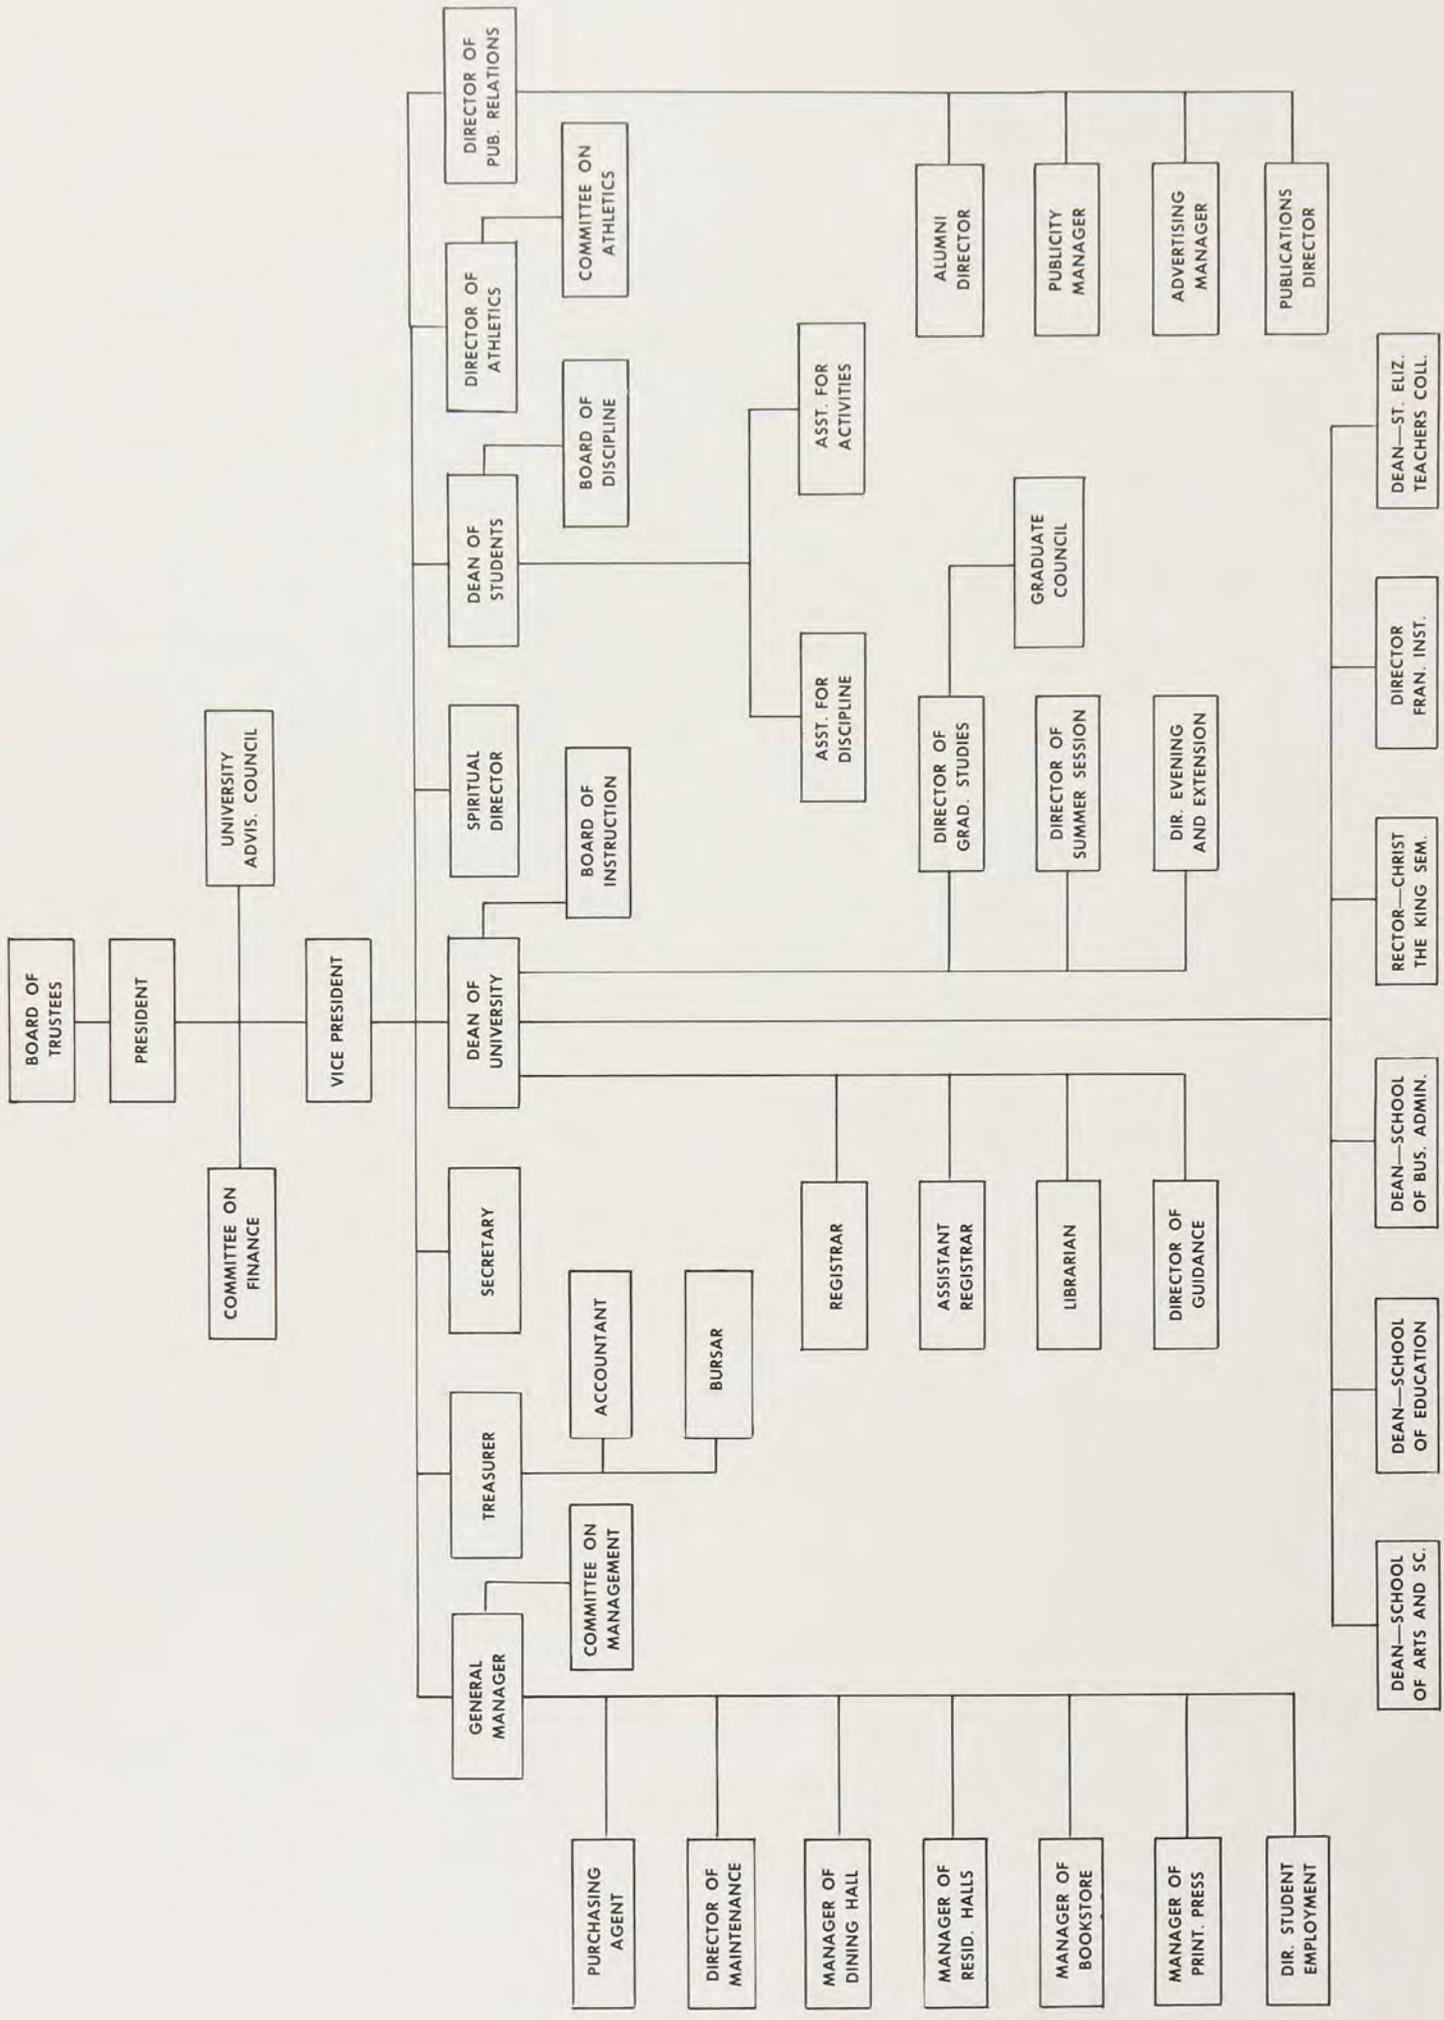

Each year it is expected that the President of the University pen a few words of farewell and admonition to the departing graduates. I always regard it as a privilege to deliver this message in the name of the Administration and Faculty and through the pages of the *Bonadieu*, but I never find it easy. In the first place, we do not enjoy saying goodbye to you who are the eldest and closest to us in the campus family. If a college or university is, figuratively, an *Alma Mater*; then, it follows that St. Bonaventure's pride in your moving upward is colored by some sadness at this breaking of family ties. In the next place, is it really possible to say in a short letter what possible, how say it, at this busy, bustling office? And if it were possible, without sounding like the old, patriarch on his death-bed? merry time for you, in the classroom, the library, and your Prefect's office? The solution must be to resort to the old, familiar and simple words, trusting that the deep connotations of them will be more expressive than their plain signification.

To all of you, our congratulations on your present and no mean achievement; our sincerest wishes and prayers for every genuine success and happiness ahead; and our earnest and affectionate farewell. As for the customary final admonition, I am content to give it obliquely by repeating what I said some years ago when called upon to declare and pledge my philosophy of formal education. "It is a philosophy that implies the subordination of formal education in all its branches to an end proposed in the Old Testament and emphasized in the New: 'Thou shalt love thy whole heart, mind, and strength, and with thy neighbor as thyself.' and 'Thou shalt love thy neighbor as thyself.' Anyone who has ever grasped the full meaning of those words and the nature of Him Who uttered them can never again approve in his heart the ordering of any human activity against them. For him, there must be something deficient, if not vicious, in any education that does not, in one way or another, directly or indirectly, lead to a greater love of God, a more active love of neighbor, and a more proper love of self."

Now, we ask God to bless you and, through the strength of His Church and His Sacraments, to defend you from all enemies of soul and body, giving to you here His grace and hereafter His glory.

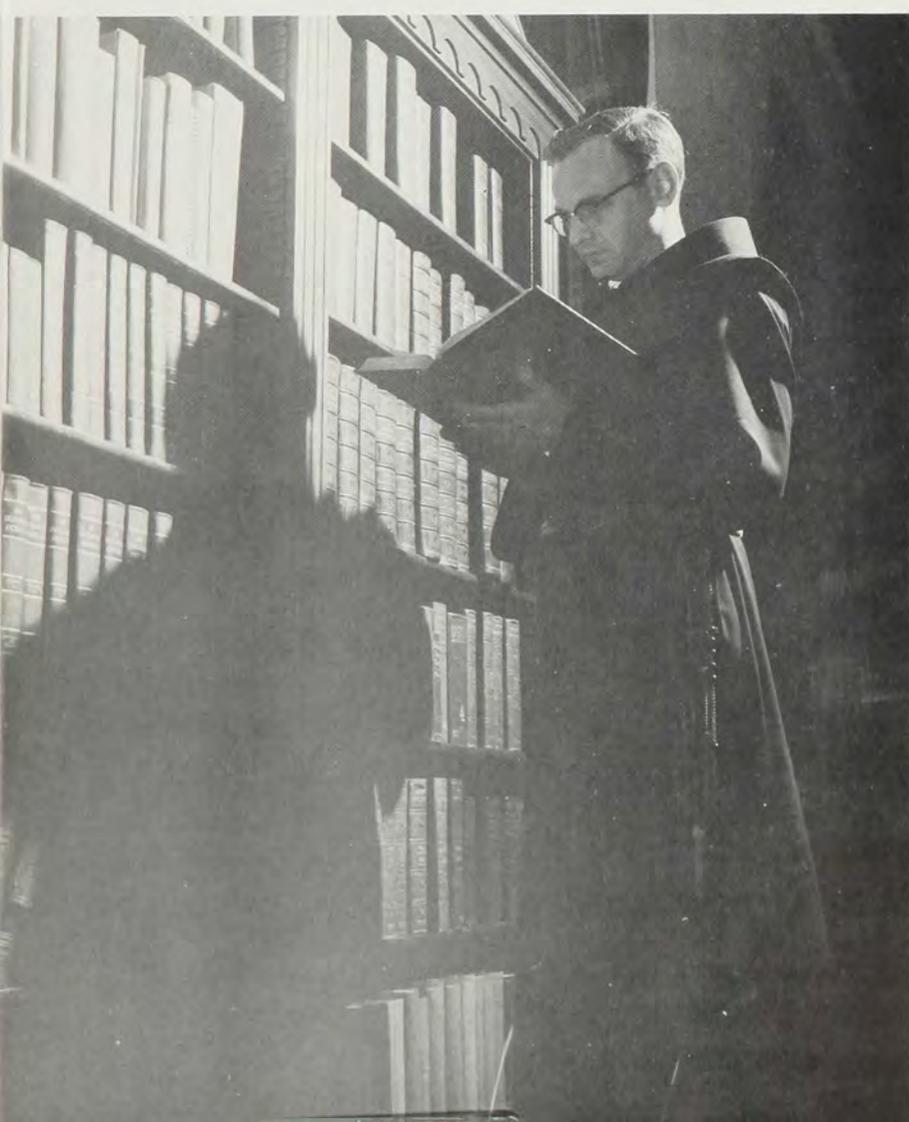

Sincerely yours,

Juvenal Lalor, Jr.

SENIOR CLASS HISTORY

I REMEMBER —

Oh! yes, I remember that wonderful lazy summer of 1951. I had just completed high school and believed the world was mine. Going to college in the fall was a necessary evil, but I would soon show those college hot-rods who was who, and what was what. September arrived and off I went to Saint Bonaventure.

From the beginning, I could feel my identity as a "one man show" slipping away. A Student Senator found me wandering bewilderedly around the campus, took pity and introduced me to the surroundings. The upperclassmen soon made me feel at home with their warm smiles and willing advice. I began to realize that I was part of a tradition—a great tradition—but, my place in it, I did not know. It wasn't long, however, before I found this position, for the Student Senate invited me and the three hundred members of the freshman class to the gym where Fr. Jerome explained to us the meaning of rules and then informed us that Freshmen rules had started. We, the class of 1955, duck-walked, sang the Brown and White and heard the familiar cry "You're Up!". We saw Allen Hasselman "On the Road to Mandalay" with Ken Hanabergh following close behind. We were frosh and knew it. But rules were soon over and that first step on the center path felt great. The class of '55 had been born and I was a member of this strong unit.

In our youth we remember the powerful gridiron warriors, Hanifin, Marchibroda and company fighting their hearts out for our Alma Mater. We will always remember that '51 season and the thrills of inter-collegiate competition. We had a young but aggressive club that year and Joe Bach guided them to a successful season. They were certainly ready for that terrific Louisville game which Walt Czaja won in the closing seconds with his long field goal. The Homecoming Day gave us Frosh a chance to prove our loyalty to the school and we rooted madly although a truly magnificent Xavier team beat us. We united again as a class to clear a snow-capped field in order to allow our boys to trounce a strong Youngstown team 39-6. In football, the spirit of the school was exemplified in fast and furious action. However, unfortunately, for financial reasons, football, as a sport, succumbed in its off-season sleep and was not to be renewed during our days at Bona. We can never forget those who represented us on the field of glory and especially the frosh ball players, Vince Aungier, Bill Franks, Herb Kenny with those booming punts, Peter Klee and George McDonough. Each did his job that year, showing the hustle we were proud of and really would have displayed their ability had football continued as a major sport. Football had passed away but the spirit lingered on.

A fine team and an expanding basketball schedule helped take up the slack left by the loss of football. Respectable Bobby Sassone amazed us with his deception and speed, while Solinsky and Leo Corkery

displayed a great amount of skill. That was truly a marvelous team and we followed them wherever they went. Remember that Big B-J weekend in New York? More than a thousand students participated in this weekend by selling chances for a free ride to the city. The proceeds of the sale fostered the transportation of our Spiritual Director, Fr. Robert Frawley to Japanese missionary work. It was a great weekend and everyone benefitted even Gilhouley's. After a great 19-5 season we accepted a bid to the N.I.T. Again we surprised the New York Sports writers with a splendid performance, finishing third in the major tournament. It was an inspiring season and thanks to Coach Eddie Melvin and the 1951-52 team, St. Bonaventure was a big name in basketball circles.

That year the Dramatics Club presented an outstanding production of "Gramercy's Ghost" and Ed Neilson and his "Footlight Follies" displayed the large amount of good theatrical talent we had on campus.

When Fr. Robert left for Japan he was succeeded as spiritual director by well-liked Fr. Evan Roche. Both of these men did much in uniting our class under God. Fr. Aubert, the Dean of Men, became ill, retired and was replaced by Fr. Regis Galvin. George Eschenbrenner was hurt in an auto accident and we faithfully formed a prayer vigil for him and soon welcomed him back to our ranks. These are the things we remember from our

fresh year, but there are also many more things to be recalled in our time at Bona.

We came face to face with the problem of electing our class officers and student senators and solved it very satisfactorily. Jim McShane was voted into the Presidency, Vice-Presidency went to Tom Vacci, Joe Carlon was elected Secretary and capable Jim Hillary became our Treasurer. Our Student Senators were able Ray Gawronski, Phil Mancuso and William Drummy. They served us well.

When we registered in our Sophomore year we were different men. Griff greeted us with "How's the Hi-Type Gang" and we knew what he meant. The Freshmen didn't seem as smart as last year's group and it was our job to wise them up. We were different men for now we had the power in rules and intended to use it. Yes, we had the power but the paddle had been taken from us and even the "BonaVenture" issued its proclamation against rules. There had also been a few changes in the faculty as our Frosh Religion teacher, Fr. Myles Glynn, left for Brazil and Col. Nichols took over the command of the R.O.T.C. detachment.

In the Fall we had our adopted football team, as the Pittsburgh Steelers professional squad used our campus as training headquarters. We also followed Ted Marchibroda's record-breaking year as he transferred to Detroit U. to carry on his career. Three former classmates of ours, Lee Riley, Stan Tubinis and Joe Belluso also shone brightly in Detroit grid history.

The New Christ the King Seminary was dedicated in November of 1952 when Apostolic Delegate, Most Reverend Ambito Cicognani and Bishop Joseph Burke visited our university. We will always remember this picturesque building which is one of the most outstanding structures in the area.

The basketball team composed of the "Big 5" Sassone, Kenville, Davies, Edwards and Bednar started the season off like a great national team should, winning its first five games. Then they tried to invade the Solid South and the Rebels showed little hospitality as we lost two games in the Sugar Bowl tournament and Western Kentucky handed us our third straight defeat. For the rest of the year we were an "in-and-out" ball club looking great one night and just fair the next. Again we took the excursion to New York where 15,000 fans saw us give top-ranked Seton Hall a great game before losing by seven points in the last quarter. From this team came another member of the all-time great basketball players as Bill "Clete" Kenville did a most consistent job of scoring and defensive work. Bill set a new scoring record of 419 points in this 1952-53 season.

We witnessed an expansion of the intramural program as a well-rounded schedule of events was formed for all to participate in. The "Greenhorns," our intramural basketball champions and also representatives of Western New York, brought new laurels to the school as it emerged victoriously from the State-wide Intramural tournament held at Cornell University. We certainly had the talent that year.

Our own Oscar Ruberti proved to be a pleasant surprise as he sang his way to the best individual performance award in the N.S.A. Variety Show. The Dramatics Club again presented a fine and amusing play as they performed in "Arsenic and Old Lace." The talent of Brother Ferdinand for decorating our campus came to be noticed more often. The BonaVenture also improved its service by using its own printing shop on campus.

Then came the news that Eddie Melvin had been released as basketball coach and genial young Eddie Donovan appointed in his place. We missed Melvin's appearance but soon learned to respect and appreciate our fine new coach.

The year was completed by attending the annual Communion breakfast at which Sammy Urzetta, former national amateur golf champ, spoke and was appreciated.

Our all important Junior year began with very capable men at the helm of our class. Gene Black was elected President, Ron Koch, Vice-President, Dick Blake and Jim Hillery, Secretary and Treasurer, respectively. On the senate were three well-informed and ambitious men in Ray Gawronski, Phil Mancuso and Joe Carlon.

As I recall, we were all pretty interested in the conscription policy of our government and when General Bonner Fellers addressed the student body on the question, "Is Universal MILITARY Training Wise?", we turned out with appreciative ears. Those of us who didn't enter Advanced Corps R.O.T.C. turned out on Thursdays to snicker at the parading troops. We, who did go on in Reserve Officer Training can never forget our instructor that year, Captain Thomas E. Pfeiffer, U. S. Army. We always had a few laughs regardless of our state.

Radio station W.O.F.M. was resurrected from the scrap heap by hard work and many disappointments, but finally the joy of our station was felt by all. The Debate Team was of high caliber and enjoyed a banner year. We were proud of the accomplishments of these two groups.

In general the school year was progressing in wonderful fashion until after returning from the Thanksgiving vacation sudden death brought despair to our Alma Mater. A motivating force behind its rise to University status was lost when Reverend Vincent Devine, O.F.M., the Dean of the University, passed away. May he be looking down upon us today with his blessing!

Father Brian Duffy, O.F.M., was appointed as the new Dean and we came to know him as an associate with great administrative ability.

Confronted with one of the toughest basketball schedules in Bonaventure history, Mr. Donovan, coaching his first year of inter-collegiate competition, fielded a team that we could boast of. Early in the season they showed their strength as they lost a close one to a marvelous Western Kentucky team that ranked as one of the top teams in the nation. Later on Seton Hall

fell to the rampaging Bonamen 63-60, as we invaded the Garden in our annual visit to the big city. This was truly a fighting ball club that played each game as if it were the most important of the year. Mal Duffy furnished the spark for the squad as he hit the hoop for a 21.1 average in breaking the previous total scoring record of Bill Kenville's by scoring 445 points. Bob Schalk and Ed Madson drove hard as big "Sag" was always there waiting for that rebound.

The climax of all college days was reached on May 14 as Jerry Grey brought his "Band of Today" to Olean for our Junior Promenade. It was a glorious affair with beautiful dates, pleasurable music and plentiful laughs. Remember that Cocktail Party, the many post Prom affairs and the picnic at Allegany State Park the following day. That was truly a weekend to end all weekends. Bob Dannemiller and Hank Kearns did a very commendable job as Co-chairmen of the Prom Committee and they deserved our thanks. On Prom night we presented the "Outstanding Member of the Class of 1955 Award" to genial Raymond McLaughlin and he shyly accepted it with thanks.

We ended the year with a rally in Forness Stadium dedicated to our Blessed Mother Mary and went home for our last summer vacation.

As seniors we could fully appreciate St. Bonaventure in its true respect, as a Catholic University. Fr. Juvenal, the president of the school, initiated the academic year with his annual offering of the Mass for the students' benefit, and we all attended. Another semester, our last, had begun and studies soon occupied our time.

Our previous class officers had been so well appreciated that they were re-elected with ease for the duration of our senior year. Jim Adrian was elected to the Student Senate spot vacated when Ray Gawronski failed to run. Joe Carlon, as president of the Student Senate, did a remarkable job of making our campus a better place on which to live. To our class officers and student senators we owe our lasting respect, for they worked long and tedious hours for the class of '55 and S.B.U. In speaking of men of importance to our class we could never forget the name of our class moderator, Professor Peter G. Marron. His aid was invaluable and he instilled in us the will to represent our class and our school as best we could. We could never have gotten along without him.

The social calendar presented a well-rounded program in our senior year. The first Fall Festival was a huge success with its carnival spirit and a well planned dance. The "Jazz Sessions," featuring Dick Gilroy on the piano became the popular event on Sunday afternoons. Remember the "Military Ball" under the capable direction of Hank Kearns and George McDonough and its position as the highlight of the fall semester. "Mr. Interlocutor," Paddy Ryan, did a tremendous job as the histrionic talents of Bona were put to good use in an old fashioned "Minstrel Show." The jokes were the

customary corn but the talent of the men's chorus, Don O'Neil's rendition of "Old Man River" and the multitude of fine acts was greatly appreciated.

Our basketball team once again proved to be an asset to our university. We watched them roll to victory, lose the tough ones and nose out those close wins and we knew they were playing for us. We were proud of those who represented our class on the hardwood, and as they played their last game, we cheered them all, Schalk, Duffy, Black, Saglimben, and Kenny.

Beautiful Cardinal Falconio and Archbishop Robinson Halls were erected and opened to the students early in 1955. Their modern appearance and spacious and homey rooms replaced the barracks that had long served the institution so nobly. Bona had grown materially during our stay but it had also grown spiritually for it became a part of each one of us.

Easter time had once again arrived and our period as Catholic college students was growing short. That year our annual Easter retreat seemed more to instill in us an awareness of God for before long we were going to be a part of this business world. We had progressed a long way from that high school boy of 1951 for now we were young men taught in traditional learning to seek our vocation in life.

After the Senior Ball, exams and Senior Week, we were graduated. No longer were we individuals seeking to change the school, nor members of the class of '55, but men of the world, guided by the principles of good faith and morals we had learned from the gracious Franciscan Fathers. We can never forget the aid, both spiritual and intellectual that was given to us by those humble Friars. Thank you, followers of St. Francis!

REV. SILAS ROONEY, O.F.M.
Director of Athletics

How many games do we play next year father? Is Duquesne on the schedule? How about the Tennis team, will they play Niagara? Don't forget the golf matches. Remember you promised the baseball team they would play Pony League clubs.

These are just a few of the phrases tossed at Father Silas Rooney, O.F.M., Director of Athletics here at Bona. It's up to Fr. Silas to keep Bonaventure on the map sportwise and we believe he has done an excellent job. It's not all office work either as his job requires much travel.

This year Father scheduled five teams that received post-season tournament invitations. Not too bad a record. In the minor sports department his teams were continually in Buffalo, Ithaca or Binghamton, leaving the name of Bonaventure wherever they go.

So thanks a lot, "Mike" Rooney, you did your job and did it well. Lots of luck in the future.

Hats off to Eddie Donovan. For the second straight year Eddie has guided his Brown Indians to a winning season. This year's 13-11 record was nothing spectacular but with a break or two it might have been his crew playing in the Garden last March.

The Elizabeth, New Jerseyite at 31 is one of the youngest head coaches in the country.

When Donovan stepped into the position two years ago it was evident he was no stranger to Bonas. He played for two seasons under Ed Melvin, in 1947 and 1948 but in his Senior year he gave up the game as a player and took over the role of Freshman coach.

After Graduation Ed taught for two years at Olean High School before coming back to Bonas.

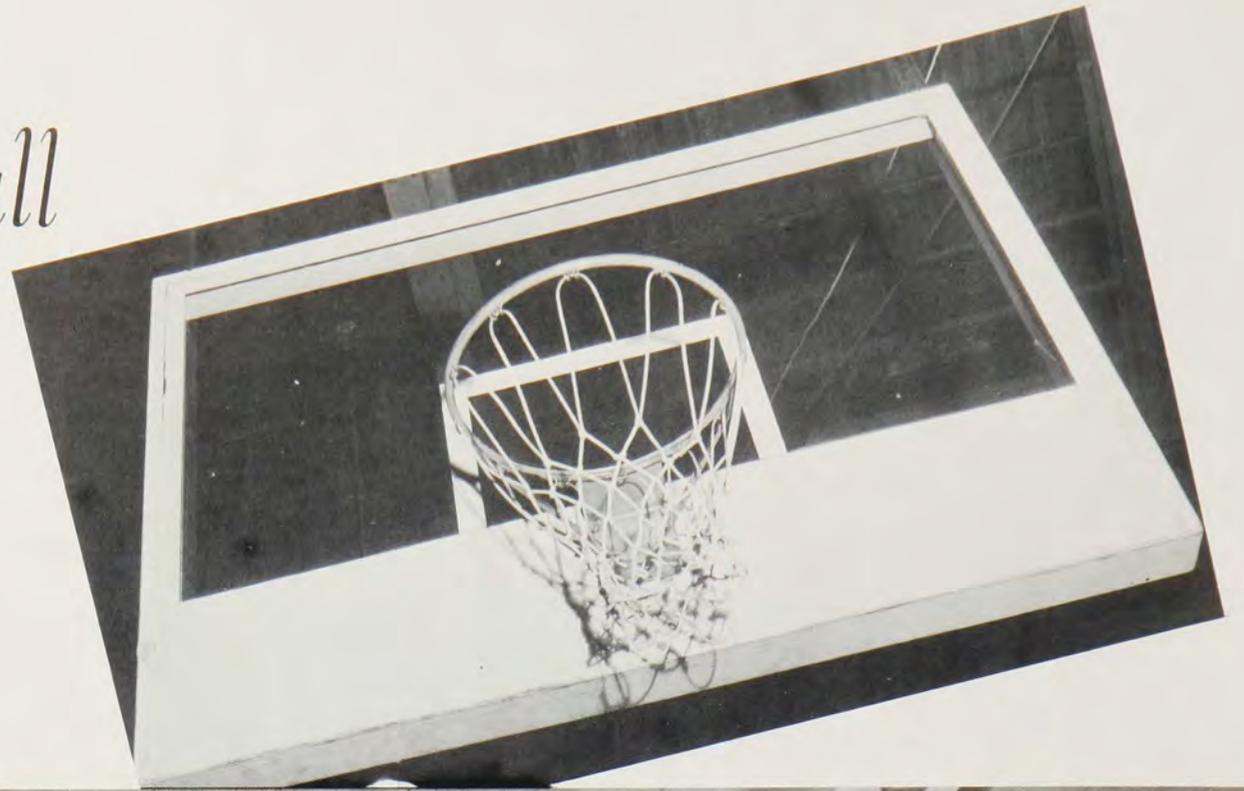

This year Eddie was faced with a very tough schedule. His team lacked height and experience. We feel he did an excellent job and know he will turn in repeat performances in the years to come.

You're a great guy if you win. You're a bum if you lose. Win, lose, or draw we will stick with Coach Donovan.

Coach Eddie Donovan's Brown Indians opened the 1954-55 campaign on a winning note when they easily disposed of the St. Vincent Bearcats 91-49, at the Olean Armory. This was Bonas 51st consecutive home-court victory.

Using a fast break attack the Indians rolled to a 58-29 halftime advantage, which provided coach Donovan with a chance to test his reserve strength.

The 91 points tied the school single-game team record, which had been previously established against Ithaca.

Mal Duffy, Bona's brilliant guard, led both teams in scoring with 23 markers. Carl Saglimben and Bob Schalk contributed 16 and 15 points respectively. From the field Bonaventure shot a respectable 42% while St. Vincents sported a dismal 27%.

The Brown Indians played without the services of Gerry Schlee, 6-5 junior center from Buffalo. Schlee suffered from a wrist injury.

Believing in the old proverb, "Records were made to be broken", the Brown Indians of St. Bonaventure set team and individual marks when they scalped Ithaca College 104-70 in their second Olean armory tilt. Mal Duffy, Bona's potential All-American broke his own individual scoring record when he connected on 15 of 25 field goal attempts and 7 charity tosses for 37 points.

The previous Bona team high was 91 set last year against Ithaca and equalled in the opening game of the year against St. Vincent's.

With six minutes remaining in the game the Brooklyn Bomber had 36 points but elected to set his teammates up rather than break the record. His record breaking point represented the 100th Bonaventure marker.

Bob Schalk continued his point producing as he connected for 21 points in the rout. All eleven players broke into the scoring column.

The Bonnies shot 42% while Ithaca had a 34% average from the field.

Coach Donovan's charges dropped their first contest of the year as the Villanova Wildcats howled to a 80-64 decision over the Tomahawkless Indians.

One bright aspect of the game was the play of Gerry Schlee, making his first appearance of the season. Schlee scored 12 points and rebounded effectively as Bonas played the Wildcats on even terms for the final 27 minutes.

The Bonnies, after four tie scores and leading by five points went down by 15 points at half and could never close the gap.

Mal Duffy suffered his poorest evening of the young season as he was held to two field goals, but finished the night with 16 points as he tacked on 12 charity tosses. Bobby Schalk contributed 10 points in a losing cause, while Schlee had 12.

Coach Donovan's boys just couldn't find the range as they hit on 21 of 80 shots for 26%. The winners shot a cool 40%.

St. Bonaventure's Brown Indians knocked the top seeded team out of the running in the first round of the First Annual Queen City Tournament held by Canisius College, as they downed Chet Forte and crew from Columbia, 73-71.

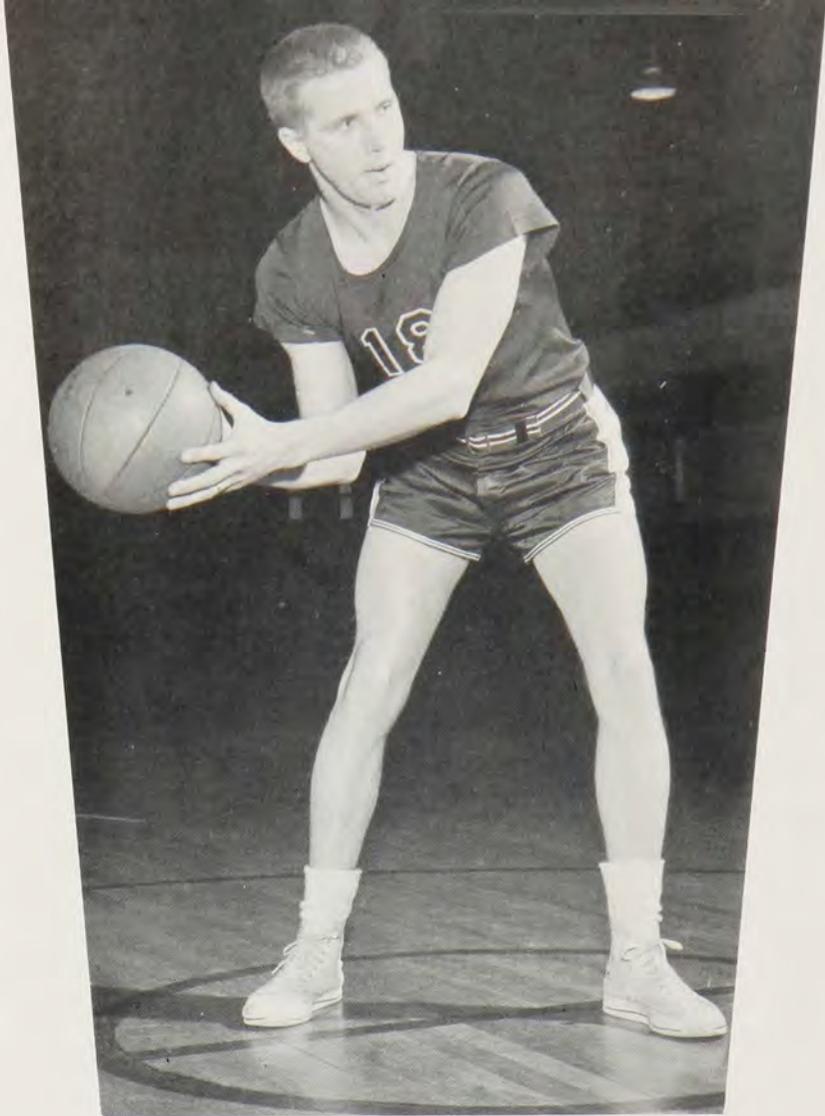

It was a nip and tuck battle all the way and after 20 minutes of close checking, scrambling and good shooting when opportunities presented themselves, Columbia held a 35-32 lead.

Columbia started the second half off with a bang and racked up six straight points to take a commanding lead. But the Bonnies rallied to tie it at 57 all and pull away as George Evans hit a field goal, Jerry Schlee a tap, and Bob Schalk a set.

With three minutes to go Bona led 69-65 and accurate foul conversions by Jerry Olshefski and Mal Duffy quelled the visitors threats.

Bob Schalk came through to take scoring honors with 24 points while Mal Duffy was runnerup with 19.

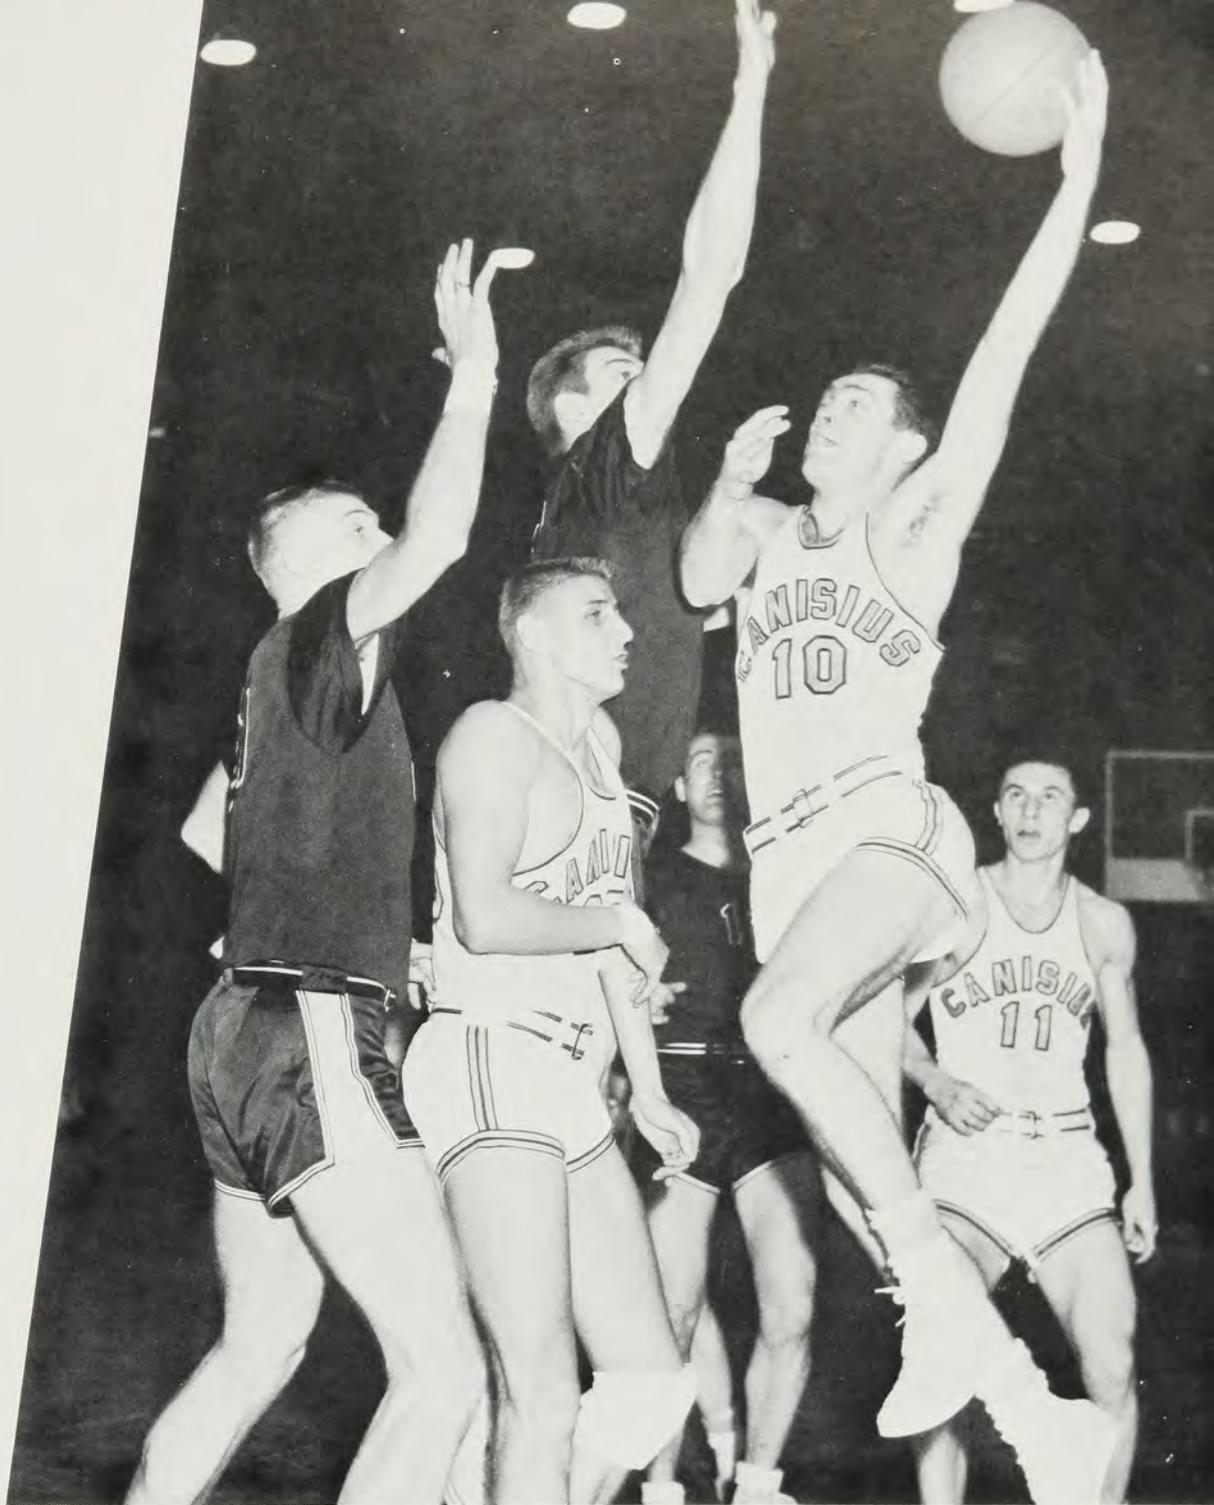

High scoring Chet Forte was held to 12 points by Bobby Schalk. Bob Lehner hooped 17 for the losers.

Inspired by their upset victory over Columbia, Bona-venture played their best game of the season as they romped over Georgetown, 66-59, and advanced to the tournament finals.

The sophomore loaded Hoya team started out with a rush but a six point string rescued them from a 16-15 deficit. Bob Clark's two baskets and Mal Duffy's set gave Bona a three point advantage, 33-30, at halftime. The Indians led by five points at four stages of the first half.

Only once in the final 20 minutes did the Hoyas threaten as they cut the deficit to 47-44 at the 12 minute mark. Free throws by Duffy and Schalk reopened the gap.

Going into the final three minutes Bonas led by seven, 61-54, and George Evans sewed up the game with two charity tosses with 1:58 left.

St. Bona's	66
Georgetown	59

Mal Duffy played one of the outstanding games of the tournament as he racked up 26 points. Clutch man Bobby Schalk came through with 12. Jim Morano had 16 for the losers.

Coach Donovan's charges shot a sizzling 45.9% while Georgetown had a respectable 35.8% average from the field.

It was a typical Little Three battle and it went right down to the wire but Johnny McCarthy's All-American performance sent Bona down to defeat, 59-56, in the finals of the Queen City Tourney. The Golden Griffis of Canisius had advanced to the finals with an easy victory over Georgia Tech.

McCarthy's sets and drives, which won him MVP honors for the tourney, sparked the Griffis into an early 12 point lead. An 8 point string by Bonas on Carl Saglimben's two baskets, Duffy's drive and George Evans' steal, cut the margin to 32-26 at intermission.

After resumption of play Duffy's two steals and Evans' bucket brought the fans to their feet as Bona trailed by one, 40-39, with 8:40 gone. The Griffis however ran off 5 quick points but Bona again retaliated to go ahead 48-47.

It was at this point McCarthy took over as he hit four straight buckets and went into his Marquis Haynes dribbling act. His accurate conversions from the 15 foot mark sent Bona home with the runnerup trophy.

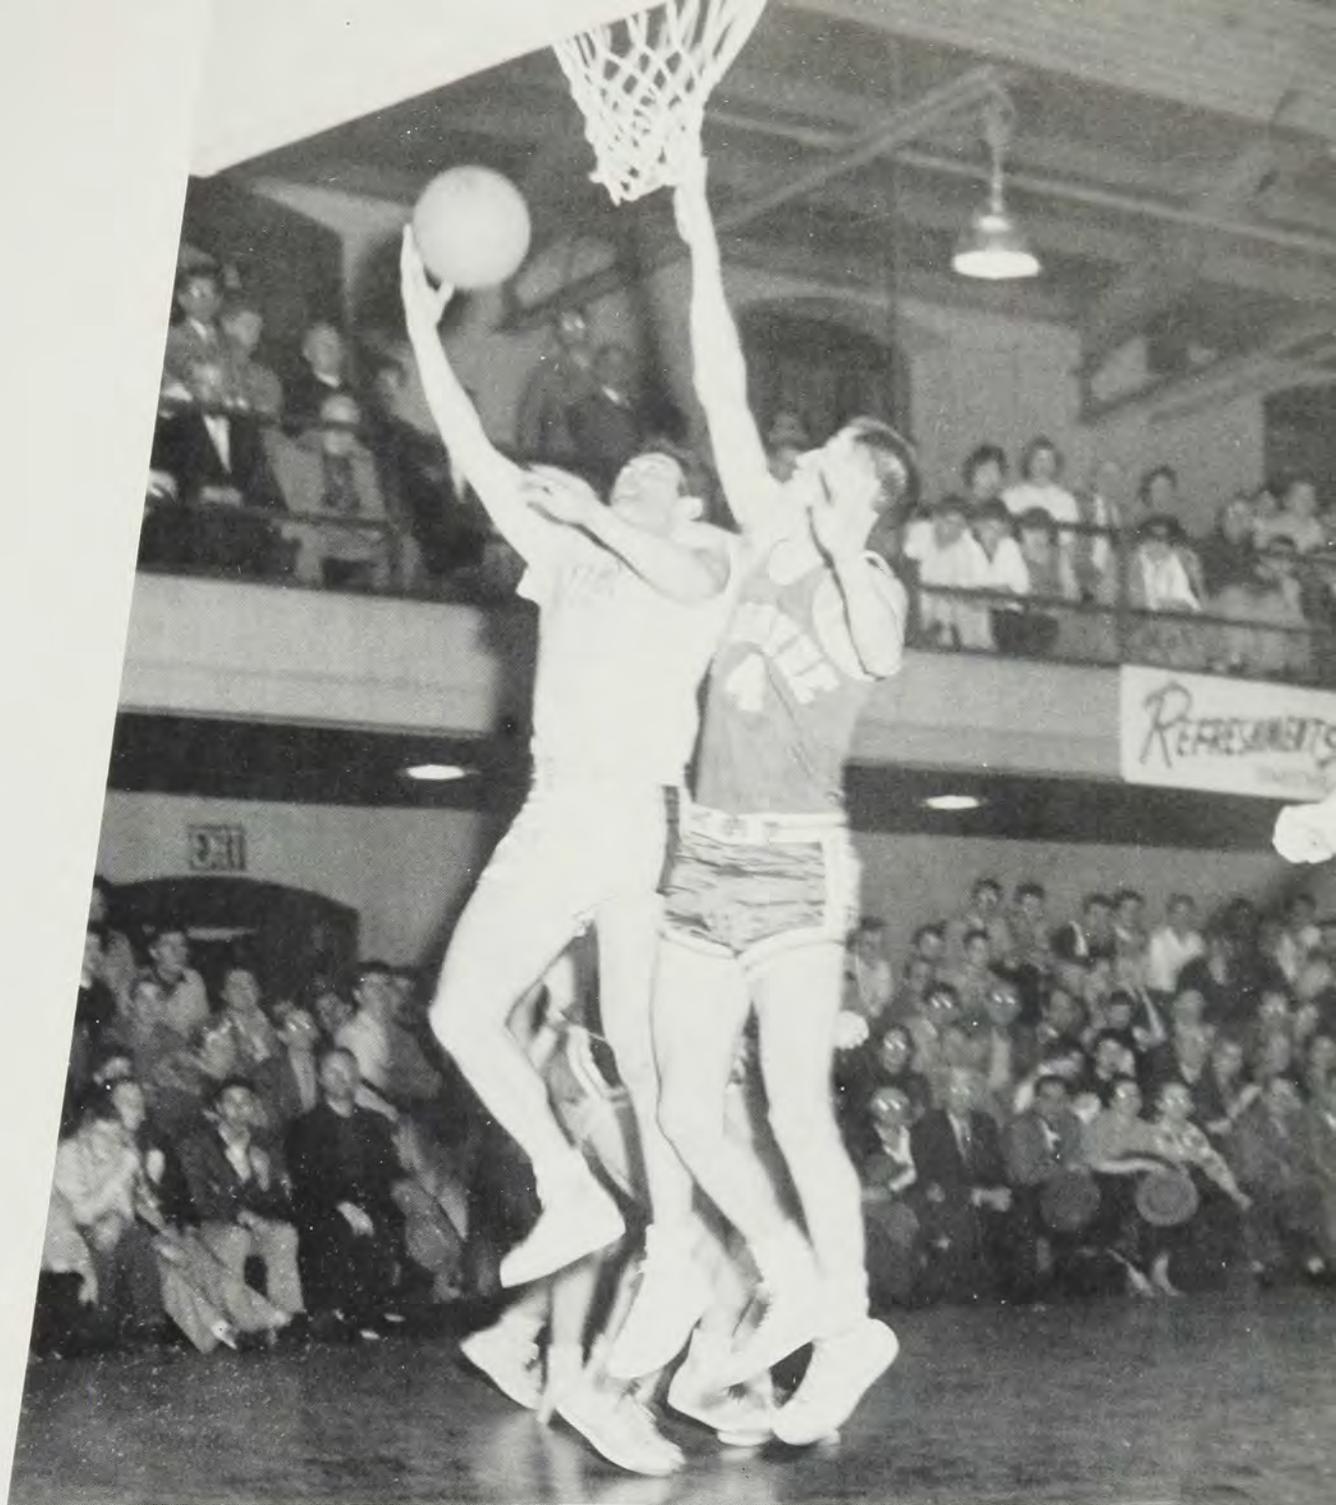

Mal Duffy was the only Brown Indian in double figures as he connected for 20 points.

BILL McMANUS

The Bonaventure boys just couldn't miss in this tilt as they shot a phenomenal 57% from the floor in defeating Westminster 80-74. Bona took 54 shots from the field, scoring on 31 for their 57.7% while the losers shot an excellent 37.5%.

In winning their fifth of seven starts, Coach Donovan's charges were led by Mal Duffy and Carl Saglimben. Big Sag meshed 20 points, the high of his college career thus far, while Duffy continued his sensational cannonading with 25 markers. Game honors went to Big Jim Reilly with 32 points, 24 of which he scored in the second half.

The losers led five times in the game, all in the first half. Westminster held a four point advantage until Duffy's two sets got the Bonnie attack rolling. With four minutes remaining in the first half, the Brooklyn speedster set sent the Bonnies into a lead, 26-25, and they never relinquished it.

St. Bona's	80

Outside of Bonas fabulous shooting and Duff's great game the only bright aspect was the play of Carl Saglimben. The Dunkirk senior played one of the greatest games of his career and came through constantly with timely baskets.

Bonas first Little Three tilt of the year ended on a sour note as Eddie Fleming scored 38 points and sent the Indians home with very little blood on their Tomahawks. The final score was 85-61 and Fleming had hung up a new Little Three individual scoring record.

The Indians were down seven points after the first minute of play and although they never really threatened they managed to stay close until the three quarter mark of the first half. The Purple Eagles, however, blew the game apart with a 16 point string and Bona trailed 53-27 at halftime.

In the second half Bonas came alive and outscored the Monteaagle Ridge sharpshooters 34-32. A 26 point deficit was too much to make up in a half however, as Bonas dropped their third game of the season.

The game was perhaps the roughest in Little Three history as Bonas scoring ace Mal Duffy and Niagara's one-man show, Ed Fleming were forced to leave the game because of injuries. Fleming was deprived of an opportunity to break the Aud record of 42 points when he drove headlong into the pipe support of the backboard with five minutes to go. He was knocked unconscious but escaped serious injury.

Approximately two minutes earlier Duffy collapsed from a jolt to the face. It required a stich to close his cut lip.

Leading the scoring parade for the bewildered Indians was Carl Saglimben with 15 points and Mal Duffy and Jimmy Crough with 15 and 13 tallies respectively.

Those Garden jitters just didn't affect Eddie Donovan's boys this year as they rolled to an easy 69-54 conquest over Iona in their annual invasion of the Garden.

Mal Duffy gave the hometown fans a show and lived up to the New York sports writers press notices as he poured 22 points through the hoop.

Baskets by Duffy and Jimmy Crough got the Bonnies off on the right foot and they never trailed in the game. The Brown Indians held a 35-24 halftime advantage, and never were in any trouble thereafter, although Iona once scored 10 straight points. Earlier in the game Bona ran off a 10 point string.

Assisting Duffy in the scoring column were Jimmy Crough with 13 points, by far his best effort of the year, and Carl Saglimben and Jerry Schlee with 11 and 10 markers respectively. Bonas won-lost record now stands at 6-3.

What happened???? It was a sad night and headaches were frequent as the Griffs completely outhustled Bona 76-59. The Brown Indians trailed from the opening gun as Canisius opened a 10 point gap with 10 minutes gone. At one time in the first half the Golden Domers lead by as many as 19 points but a Bona rally cut it to 11 just before the half ended.

The story was all Johnny McCarthy as the Griffin's All-American candidate outshot, outdribbled and outplayed the entire Bona team. "Matchless John" as he is referred to bombed 26 points and personally froze the ball for the last three minutes.

This was the second meeting of the year between the two rivals and was Bonas second Little Three loss. They have yet to win. It also marked Volume II of the highly publicized McCarthy-Duffy duel.

While McCarthy was busy dribbling and scoring Mal Duffy kept pace with him until the three minute rule went into effect. Duffy topped the Bona scoring column with 21 points. George Evans converted 9 fouls and tacked on 2 field goals for 13 tallies while Jim Crough turned in his second straight top notch performance with 11 markers.

Almost but not quite the story-book says of Bonas gallant effort to sink the mighty Dukes from Pittsburgh. Leading until the final three minutes of play, the Brown Indians couldn't cope with the Dukes two All-Americans, Si Green and Dick Ricketts. When the game ended the scoreboard read Duquesne 57, Bona 50. But that wasn't the story.

It was a comeback trail for the Dukes as Bona held eight point advantages five times during the second half. With 3:10 left in the contest the Dukes went ahead on Ricketts' tap and the murmurs of an upset ceased to ripple through the jam-packed Aud.

This game marked the debut of soph-star Brendan McCann. Replacing the injured Bobby Schalk, McCann scored 6 points and turned in an outstanding floor game. The "Squinting Soph" was all over the floor, intercepting passes and setting up plays.

Bonas led 17-13 after 10 minutes had elapsed but the powerful Dukes narrowed the margin to three, 27-24, by halftime. Bona once again forged ahead and opened an eight point margin only to lose out in the final three minutes.

St. Bona's	50
Duquesne	57

Leading the Bonnies down the beaten path was Mal Duffy with 19 points, 11 of them from the foul line. He was the only Brown Indian cager in double figures.

Duquesne's unstoppable duo of Green and Ricketts were supreme. Green canned 24 points, most of them in the second half, while Ricketts, hampered with a sprained ankle, tipped in 14.

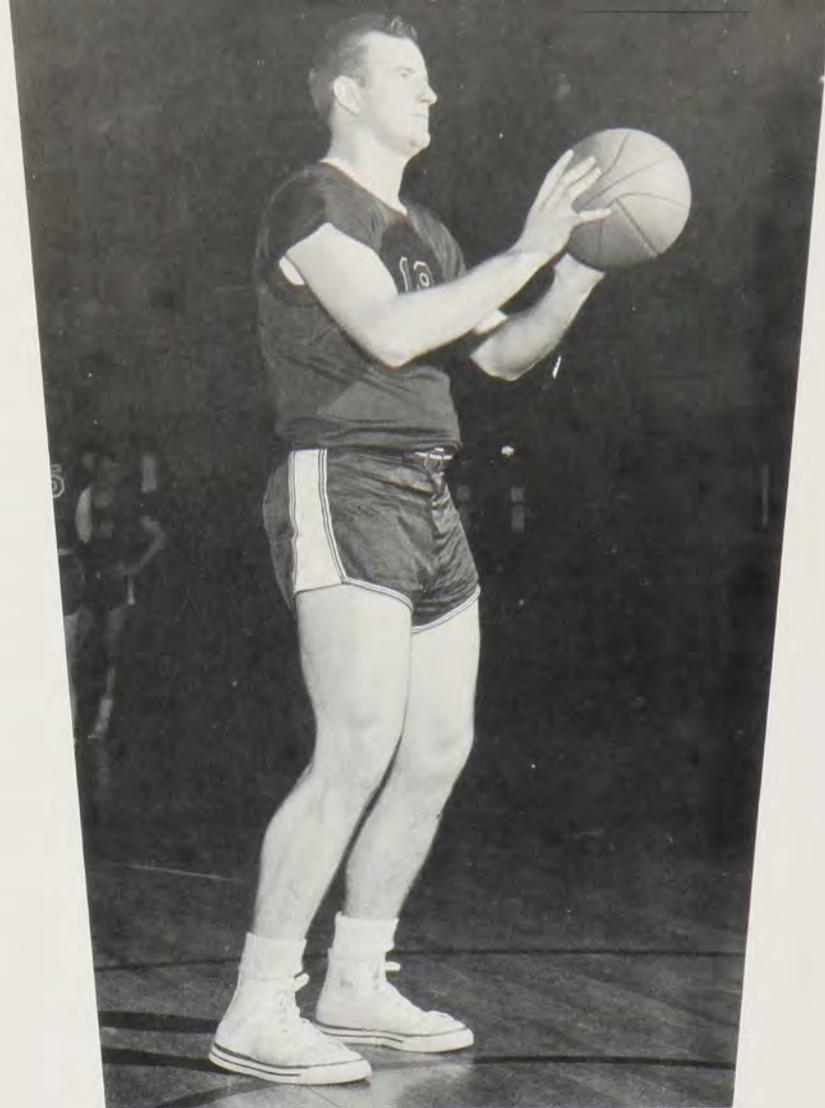

Number 54 in a row at home. Siena's fast breaking Indians almost ended Bonas homecourt skein at 53 but Coach Donovan's charges rallied in the final two minutes to win 64-60. This was the Indian's seventh victory against five losses.

In the first half Bonas had the target zeroed in and the 41-29 halftime score indicated a runaway against the tomahawkless Sienans. During this period Brendan McCann provided the radio announcers with material to rave about as his long sets and sharp passes thrilled the spectators.

There must have been a cover on the basket after the intermission. Bonas went scoreless for 7:25 and with nine minutes left Siena lead by three, 46-43. Two sets by McCann, Jerry Schlee's two pointer and Mal Duffy's two free throws threw a new light on the game. Big Carl Saglimben iced the game with two hooks in the last minute.

Duffy continued his sensational shooting as he canned 17 points. Saglimben played one of the best games hitting for 17 tallies and rebounding well.

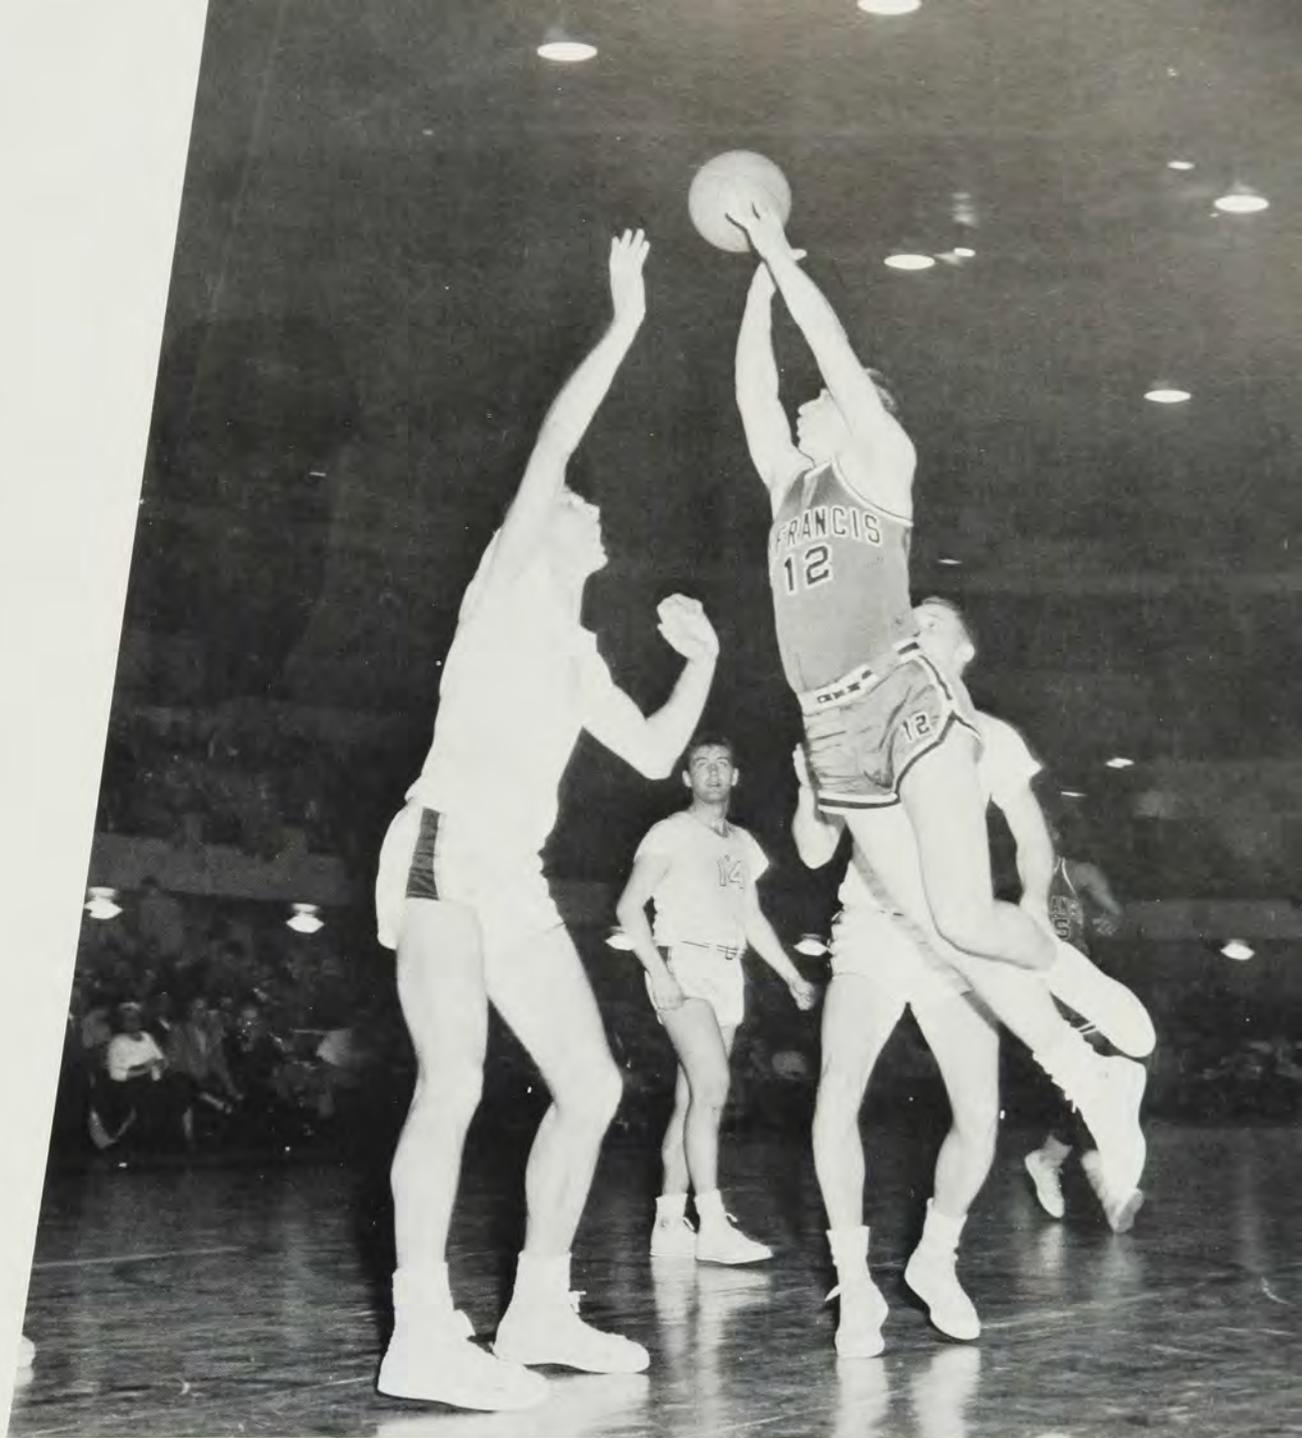

Bonaventure hit 33% while Siena shot 30%.

After the battle was over and the smoke had cleared Bonaventure once again had been scalped. This one was a tough 95-93 overtime loss to Maurice Stokes and his St. Francis Terriers.

The Bonnies, shooting 48.8% for the first 20 minutes, led by 51-42 at halftime. Then the Keystone Staters came out with a zone defense, switching back to man to man after whittling the Bona lead to 5, 69-64. St. Francis took the lead, 74-73, with five minutes to go.

At the end of regulation time the score was deadlocked 82 all as Bona's desperation shot fell short on the gun.

In the overtime it was all Stokes as he scored two baskets and was credited with an assist. Buckets just before the game ended by Jerry Schlee and Ernie Rokose cut the point spread to five.

Mal Duffy was nothing short of superb as he contributed 28 points to the Bona cause on sets and drives. Gerry Schlee followed with 20. However, Schlee's greatest contribution was holding Maurice Stokes on even terms.

St. Bona's	93
St. Francis	95

Bobby Schalk contributed 17 points and Brendan McCann ripped the cords for 14. Assisting Stokes were Jim McClellan with 22, and Frank Puschauer with 15.

The Brown Indians suffered a crippling blow when Jim Crough was stricken by intestinal influenza and is out indefinitely.

Shooting by both teams was excellent. The Bonnies hit 44.3% while the Frankies posted a 41.7% mark.

Mal Duffy scored 11 points in four minutes and that proved the difference in Coach Donovan's boys 58-52 defeat of LeMoyne. It was win number 55 in a row on the Olean Armory floor.

LeMoyne was leading, 32-25, with a minute to go until halftime when Duffy drove for two baskets. He was fouled on each and tacked on the resulting free throws in each case. Carl Saglimben then added a foul to cut the deficit to two points at halftime.

Five minutes after the resumption of play Bona took the lead and stayed ahead until the end. With three minutes to go, however, LeMoyne slashed the margin to a single point, 51-50. Duff went into action again. He hit on a set, a layup and a free throw to ice the game.

Duffy finished with 26 points and gave him a total of 313 for 14 games. This is an average of 22.4 a game. Carl Saglimben turned in another top notch performance as he garnered 17 points. LeMoyne's high scoring duo of Dietz and Kenyon contributed 20 and 15 respectively.

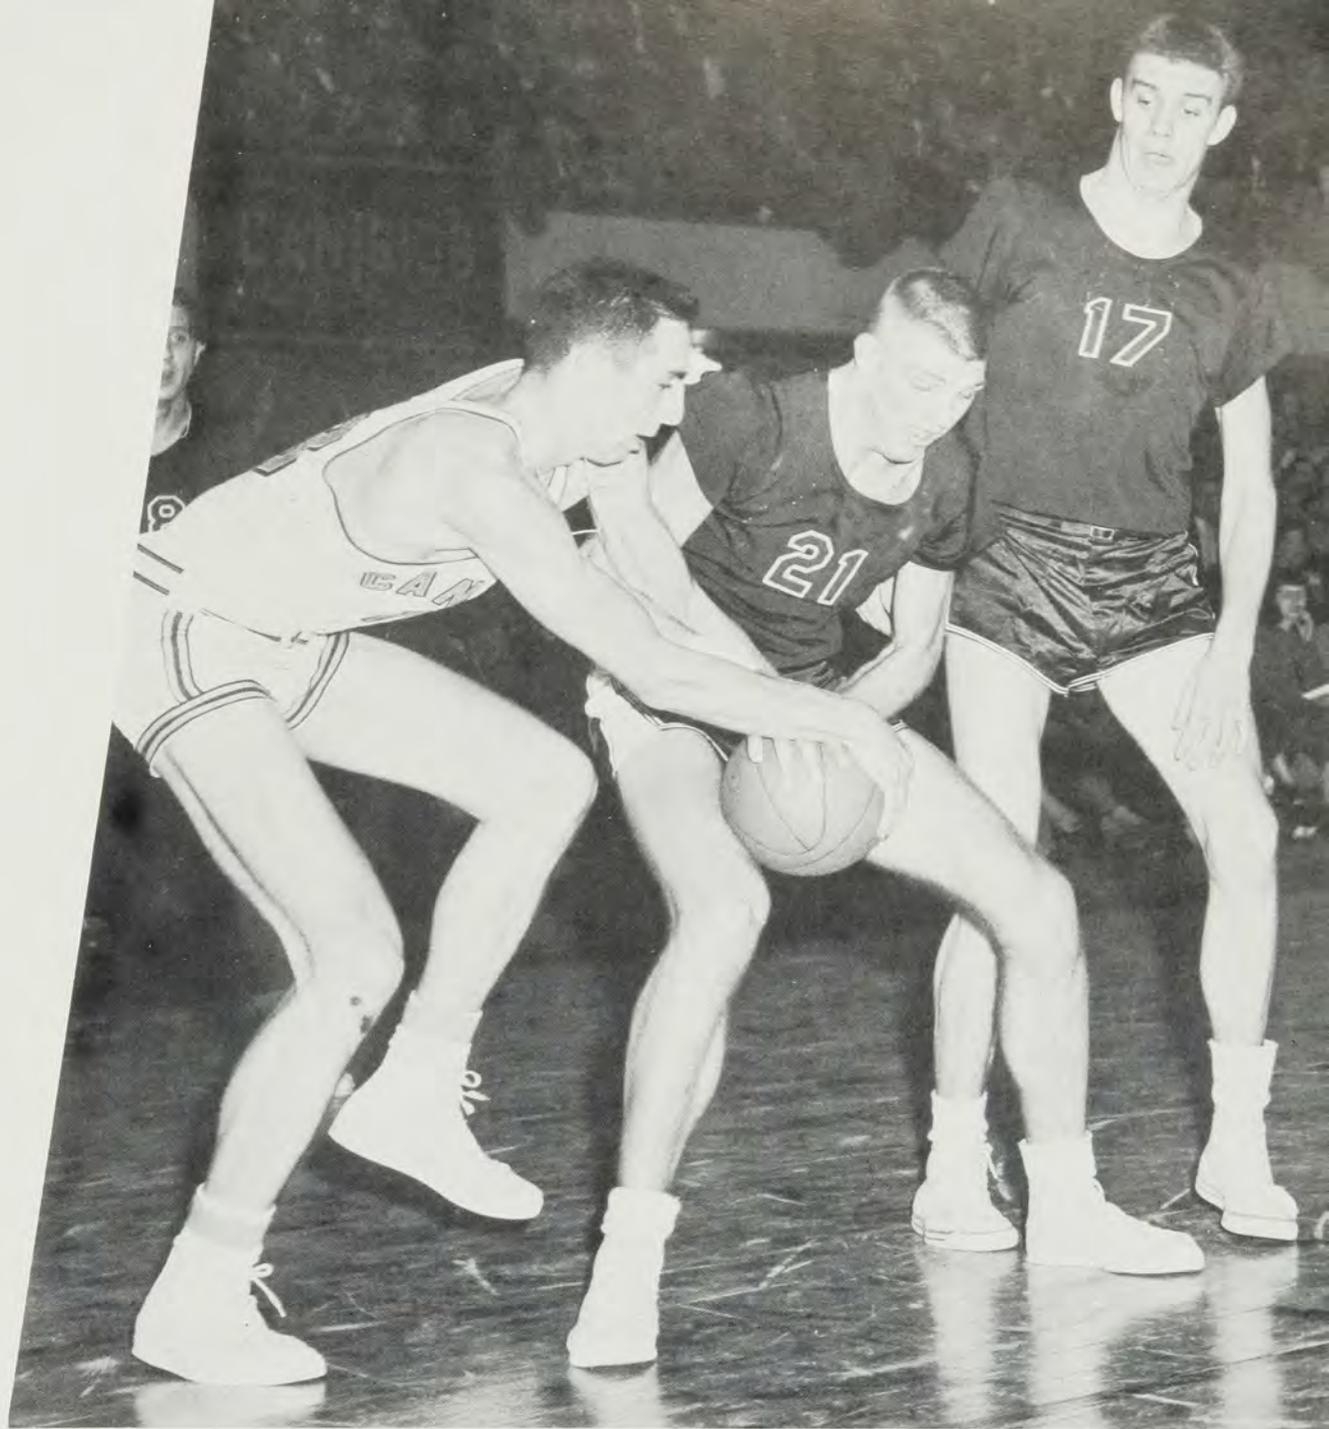

The victory was Bona's eighth of the season against six losses.

The script was the same except for one thing—the Bonnies forgot how it ended. That was the story as Bonas hung on to defeat Siena 63-61 in overtime.

The first two acts were similar to the Olean play with the hometeam piling up a huge first-half advantage and the visitors rallying in the second stanza. But the climactic ending, in which the hometown comes out victorious, turned into tragedy mainly through the efforts of such sterling actors as Mal Duffy and Jerry Schlee.

After each team had added an overtime bucket, Eddie Donovan ordered the freeze. With nine seconds left Ernie Rokose let fly with an errant jump but Jerry Schlee tipped in the rebound as the buzzer went off.

Siena blistered the hoop with rapidity in the first 20 minutes. Danny Cunha's charges piled up a mammoth 18 point advantage in the period but Bona cut it to 34-22 at intermission.

Duffy regained his eye in the second half and Bona finally tied the score with four minutes to go. Siena missed four close shots in the last three minutes and Duff's set bounced away with four seconds of regulation time left.

Top man in the point producing department was Duffy with 23 points, 17 of them in the last half.

All-American Maurice Stokes and Mal Duffy staged a personal scoring duel as Bonas dropped their second game to St. Francis, Pa., 93-88. Stokes hit the coveted 30 point mark while Duffy was one behind with 29. This gives Duff 57 points in the two games against St. Francis.

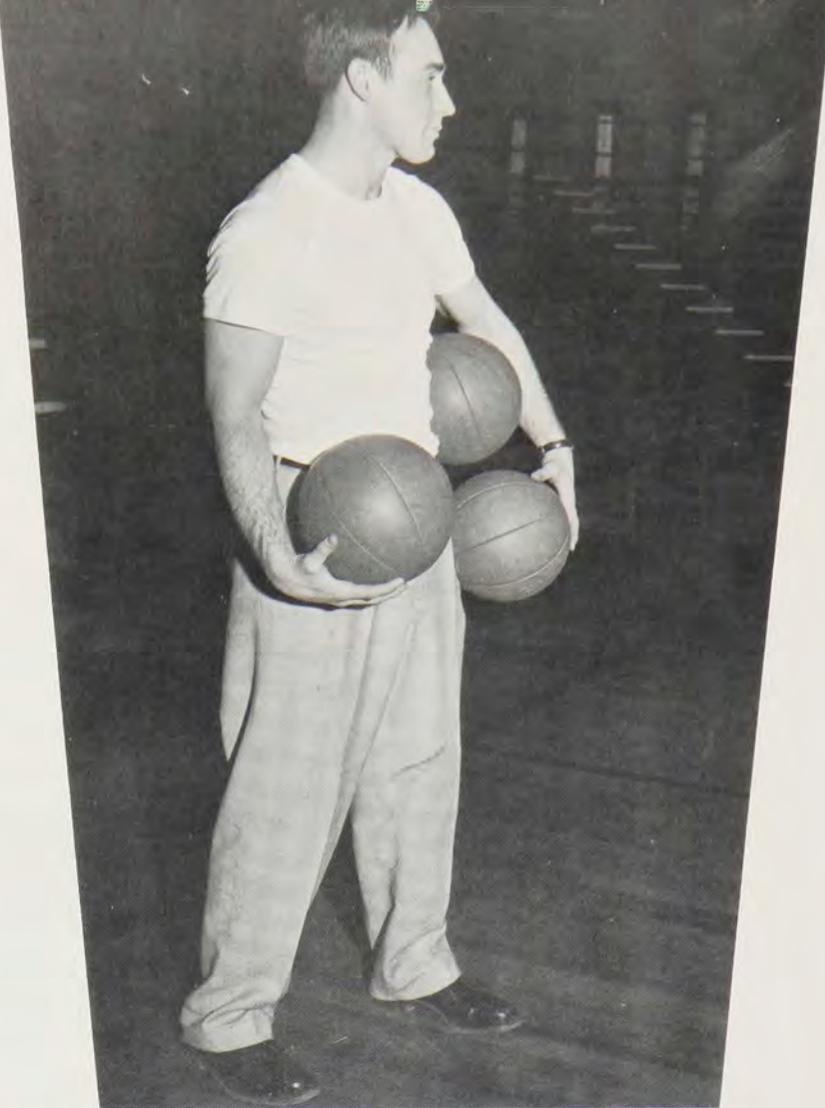

What started out to be an easy win for the Frankies almost ended in disaster as Bonas almost pulled the game out of the fire. St. Francis held a commanding 52-43 lead at halftime, but the Indians brandishing their tomahawks staged a determined rally and trailed 88-86 with 1:16 left.

Forced to foul to get the ball, accurate foul shooting by the winners gave them their five point margin. Both teams scored 33 field goals.

Stokes left the game late in the contest as did Walt Milinski and Bona's Jerry Schlee. Stokes' final two points gave him 2000 points for 4 years.

Duffy received help from the scoring angle as Carl Saglimben and Brendan McCann hit for 15 apiece. Schlee chipped in with 10. Four Frankies followed Stokes in double figures. Jim McClellan and Walt Milinski split 34 while Bill Saler had 14 and Frank Puschauer 10.

Bona now sports a 9-7 record.

Carl Saglimben played the greatest game of his life as Bona pulled one of the most startling upsets in Little Three history by dumping Niagara 75-71. The tall Dunkirk forward swished the courts for 23 points and completely dominated the boards.

This was Bona's first Little Three win and kept alive a chance to bring a triple tie. Niagara is now 2-1, Canisius 1-1 and Bona 1-2.

The Montegale men outscored Bona from the field by one basket, but the game was won from the foul line as Bona converted 17 fouls to Niagara's 11.

Their tomahawks dripping with blood, the Brown Indians held a 4 point advantage on six occasions and led 38-36 at halftime. The Eagles forged in front, 46-45 but the lead was short lived as Saggy put Bona ahead again. The lead changed hands three times in two minutes and with 3:30 to go Niagara led 67-64. Schalk's three pointer tied the score and Bona never trailed again.

Duffy then followed with the backbreakers, six straight points—a basket and four free throws.

Brendan McCann turned in a great performance as he hit for 19 points and Duffy followed with 16.

Tom Hemans and Ed Fleming were the big guns for Niagara with 22 and 21 points respectively. Jim McConnell had 15 and Jim McDonald, subbing for the ailing Charlie Hoxie had 13.

Both teams shot a respectable 41% from the floor.

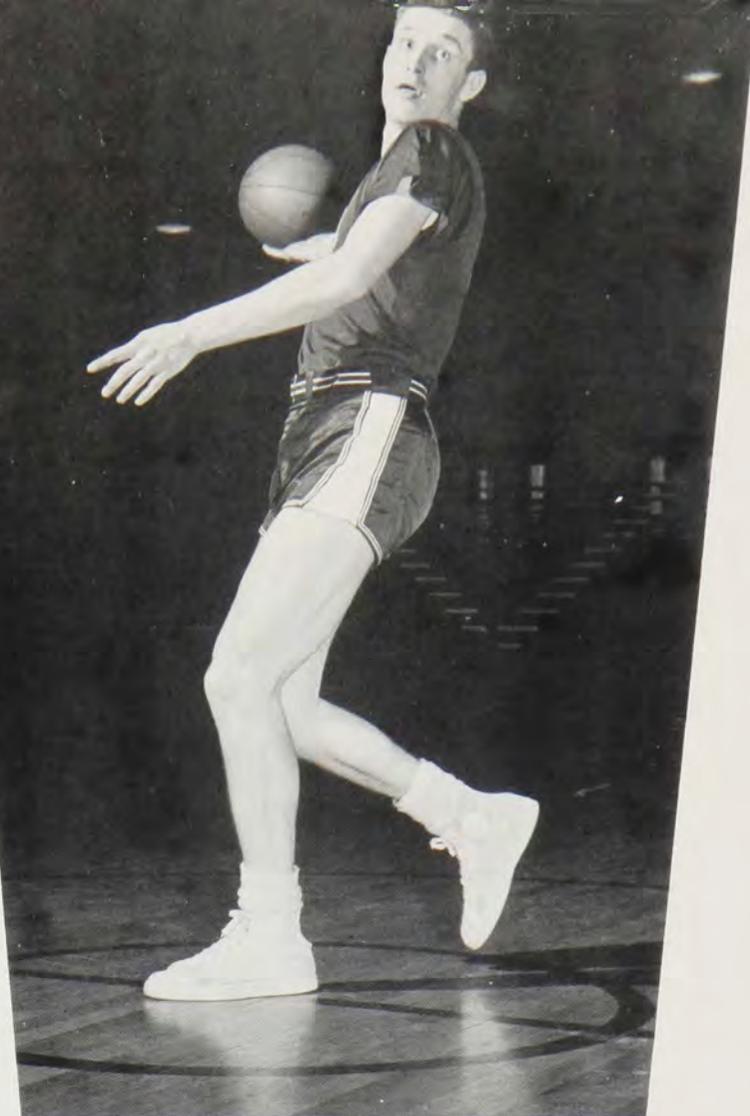

What appeared to be a Bona romp became an eight point win as Bona outlasted Westminster 90-82 for their 56th straight home court win. In running its basketball record to 11 victories against 7 losses Bona piled up a big early lead and withstood every Westminster effort to shave the margin.

Midway through the first half the Brown Indians were leading only 23-18, but a torrid five-minute streak, with Carl Saglimben dunking nine points and Mal Duffy six, upped the pace to 41-20. The never say die crew staged a surge which narrowed the gap to 47-36 at the intermission.

Bona once again spurred and stretched their lead to 17 points, 80-63 with five minutes left. Westminster never gave up and with 1½ minutes to go trailed by six, 86-80. Bona quickly regained her poise and ended their home season on a winning note.

Mal Duffy, who is deadlier than poison, once again paced the attack with 27 points. Big Carl Saglimben pushed in 22 tallies. Leading the losers attack was Harold Davis with 21 and George Strehler with 16.

Bona shot 45% to Westminster's 35.6 mark.

Danny Lynch brought his youthful, scrappy Terriers of St. Francis into the Aud with little recognition of advance buildup. But when the Lynchmen left they had been tabbed one of the destined eastern powers, after they chewed away at Bonas Indians to the tune of a 71-64 win.

Playing with three frosh, a soph and a junior, the Terriers bounced back from a 21-10 lead that Bona had opened to move ahead 35-32 at the end of the first half.

With plebe Al Innis controlling the boards and soph George Fox flipping in jump shots that defied the Law of Gravity, the Brooklyn Franciscans opened up a 14 point spread in the second session.

Brendan McCann, who tied with Mal Duffy for scoring honors with 16, sparked a late rally that sliced the margin to 5 with 2:15 remaining. Les Yellin's two charity tosses finishing any hopes the Indians had of a miracle finish.

St. Bona's	64
St. Francis	71

In an after season poll St. Francis was voted the most underated team that the Indians faced.

Mal Duffy's wrist-snapped set with 2 minutes remaining in the first half was the point number 1000 registered in the Duffy ledger of buckets. Mal thus joined Ken Murray in becoming the second man in Brown Indian history to reach that mark.

The game itself was not as easy as that 15 point spread indicates. The pesky Bearcats and Indians were locked up at 48 all until Duffy's free toss opened a Bona deluge that saw Coach Donovan's crew roll up 19 points to the losers 5 in the last five minutes.

Brendan McCann canned 11 of his 13 total in the second half while Carl Saglimben and Bob Schalk split 22 tallies.

Carl Burlas connected for 15 points for the determined Latrobe contingent. Jim Knapo followed his teammate with 13.

GERRY SCHLEE

Number 12 made its last appearance of the year but only a handful of Bona fans realized that Mal Duffy was joining Carl Saglimben and Bobby Schalk in their farewell performance. It was announced in March that Duff's eligibility had been exhausted.

That Bonas lost to Duquesne by 18 points, 68-50, was secondary. It did, however, ring down the curtain on one of the greatest careers in Bona history.

Duff's 15 points hiked his output to 507 for the season—a Bona record—and to 1,029 for 2½ years.

The game itself saw the Iron Dukes stage a torrid second half rally to salt away the game. Holding a mere three point advantage at the intermission, 30-27, Ricketts hit for four quick field goals to erase the element of doubt.

Ricketts, making his final start before the home town fans, took scoring honors for the night with 21 points. His All-American running mate, Si Green contributed 18 markers to the winning cause.

Brendan McCann tied Duffy for scoring honors with 15 points.

The Brown Indians shot a respectable 40% and the Dukes were one point higher at 41%.

Si, Dick, Maury, Mac and Ed; that's the All-Enemy five. The 1955 edition of Bonas All-opponent dream team lists five starters who have been giving coaches all over the country nightmares and insomnia for the past twelve weeks.

The dream five lists three boys who were on almost everybody's All-American choice. Leading the parade is the unstoppable Duquesne duo of Dick Ricketts and Si Green and capably backing them up is Mammoth Maury Stokes of St. Francis, Pa.

Rounding out the top five are two Little Three opponents. Ed Fleming's one man effort in the first Niagara game insured him of a spot while Johnny McCarthy's dribbling and shooting tactics gave him a first squad berth.

Si Green was voted the most outstanding player faced this season while Duquesne was acclaimed the top team faced this season.

The second Niagara game was dubbed most exciting as well as the best effort of the year by the Brown Indian five.

St. Francis of Brooklyn received little competition in being tabbed the most underrated opponent.

Acknowledgments:

We the staff of the 1955 Bonadieu have endeavored to edit a cross-section of St. Bonaventure campus life; its success or failure can only be judged by you the reader.

The completed issue which lies before you, in no way expresses the many helpful suggestions which have given it form.

And so that our readers may know to some extent who has contributed of their time and energy, the following well-wishers have been entered.

At the same time our staff offers a sincere, "thank you" to all who have in any way furthered their goal, the 1955 Bonadieu.

FATHER MARTIN McCORMACK, O.F.M., our advisor, for his patience and consideration when the going was tough.

FATHER JEROME KELLY, O.F.M., for his aid in helping us collect information.

ERNIE CERMAN, for his picture hints and a more than professional interest.

FATHER CANISIUS CONNORS, O.F.M., for his timely advice.

MR. WILLIAM RAUCH, and all the people at Rauch and Stoeckl Printing Company for their sincere and helpful comments.

MR. WRIGHT for his excellent fill-in photo coverage.

FRANK CADY for his clutch help in the sports section.

GEORGE LEONE and the Times Herald for those pictures which were difficult to find.

JOHN HARDMAN and JACK GUENTHER for cooperation and fine work.

RAY GAWRONSKI for his typing talent.

TO THE ENTIRE STAFF of the Bonadieu, a spirit of thanks for whatever they have done.

TO THE COURIER-EXPRESS in Buffalo for providing basketball pictures.

Our subscribers, advertisers and patrons for their financial support. To all whose effort, time and patience made the production of this book possible.

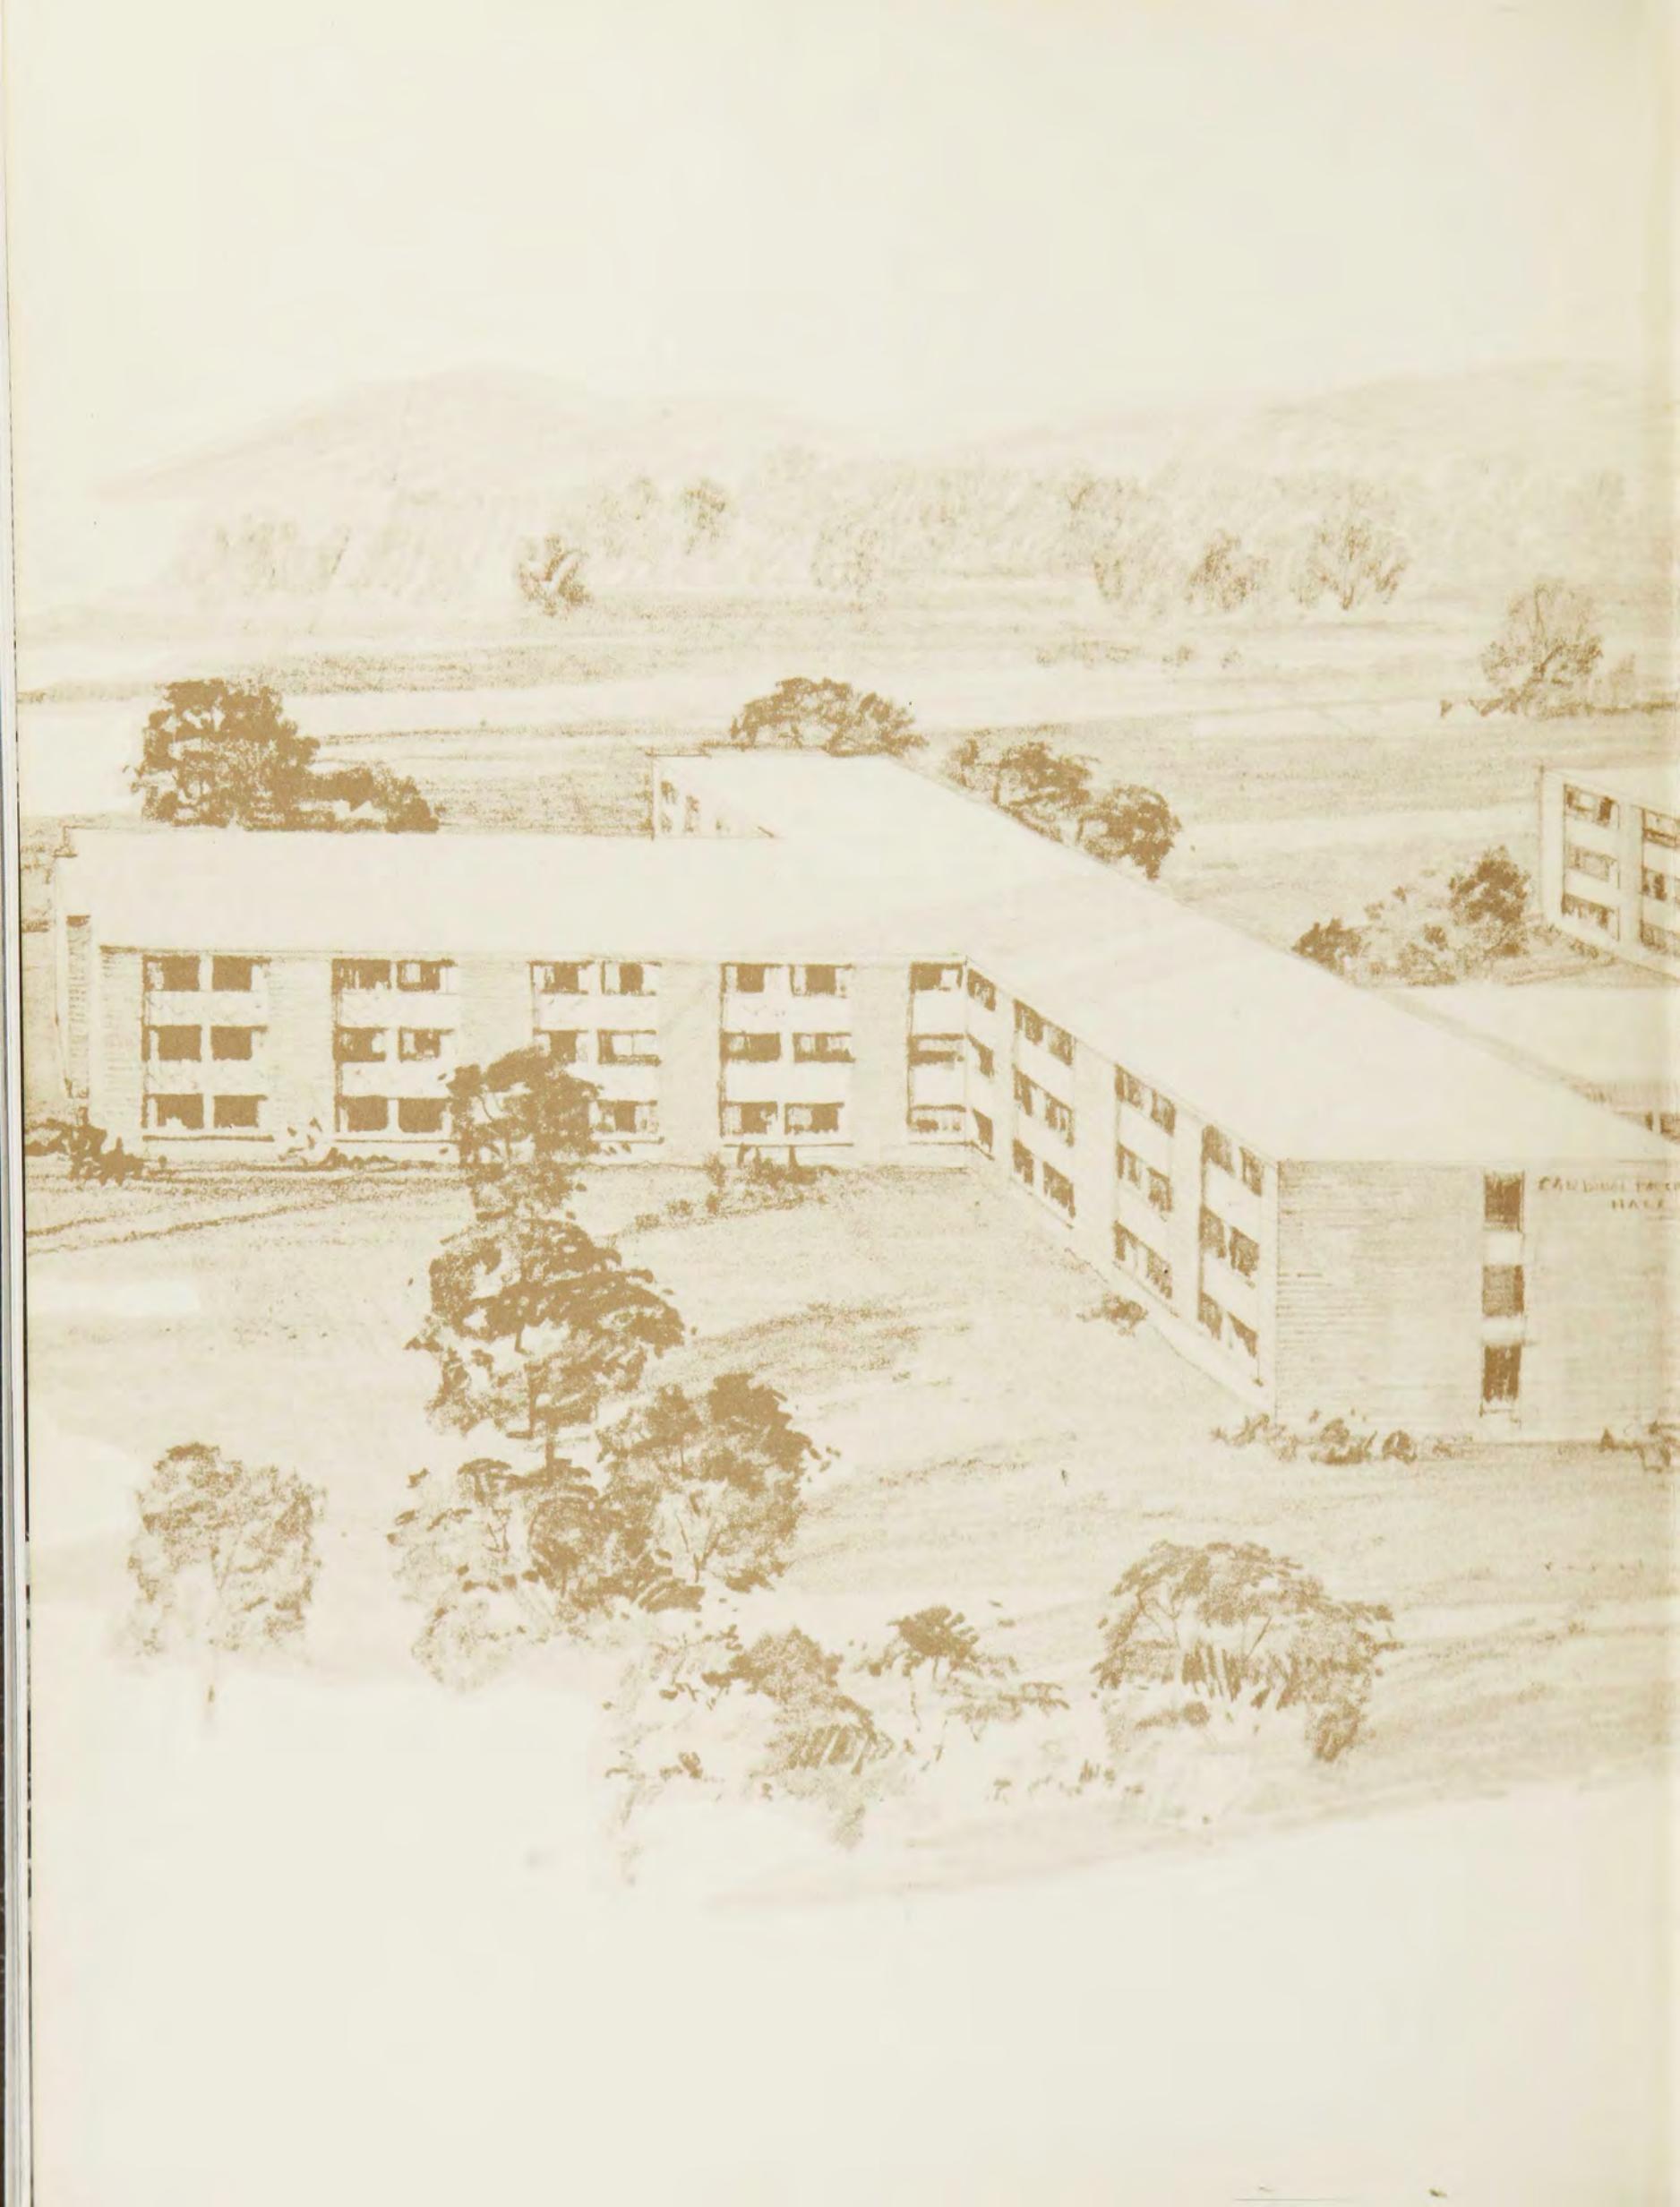

THANK YOU

The Editors,

The Business Manager.
