## Dedication

We, the Class of 1956, rounding out four years at St. Bonaventure University, gratefully dedicate this volume of the *Bonadieu* to a friar whose devotion to school and students commands our admiration in this hour of success. Through the years, like those before us, we found a friendly counselor, embodying the ideals of the Bonaventure man, and a priestly teacher, personifying the spirit of St. Francis, in the Reverend Irenaeus Herscher, O.F.M., Librarian of St. Bonaventure University.

It is especially fitting that we pay this tribute: our graduation coincides so exactly with the twenty-fifth anniversary of the ordination of Father Irenaeus to the Holy Priesthood.

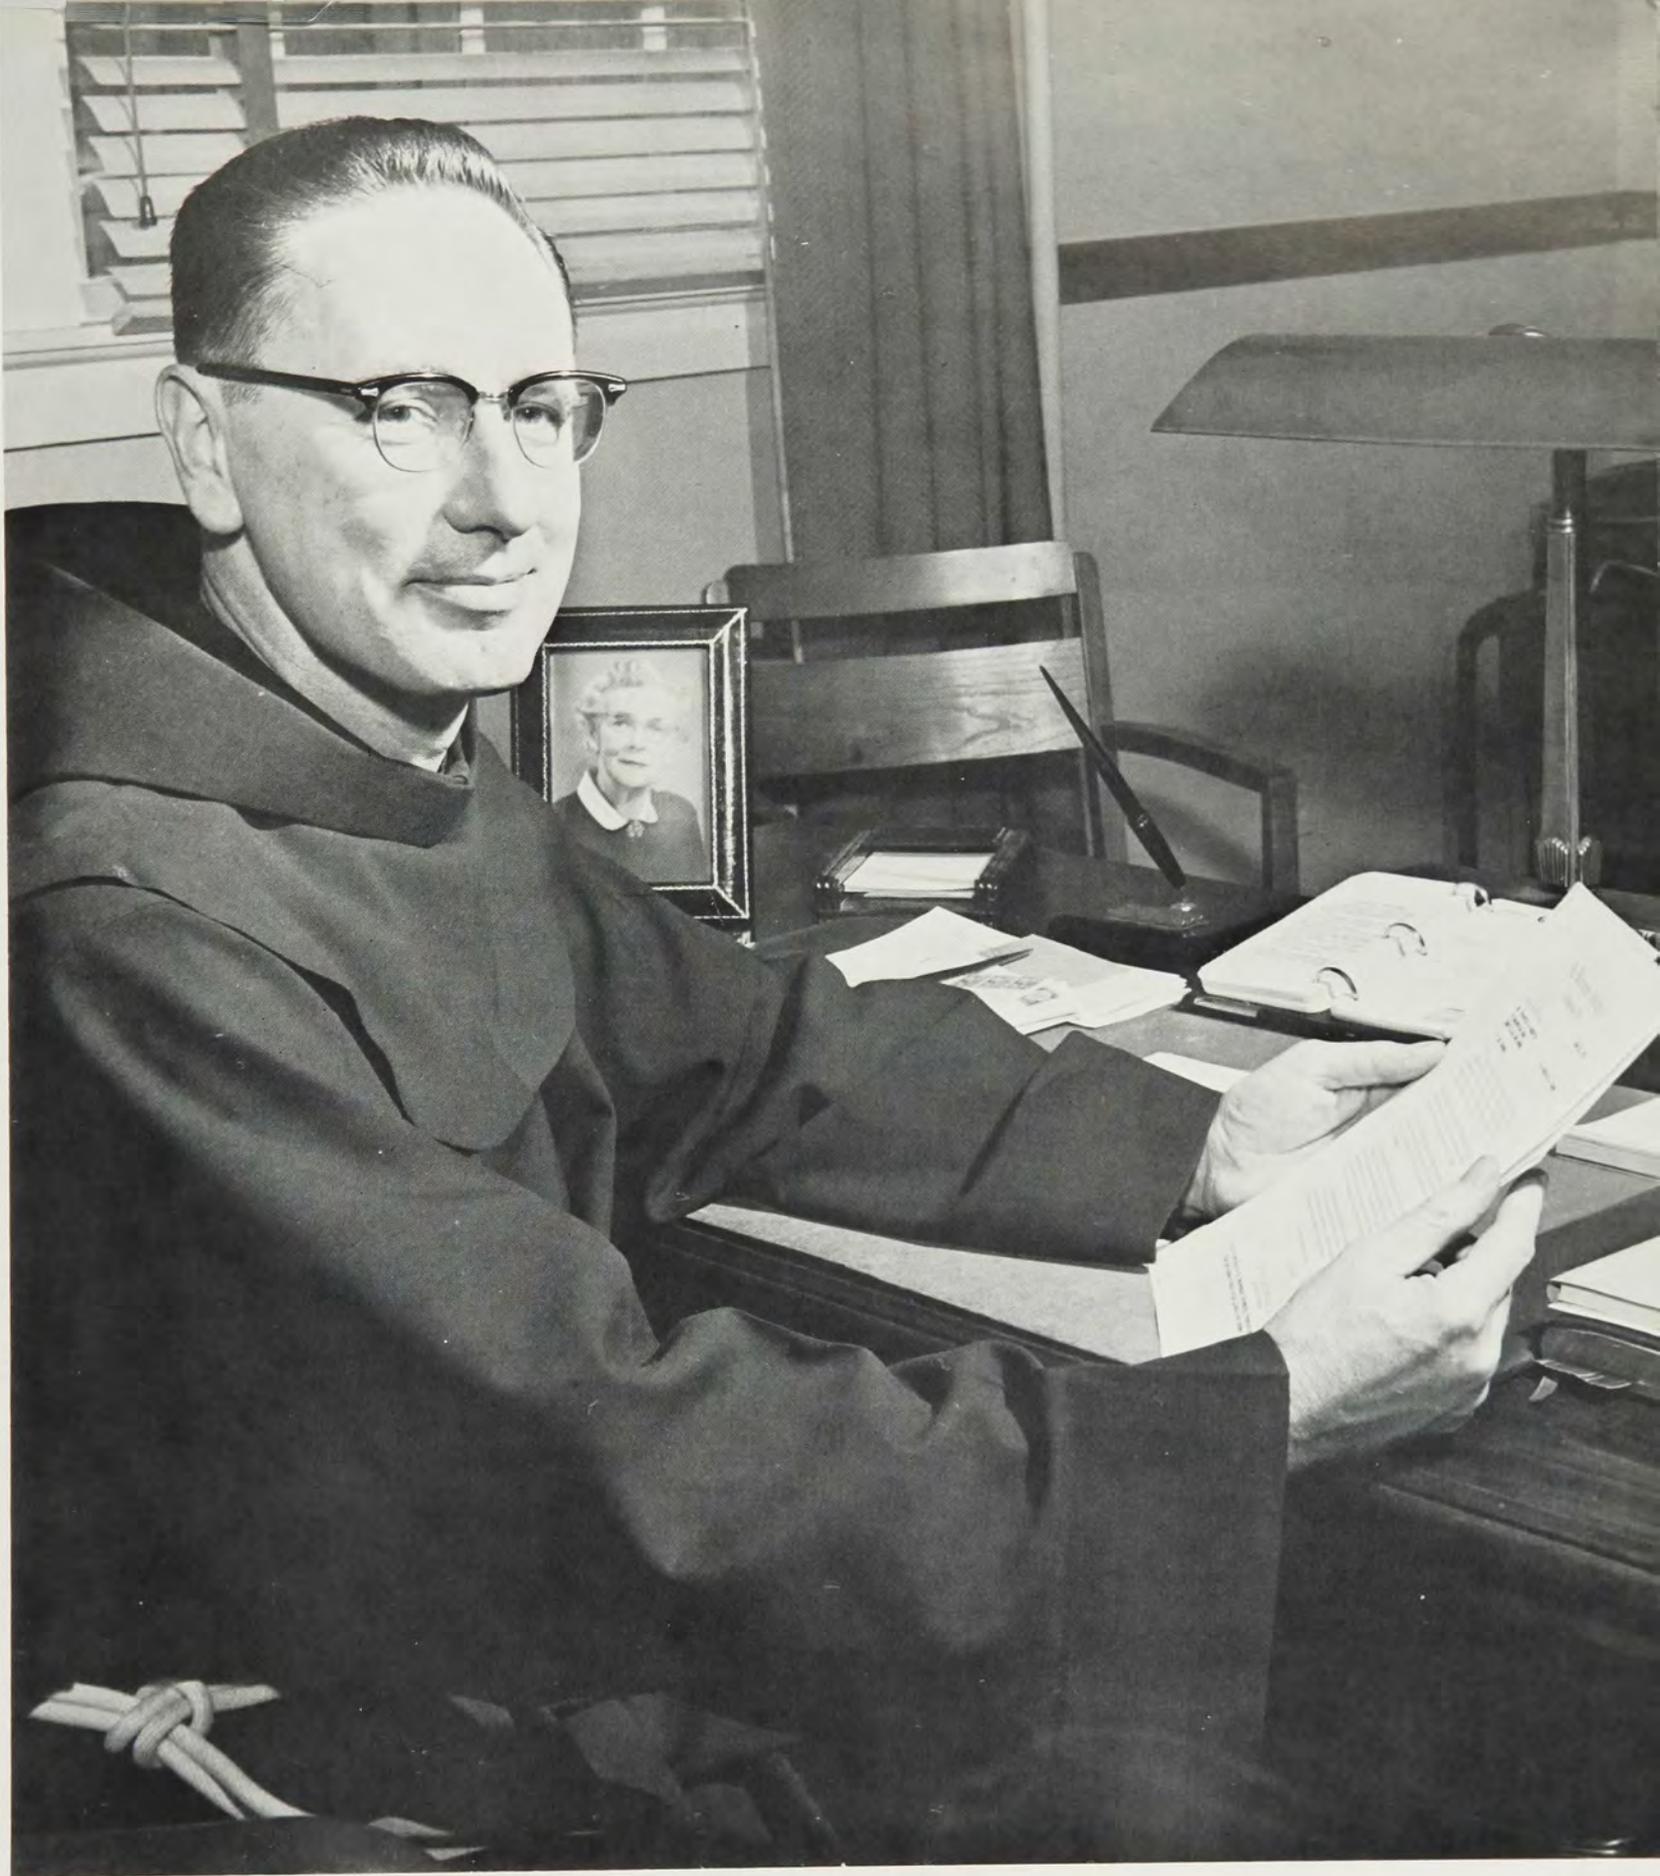

Yet there is a sense in which the labors of these years can not be reckoned or rewarded in terms of the temporal. They are eternal in value and effect because we—as well as those before us and others yet to come—shall be forever wiser, forever richer through the persevering efforts of Father Irenaeus to make his life fulfill the motto of his library: "No one shall be allowed to go away without having received either the information he came for, or the knowledge of where he can find it."

OFFICE OF THE PRESIDENT

Commencement 1956

My dear Graduates:

You will be long in our hearts and minds. Your excellent achievements in and contributions to the programs of St. Bonaventure University assure you of a frequent place in our thoughts and a fervent memento in our prayers. We congratulate you and we thank you!

It was a pleasure for us to be part of your plan for preparing yourselves for life. No one can measure our joy in seeing you grow in wisdom, knowledge, age and grace before God and man. Occasionally, a letter or list was required to remind a few of you of your duty to perfect yourselves and thereby obtain the joys you and your parents experience this day; we are certain your Bonaventure ring will circle them with a halo of "glory" and that they will be among your favorite alumni reminiscences and tall tales.

Graduation terminates your days with us and begins years of endeavor to achieve success in your chosen careers. Your Alma Mater anticipates many joys in your future achievements. To you, as to all, God offers His graces to insure success and His eternal question for evaluating our achievements; "What does it profit a man if he gains the whole world and suffers the loss of his immortal soul?" We offer you our very best wishes and, in particular, our prayers for your success.

As we bid you "Bonadieu", each of us prays over your heads the Blessing of St. Francis of Assisi, "The Lord bless thee and keep thee; may he show His face to thee and have mercy on thee; may He turn His countenance to thee and give thee peace."

Yours in Our Lord and Our Lady,

*Fr. Brian G. J. H.*

# SENIOR CLASS HISTORY

Commencement speakers are eloquently unanimous in reminding those about to leave college (with the diploma, of course) that they have spend the happiest days of their lives in that environment. We have not had it told to us yet, formally and officially, but we *are* ready, after some reminiscing, to admit that, if they were not in every respect our happiest, they were certainly the most memorable.

During our stay at St. Bonaventure we gleaned as much as the texts had to offer; we received from our instructors knowledge enough to start us out in life successfully; we learned from the Friars, Fathers and Brothers, the lessons of wisdom that will guarantee our *ending* life successfully. And from all we got the happy memories we shall always cherish.

"Saint Bonaventure" was just a word in our limited vocabularies when we arrived here one September day four years ago. We learned a new word, even while we were unpacking, from the sophomores who kept muttering something that sounded like "rules" while they gave us the once over.

It took about three weeks for the word to become a reality, thanks to Senate President Pete Fennell and Company, who made Butler Gym reverberate weekly with off-tune choruses of the "Brown and White."

By Thanksgiving, we had lived up to our advance billing, "Hard as nails, tough as bricks, we're the Class of '56." Following the capture of a greased pig in Forness Stadium, we looked forward to greater things!

As Bonaventure men, bound together by the ordeal of rules, we developed a keen sense of class spirit, and, in a highly competitive contest, elected Jerry Schlee president, to be assisted by Vice-President Don Cecere, Secretary Jerry Howard, and Treasurer Sal Bordonaro.

The victories expected from the Brown Indians on the basketball court never quite materialized; but our spirit certainly shone, at home, in Buffalo, and during the New York excursion. The Metropolitan jaunt was a success, too, despite the loss to Seton Hall as Mal Duffy made his basketball debut, because it netted \$1500 for the Father Frawley Mission Fund.

It was in the same season of 1952 when another side of the school spirit revealed itself as Bona men volunteered to form search parties for the four Niagara students who lost their lives in a plane crash.

With the coming of spring, the sun shone once more on Cattaraugus County, while the moonlight, enhanced by the music of Elliot Lawrence, set the theme for the Juniors' "Evening in Paris."

Led by Senators Bill Schrauth, Tim Leary, and Jerry Howard, we looked forward, as domineering sophomores do, to the resumption of controversial Freshman Rules. The system may have changed slightly, but we enthusiastically improved upon the lessons learned the previous year.

In our first effort to improve the social life at Bona, a dance we sponsored was edged into the red by an unseasonable blizzard, despite the work of class officers Jerry Schlee, Jim Pallone, Don Easton and Joe Nagel.

A cheerleaders Club was formed by class members, and, with the return of Paddy Ryan to Bonaventure, was ready to provide our new coach, Eddy Donovan, with the necessary moral support.

That same year we saw WOFM return to the air after many years of silence, in time to announce the granting of a government loan to Bona for the construction of a new dorm. As sophomores we were instrumental in the success of the first Moving Up Day, featuring a banquet and parade.

A more serene note was struck by the retreat we made during Holy Week, just before going home to hunt for Easter eggs! It came a little late, but somebody laid another kind of egg when, despite a quadrangle full of French-speaking students, the school band, and assorted fire apparatus for the appearance of Father Augustine Sepinski, O.F.M., Minister General of the Franciscan Order, the schedule went right along without a free day!

There was a change, however, when the class elections brought in Joe Erena to succeed Jerry Schlee. We closed our second successful year with a gigantic Marian Year Rally as a light rain sprinkled Forness Stadium.

We returned to Bona in September, 1954, as upper-classmen, and immediately went to work to break the social silence of the campus. WOFM's Fall Festival made its initial appearance at Bonaventure, and, through the efforts of co-chairmen Jim Arcara and Bob Paradise, was both a social and financial success, as were the semi-weekly Jazz Sessions at the Clubhouse.

Under Eddy Donovan the Brown Indians enjoyed a moderately successful season, finishing second in the first Queen City Invitational Tournament. Record-setting Mal Duffy completed an illustrious Bona court career with 445 points, including 36 against Ithaca one December evening in the Olean Armory.

It was also during our junior year that the campus face-lifting job began, with the passing of the barracks and the completion of Falconio and Robinson Halls. The new dorm occasioned another display of that school spirit which by now was ours. Under the direction of the class officers, whose ranks were most ably filled by a new senator, Paul Killian, and a new secretary, Bob Cross, we rallied to the plea of the Reverend Juvenal Lalor, O.F.M., our president, and made the Drape Drive a memorable occasion.

By the time we had moved into the new residence halls, plans were well under way for what was to be our finest achievement, the Junior Prom.

The Silver Dollar Weekend, patrons, decorations, orchestra, and the various other details were arranged; to result in the biggest and best Prom weekend ever to hit Bona. In May the culmination of the united efforts of co-chairmen Pete Kaley and Jim Arcara, was realized when we danced away the "Spring Nocturne" to the sophisticated swing of Les Elgart, "America's most popular dance band." It was at the Prom that official

citation was made of Arcara whose efforts won him the title of, "Junior Man of the Year."

When we returned in the fall of 1955 to end our college careers, we encountered many significant changes in the University administration. Father Brian Lhota, O.F.M., whom we had known for three years as a teacher, was now President of the University, with Father Simeon Capizzi, O.F.M., the Dean of Men.

As a class, we were determined not to sit back and merely await graduation, but rather carried on the tradition of leadership begun as freshmen. Led by Student Senate President Bill Schrauth and Senators John Szadlowski, Bill Zeis and Paul Killian, together with class officers Jim Arcara, Cliff Mayotte, Bob Cross and Joe Nagel, we laid plans for the many events which proved so unforgettable.

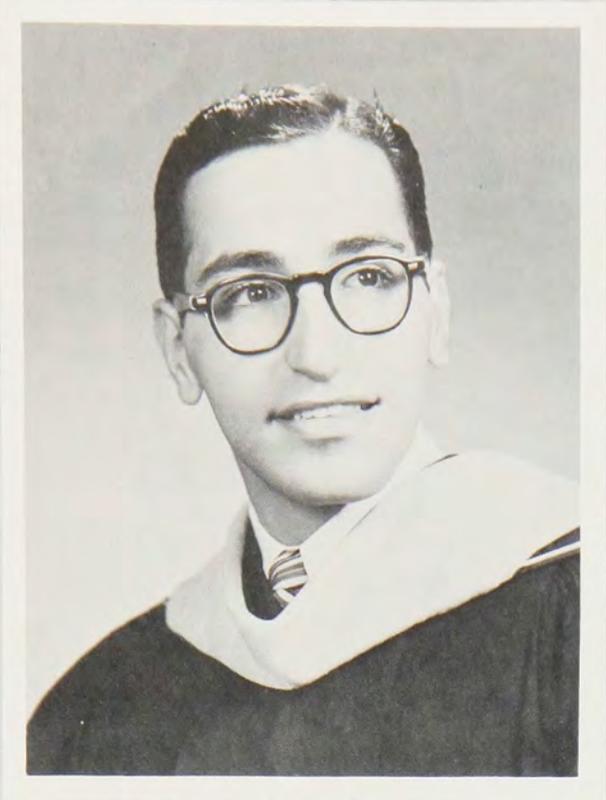

An excursion to Philadelphia, and New York City climaxed a basketball season, dampened by the worst Canisius defeat in court history.

Socially, the year was an outstanding success, commencing with the Senior Picnic in September at the State Park and continuing with the host of post-game dances in Buffalo and Olean, to the Senior Ball in May and, finally Senior Week and our graduation.

It all adds up to what we said it would: happiest or not, the years at Bonaventure have been truly most memorable.

## Athletic Director

When first Rev. Walter Fox, O.F.M., came to Bona his problems were comparatively minor ones as prefect of now-vanished Barracks One. Now, in his new and more demanding role as Bona's Athletic Director, Father Walter has the job of introducing the Bonaventure spirit into a vast arena—the world of sports.

And, in his short tenure as Athletic Director, gigantic steps have been taken in the newly-formed MECCA conference, in sports scheduling and in the overall sports picture at Bona.

Intramurals have blossomed into a necessary part of the Bona life and cross-country and track have already been reactivated by Father Walter. Bonaventure sports have surely been entrusted to capable hands.

## Captain Jerry Schlee

Jerry Schlee, captain of the St. Bonaventure basketball team, ended his career with quite a deserving reward. The 6 ft. 5 in. Buffalonian was selected for the Most Valuable Player Award presented each year by the Cedars of Lebanon of Olean.

Schlee graduated from Bishop Timon High School in Buffalo where, in addition to gaining letters in basketball and football, he received the Ideal Timon Man Award.

His collegiate career has closely followed the pattern that he set while in high school.

Besides starting for four straight years with the Brown Indian court crew, Schlee was elected president of his class in both his freshman and sophomore years.

Schlee, president of the 105 Club, was second in command of Bona's ROTC unit.

Because of his brilliant ROTC record, he was awarded a commission in the regular army.

Schlee showed his leadership qualities on the basketball court also. Never a high scorer, he fitted smoothly into the Bona pattern system that depends chiefly on close teamwork.

## Basketball Coach

Congratulations for Bona's surprising 14-12 season must go primarily to Coach Eddie Donovan. Once again, as in his two previous seasons at Bona, Coach Donovan brought the Brown Indians through to a winning season.

Faced with an extremely rough schedule after the loss of the three top scorers from the '54-'55 team, Donovan directed his youngsters with a capable hand.

A coach must always be looking ahead—to the next game or to the next season. From past performances it is certain that Coach Eddie Donovan can combine this foresight with his willingness to win and continue to bring victorious basketball teams to Bona.

## Brendan McCann

Junior Brendan McCann, who was chosen to fill the shoes of one of Bona-venture's all-time greats, fellow Brooklynite Mal Duffy, carried out this chore in an excellent manner.

In addition to his superb playmaking, McCann led the team in scoring with 376 points in 23 games for a 16.3 average.

He was also second on the team in rebounding with a 142 total.

McCann's best game of the year was against Xavier in the Queen City Tournament when he hooped 31 points in a losing cause.

Like his illustrious predecessor, Duffy, McCann attended Manual Training High in Brooklyn.

The 6 ft. 2 in. Junior has a good jump shot and a fine set to combine with his thread-like passes.

## *St. Bona's 85* *St. Vincent 67*

Bona's Brown Indians opened their 1955-56 basketball campaign on a winning note by handily disposing of a much-improved St. Vincent's five 85-67 at the Olean-Armory. The Bearcats never led as Bona captured its 57th straight home court victory.

Coach Eddie Donovan had a difficult time selecting his starting five but finally led off with Jerry Schlee, Jim Crough, Brendan McCann, Bobby Clark and Ernie Rokose.

A combination of balanced scoring and rugged rebounding spelled victory as six Bonnies hit double figures.

Crough paced the scoring parade with 18 points followed by reserve John Connors with 14 and McCann with 13.

Connors, a sophomore from Syracuse, N. Y., came off the bench in his first varsity game to play outstanding basketball.

But it was fine team play and a 40% field goal shooting percentage that gave the Bonnies their first victory of the season.

After defeating both St. Vincent's and Sampson Air Force Base at home, the Brown Indians traveled to Buffalo's Memorial Auditorium to meet the "Stokes-less" Frankies from St. Francis of Loretto, Pa.

A large early season crowd was on hand to watch the Bonnies upset St. Francis 69-63 in their first big test of the season.

Jerry Schlee, who seems to play his best ball against the Frankies, scored 16 besides rebounding quite effectively.

Schlee opened the scoring with a jump, Jimmy Crough followed with a tap, and the Bonnies were on their way.

Jim McClellan, Maurice Stokes' successor, was capably bottled up and none of his teammates were able to provide the needed scoring punch.

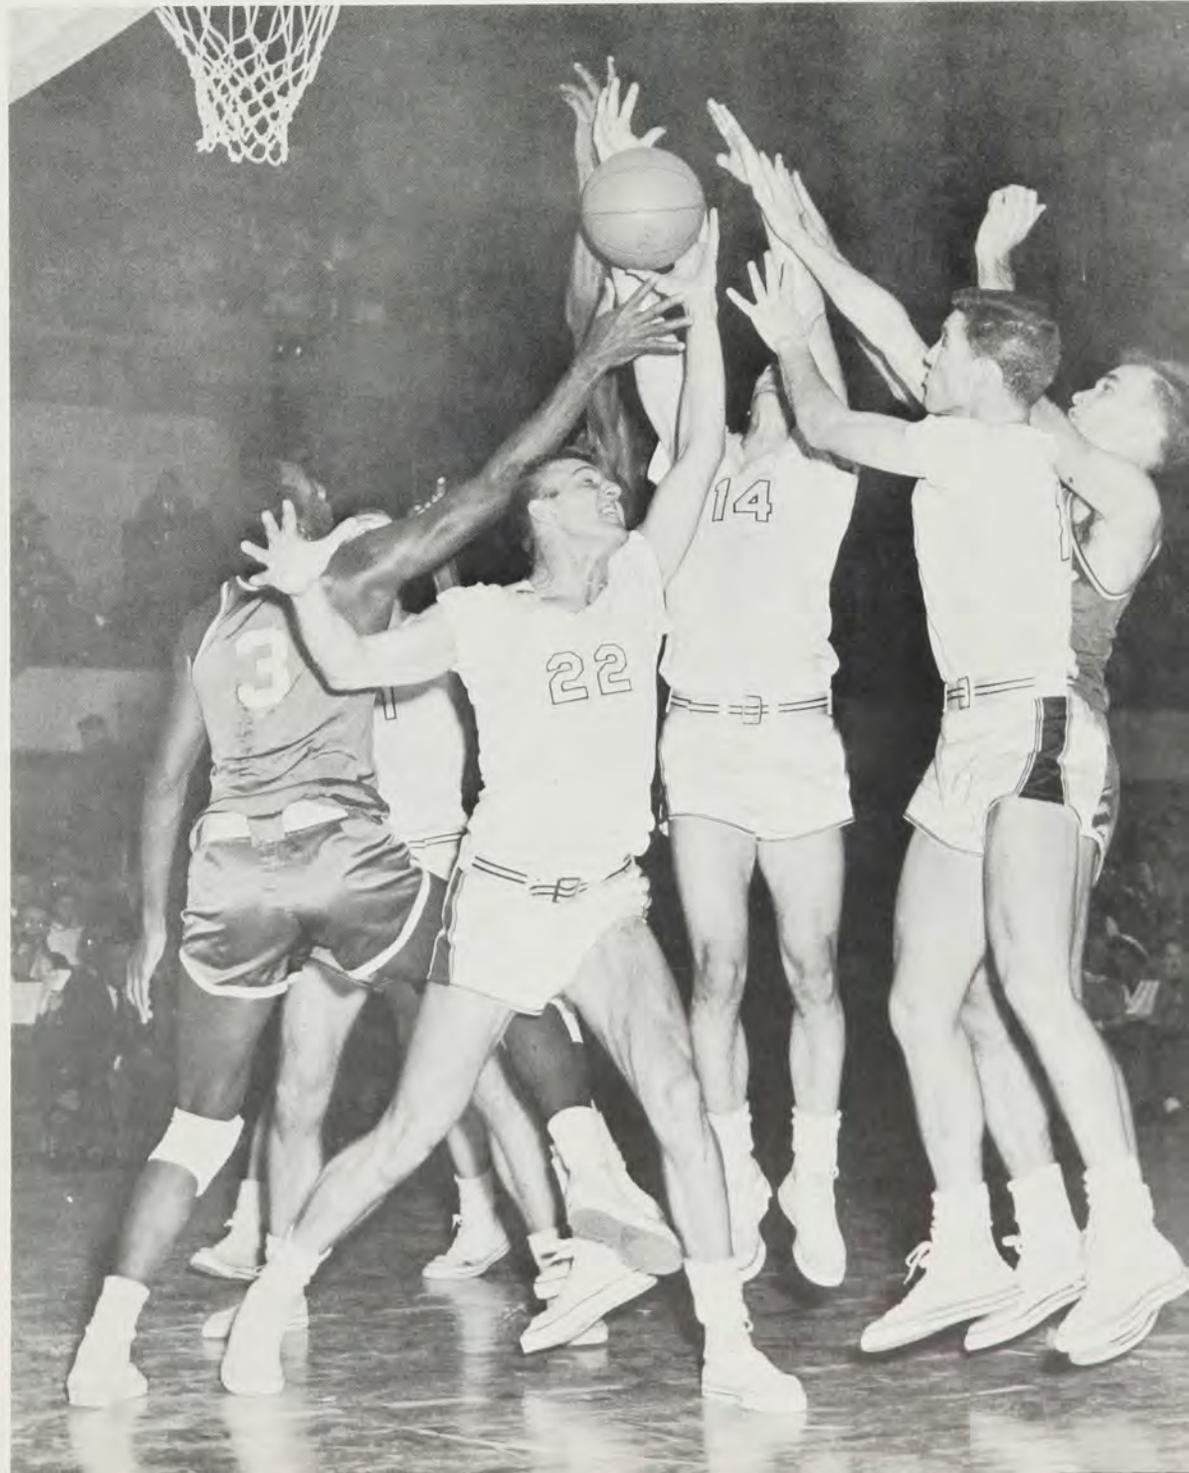

Although Bona's lead was never in jeopardy, the outcome was in doubt until Ernie Rokose canned a pair of foul shots and a layup in the closing seconds.

Brendan McCann trailed Schlee in the scoring column with 15 points.

## *St. Bona's 69* *St. Francis 63*

UP FOR GRABS. Gerry Olshefski, Jimmy Crough and Brendan McCann battle a pair of Niagara ball-players for a rebound in the first Bona - Niagara game.

Alex "Boo" Ellis, an all-Western New York selection as a sophomore, and senior guard Nelson Osa are providing the Bonnies with board competition.

## Jimmy Crough

Jimmy Crough, from Christian Brothers Academy in Syracuse, N. Y., has been one of Bona's finest scoring guards in his abbreviated career at Bonaventure.

Unluckily sidelined by a hepatitis attack last season which cut short his playing time, Crough rebounded to take over a starting role this year.

High scorer in both the Georgetown and Duquesne games when he scored 22 and 20 points respectively, Crough possesses an excellent set shot and can hook from inside with either hand.

His patent one-hand jump was one of the finest on the squad.

In 23 games the 6 ft. 2 in. junior fashioned an 11.7 average. An NCAA ruling has cut short his career although Crough will not graduate until next year.

## *Met Trip*

Riding the crest of a three-game winning streak, Bona traveled to New York City to play three leading Metropolitan area clubs, St. Francis of Brooklyn, Iona and Fordham.

The Bonnies dropped their first game of the season to St. Francis' Terriers 79-77 to open the Yuletide jaunt. Danny Lynch, Terrier mentor, summed up the game in these words, "They have a very fine club and we were lucky to win."

The Indians, trailing by 11 at the half, were closing in when time ran out. Brendan McCann led the Bona scoring with 23 points. The St. Francis quint took down twice as many rebounds as Bona.

Still smarting from the previous night's defeat, the Indians went up to Westchester to grapple with Iona. Eddie Donovan's boys overwhelmed the Gaels' soph-studded crew 77-52. Bob Clark paced the Bona attack with 16 points and Larry Weise swished 14.

Playing a sound team game against Fordham's highly-praised sophs, the Bonnies, sparked by McCann's 22 points, clipped the Rams 66-55, to conclude the trip.

Following the successful New York City tour, the Bonnies moved once more to Buffalo's Memorial Auditorium to clash with Georgetown in the opening round of the Queen City Invitational Tournament.

Playing as fine a game as they had against Fordham, the Bonnies handily defeated the outclassed Hoyas, 79-55.

Brendan McCann swished 27 points and hustling Ernie Rokose chipped in with 21 to engineer the Bonnies' crushing fast break.

Two nights later the Bonnies met an underrated Xavier of Ohio quintet led by chunky Dave Piontek and little Jimmy Boothe. The Brown Indians rallied too late and toppled before the tourney champs 95-86.

McCann again took care of the scoring for the Injuns with a 31 point outburst, his high for the season.

Shunted to the losers' bracket, the Indians were humiliated by Canisius 77-47. McCann was held to eight points as the Griffs ran up the widest margin ever in the rivalry.

## Queen City Tournament

I HAD IT FIRST. Ernie Rokose appears to be having a little trouble keeping the ball away from two Canisius stars in this Queen City Tourney action in Buffalo.

Johnny McCarthy and a pleading Hank Nowak are harrying Rokose from both sides while Brendan McCann and Jerry Schlee watch in anguish.

## Jerry Schlee

Jerry Schlee, a 6 ft. 5 in. senior from Buffalo, N. Y., playing his fourth season of basketball, turned in his finest offensive output of his career by scoring 246 points.

Schlee's high game came against Scranton when he flipped in 20.

It was also in his final season that Schlee, always considered as a tough defensive man, came into his own underneath the boards. He picked off 278 rebounds in 23 games to take team honors.

His career totals are 590 points and 684 rebounds.

Probably the finest game of his career was the night he tallied 20 points against the great Maurice Stokes of St. Francis of Loretto in the Buffalo Memorial Auditorium last season.

## *St. Bona's 80 LeMoyne 70*

Returning to the Olean Armory after the Christmas holidays Bona's Brown Indians entertained one of the best LeMoyne clubs in the history of the Jesuit school. Dick Kenyon, the Dolphins' all-time high scorer, and his scoring shadow Bob Dietz headed a LeMoyne squad that was searching for its first Bona scalp.

But with Ernie Rokose providing the scoring touch, the Bonnies caught fire in the final ten minutes to overrun the Dolphs 80-70 to extend the win streak in the Olean Armory to 59 games.

The Bonnies started out quite slowly, appearing tired, but they never permitted the Dolphs to take the lead. By halftime Bona was ahead 35-25 chiefly through the efforts of Brendan McCann and Jimmy Crough. McCann finished with 19 points and Crough with 18.

But it was Rokose who provided the fireworks as he came on fast in the second half to finish with 19 points.

High man for the game, however, was the visitor's pesky pointmaker Dick Kenyon with 24 points, most from the free throw lane.

"Jumping" Johnny McCarthy was the difference between victory and defeat as Canisius pulled a sure Bona win right out from under their noses in a 74-73 thriller in the Buffalo Memorial Auditorium.

In one of the most existing Little Three games in history, a Hank Nowak-less Griff five was out-rebounded and outplayed only to win.

Jerry Schlee and Bob Clark took enough first-half rebounds to feed the hot hands of Ernie Rokose for a 49-39 spread at half-time.

But an inspired Canisius team, with McCarthy leading the way, kept pushing until, with 45 seconds remaining, McCarthy stole the ball to put the Griffs ahead 72-71.

Bona took the ball out and, after a chaotic scramble, Jimmy Crough scored on a layup from underneath. With four seconds left a one-point victory appeared imminent for the Injuns.

But, following a Canisius timeout, McCarthy took a pass in the corner, jumped, shot and as the ball fell through the nets the final whistle sounded.

## *St. Bona's 73* *Canisius 74*

LAYING DOWN ON THE JOB. Bona's Bobby Clark and Canisius' Dick Vann take a short and unpleasant rest period during the Griffs' squeaker 74-73 win.

The Griffs' Dave Markey appears to want to fall right into the whole thing but Jerry Schlee of Bona and Johnny McCarthy of Canisius are content to watch from faroff.

## Ernie Rokose

Ernie Rokose, a junior from Elizabeth, N. J., was probably the most improved player on the squad this year.

Relegated to reserve roles last season, Rokose became the second leading scorer behind Brendan McCann. He averaged 12.7 points per game.

In the Queen City Tourney Rokose exploded to score 60 points in the three games and was one of the most outstanding players in the tournament.

Possessing great speed and a good eye from anywhere on the court, Rokose was always a scoring threat. A hard driver, the 5 ft. 10 in. junior was at his best in the clutch.

Rokose's best game of the year was his 26 point outburst against a highly-regarded Memphis State quintet in the Buffalo Aud.

*St. Bona's 75*  
*Niagara 87*

Scorched the previous week by Johnny McCarthy and Canisius' one-point victory, the Bonnies returned to the Buffalo Memorial Auditorium to take on a young and strong Niagara quintet.

After rallying twice early in the contest, the Injuns went down to defeat 87-75.

By the middle of the second half the Eagles had this one well under control as they coasted to victory.

Tom Hemans tallied 25 points for Niagara as soph Jim Maloney's passes and soph Alex Ellis' rebounding kept the Bonnies in a constant dither.

With Brendan McCann as the guiding light, the Brown Indians fought to within one point of the Eagles on four different occasions, only to have Niagara, which never relinquished the lead, surge ahead once again.

Even though the Indians shot 48% from the field for one of their best shooting nights of the year, rebounding told the story as the Eagles doubled Bona's output.

McCann led Bonaventure in scoring once again with 20 points.

Ernie Rokose scored his first but most important field goal of the game as Bona edged Siena 62-61 at Albany. Fighting an uphill battle until the final 20 seconds, the Brown Indians' stunning victory took much of the glitter away from the classic performance of Siena star Tim Hill, who scored 34 points, 21 in the opening half.

Jimmy Crough and Jerry Schlee sparked the Brown Indians from an 18 point deficit early in the first half.

At halftime the Siena lead was sliced to 41-32.

As the second half opened Bona quickly caught fire and after five minutes of play the Indians were down only 43-42. Then the two teams began to match baskets until Siena slipped ahead 59-54 with 2:42 remaining.

Then Schlee and Gerry Olshefski put in jump shots and Rokose countered two Siena free throws with a pair of his own.

Bona was one point behind when Schlee stole the ball from Hill and shoveled it to the driving Rokose for the Bona victory.

## *St. Bona's 62* *Siena 61*

IT'S ALL MINE. Bobby Clark pulls down one of the few rebounds the Bonnies were able to snare in this first loss to Niagara.

Jerry Schlee appears to be getting the worst of Clarks' elbow as Alex "Boo" Ellis and Nelson Osa of Niagara keep far away. Jimmy Crough, Brendan McCann and Ernie Rokose of Bona are in the background.

## Gerry Olshefski

Gerry Olshefski, a 6 ft. 5 in. junior from Wilkes-Barre, Pa., came on fast at the end of the season after working himself into a starting role.

With Jerry Schlee and Bobby Clark settled on the first five, Olshefski saw little action in the first part of the campaign.

But, when he showed the ability to come off the bench cold and score, he was given a starting assignment and then couldn't be dislodged from the first five.

This year Olshefski grabbed 127 rebounds while averaging seven points a game.

The 6 ft. 5 in. junior's best shot is a one-hand jump from just outside the foul circle. From inside he is very dangerous with a right hand hook shot.

## *St. Bona's 60* *Duquesne 70*

It seemed like "old times" as the names of Green and Ricketts again spelled defeat for the Brown Indians. Although it was a different Ricketts, Dave not Dick, it was the same deadly Green, and this combination made sure that the outcome was similar to both meetings of the two clubs the previous year as Duquesne won 70-60.

Starting slowly Si Green didn't crack the nets until 16 minutes had slipped but he more than made up for this as the game progressed. With 15 minutes gone Bona was ahead 22-15. Then Green casually uncoiled and five minutes later at halftime the Dukes led 33-26.

Duquesne kept raiding the rims on Dave Ricketts' set shots and raised the margin to 58-40 in the second half.

Then Jimmy Crough and Larry Weise began to bother the Dukes by continually stealing the ball and the lead was sliced to 61-55 with three minutes left.

But Green and Mickey Winograd squelched the rally with five quick points as the game ended.

Crough led all the scorers with 20 points.

Inspired by one of the greatest shooting exhibitions seen in the Olean Armory in a long while, the Brown Indians completely abused the defense of the Scranton Royals to roll to a 76-55 victory.

Brendan McCann, scoring 20 points in the first half on an assortment of drives, jumps and set shots, completely frustrated the efforts of the Tommies to contain him.

At one point McCann put in five straight field goals and four foul shots to score 14 of Bona's 19 points.

But McCann had plenty of help as Jerry Schlee, with the aid of Gerry Olshefski, completely controlled the backboards.

At halftime Bona led 42-30.

Scranton rallied briefly after the start of the second half but could come no closer than 12 points. After the Bonnies put together an eight point string the Scrantonians collapsed.

Coach Eddie Donovan then emptied the bench and the subs held on to the 21 point margin.

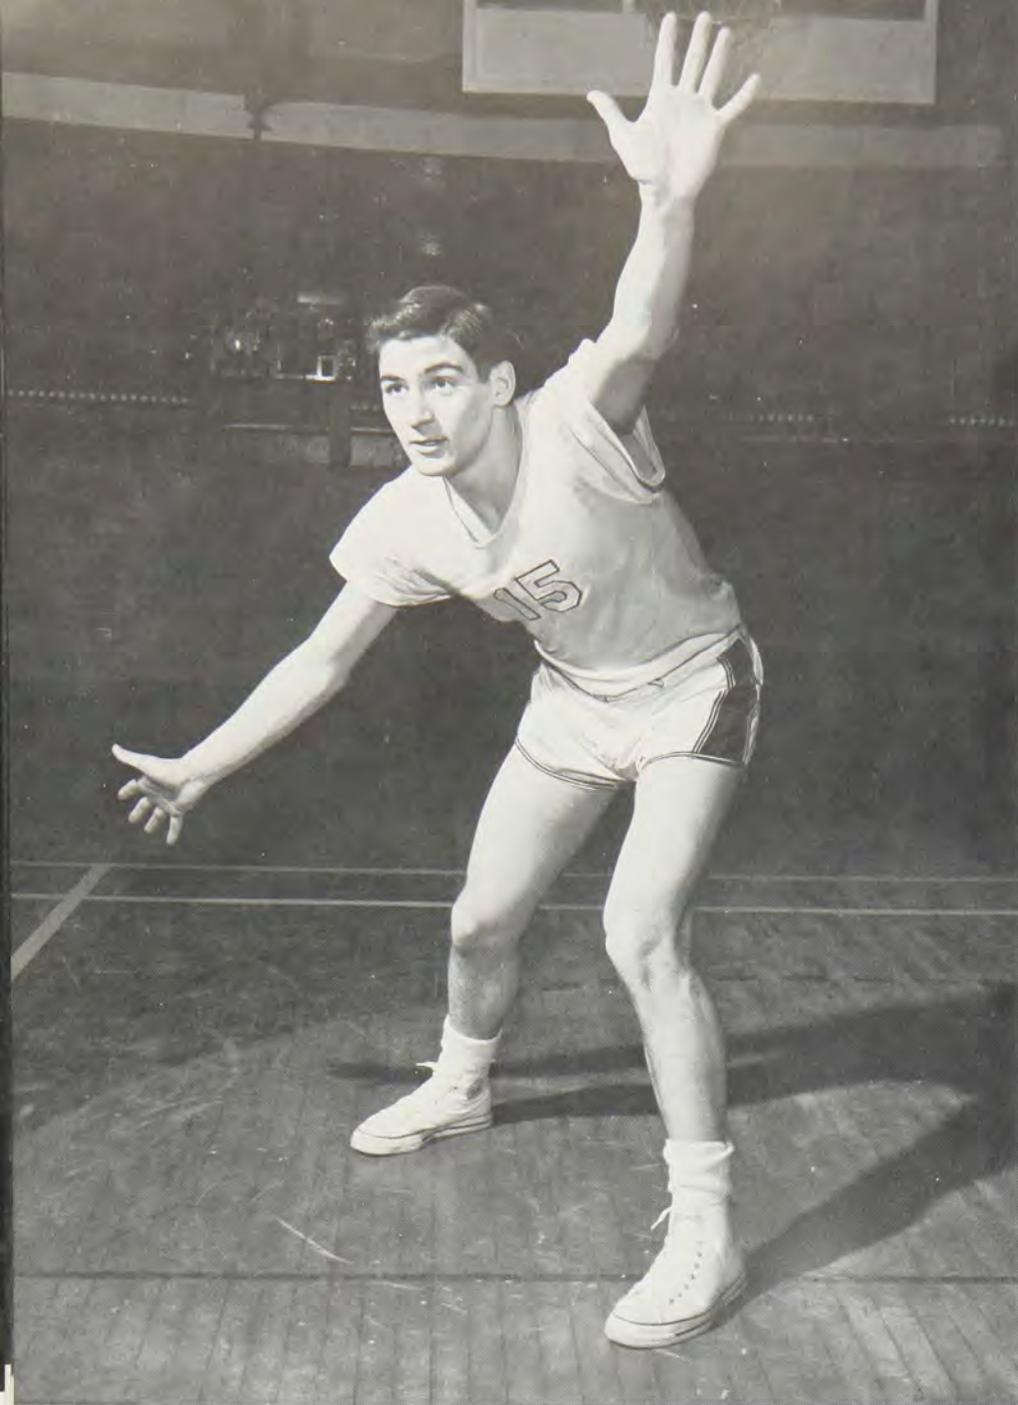

## *St. Bona's 76* *Scranton 55*

SO WHERE'S THE BALL? Bona's board men Bobby Clark and Jerry Schlee go high with a pair of Quantico Marines in the Bonnies surprising victory over the loaded Marine quintet.

Larry Weise wisely watches in the foreground while the other players leap for the rebound.

Rebounding for the Marines is their star, ex-Iona college record-setter Richie Guerin.

## Larry Weise

Larry Weise, a six-foot sophomore from East Rochester High has developed tremendously in his first year as a varsityman.

Since breaking into the starting lineup, Weise handled himself like a veteran, dropping in 142 points in 17 games for an 8.3 average per game.

The Rochester soph missed six games when he broke his hand during the Iona game.

Very quick on defense Weise can easily disrupt an opponent's fast break with his pass pilfering.

He is especially dangerous against a zone which he riddles with a soft set.

Weise stands out in the intricate pattern system used by the Bonnies because of his outstanding ballhandling ability.

## *St. Bona's 79* *Memphis S. 67*

With Ernie Rokose pacing the attack, the Bonnies smashed a Memphis State high-scoring powerhouse 79-67 before an astonished gathering at Buffalo's Memorial Auditorium.

The Indians put on one of their finest shooting exhibitions in many a moon as they fired at a 55% clip to outoffense the 4th ranking offensive unit in the nation.

Leading 15-2 early in the contest and then 39-23 at the half, the Bonnies showed that the lead was no fluke by opening a 53-29 margin shortly after the second half began.

The Bengals' high-scoring twins, Win Wilfong and Forest Arnold, who had averaged almost 50 points together for 90 ppg Tigers, were held to their lowest total of the year.

Rokose, high for the evening with 26 points, outplayed the Southerners at their own run-and-shoot game as Gerry Olshefski, playing one of his best games of the season, and Brendan McCann bolstered Rokose in the scoring column.

The Golden Griffins of Canisius College, led, of course, by Bona-baiter "Marvelous" John McCarthy, subdued the Bonnies for the sixth straight time in two seasons 86-71 in the Buffalo Memorial Auditorium.

With as much excitement in the stands and on the radio as on the court the Griffs opened up a pair of 15 point first-half leads.

But the Indians, with Brendan McCann knotting up the brilliant McCarthy with four first-half points, chopped the margin to 41-33 at the half.

But McCarthy swooshed 11 points in a row to up the gap to 55-41 and then the Griffs fast broke the fading Bonnies to death.

Canisius' five starters all scored in double figures as the Griffs never surrendered an early lead.

The Little Three champs finished the game with an amazing 41.5% shooting average.

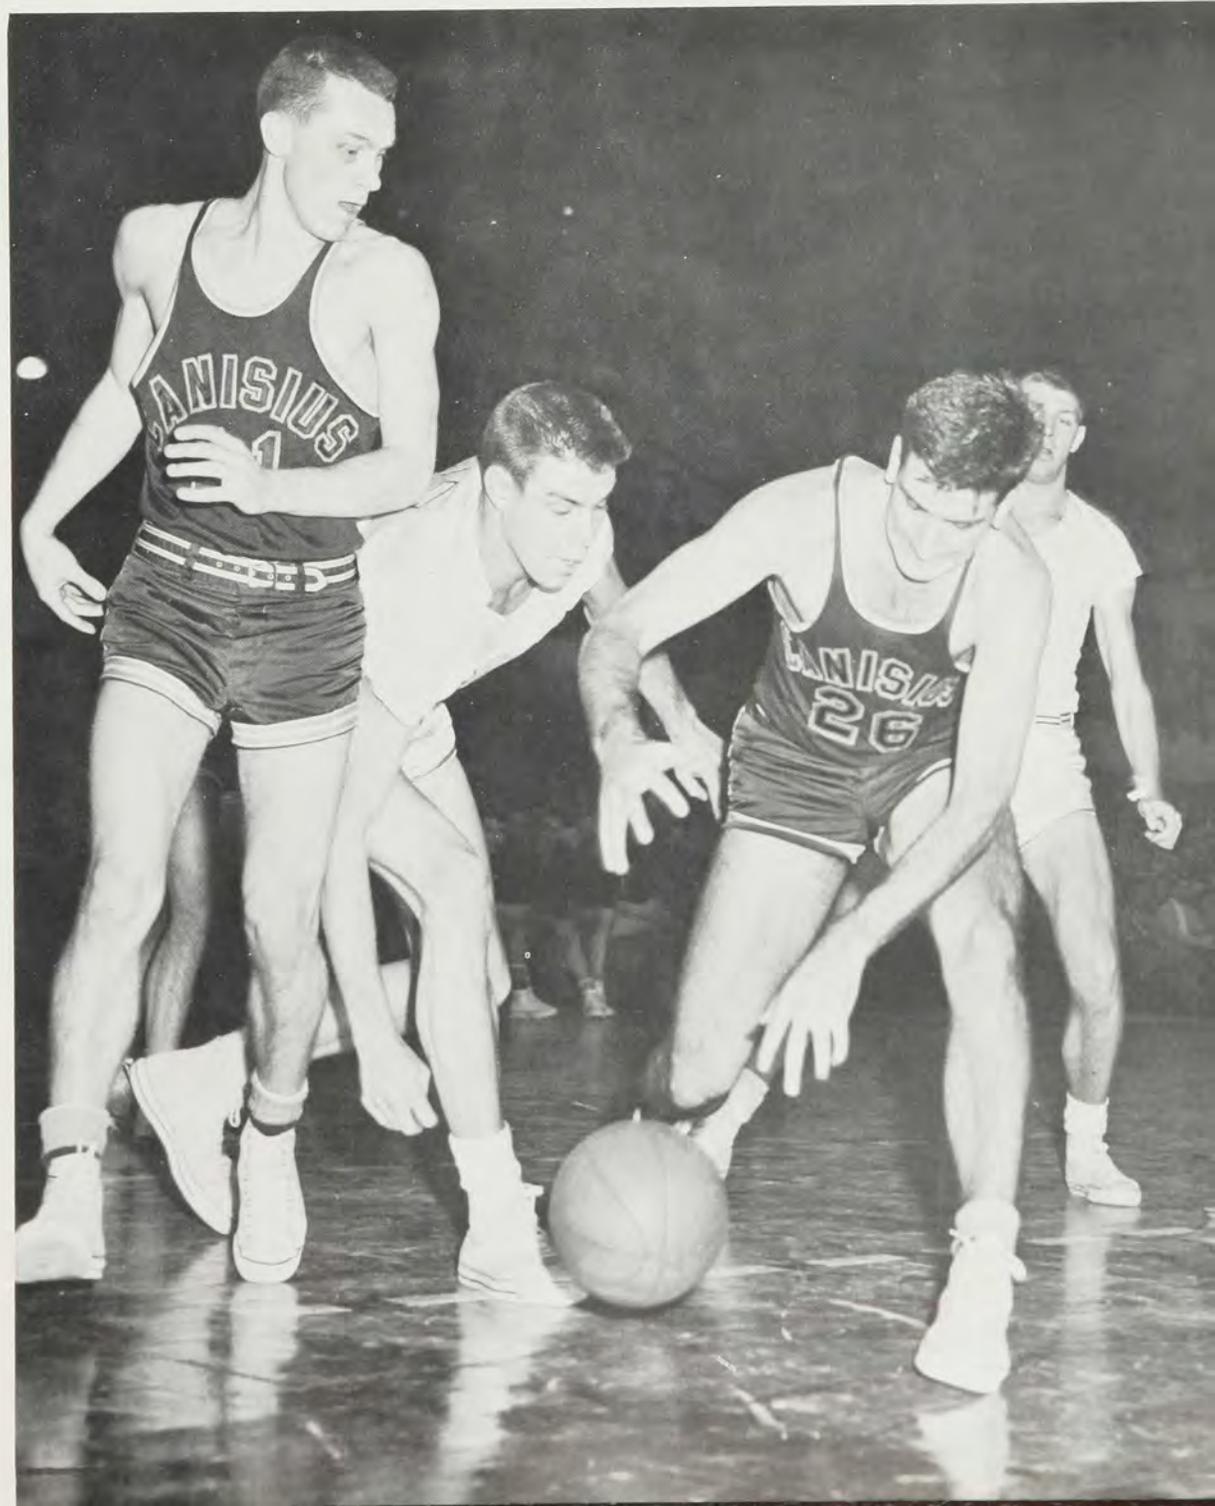

The Griffs also found time to yank down twice as many rebounds as the taller Indians.

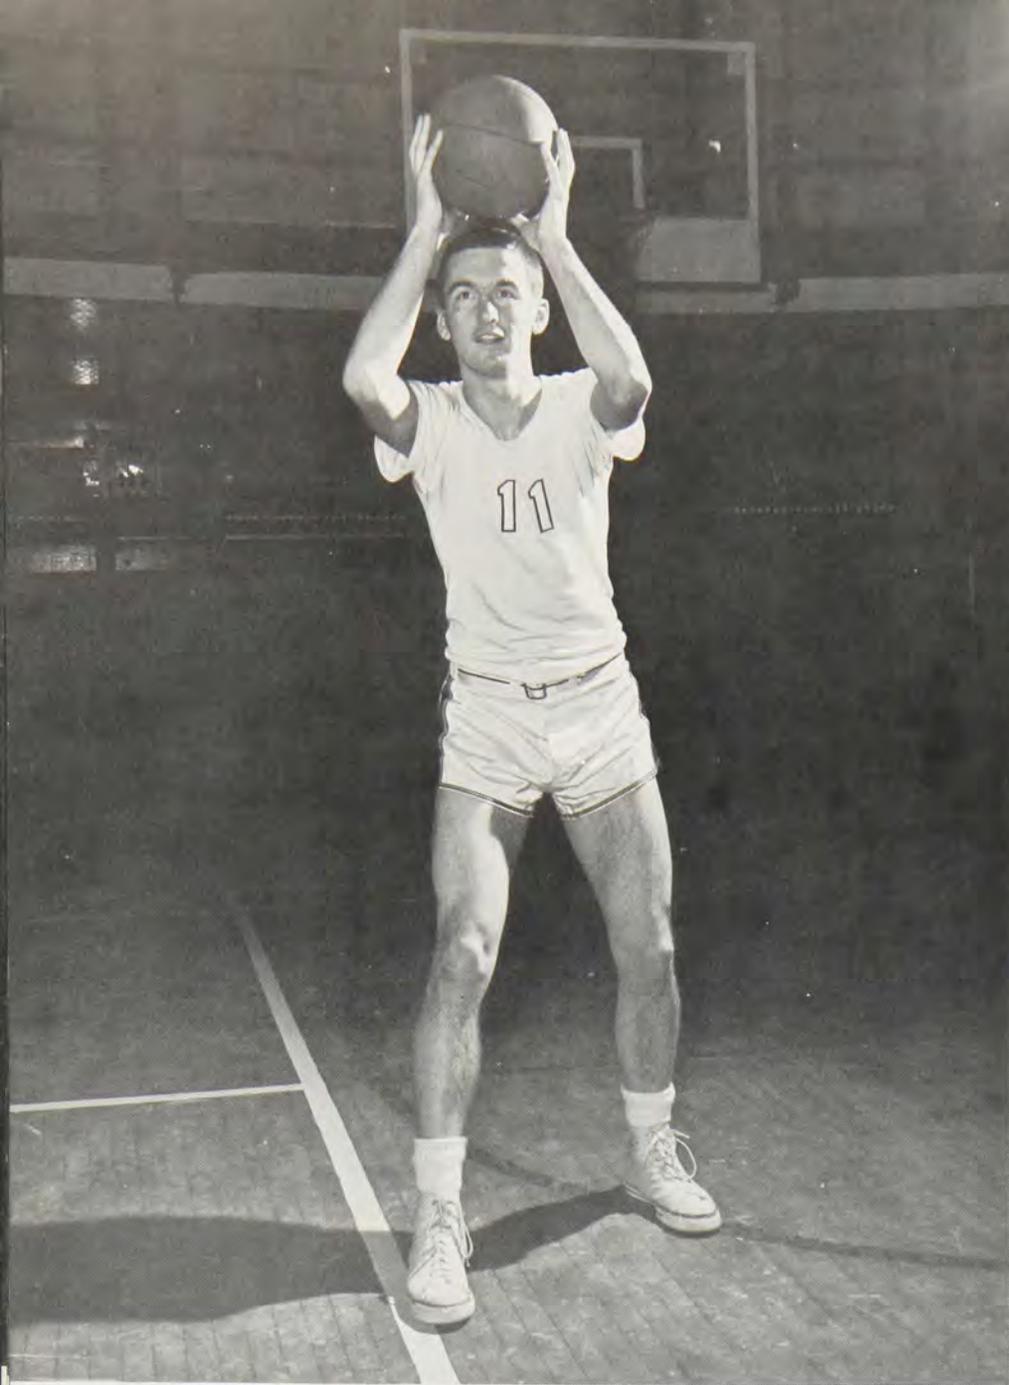

It was the second straight season in which the Griffins had whipped Bona three times in a row.

## *St. Bona's 71* *Canisius 86*

I SAW IT FIRST. Dick Vann of Canisius and Bobby Clark of Bona race for a loose ball as the Griffs trip the Indians for the sixth time in two years.

Dave Markey of the Griffs appears quite content to let the two taller men battle it out for possession as Bona's Jerry Schlee watches from a safe distance.

## Jack Connors

Jack Connors, a Syracuse, N. Y. resident, is Bona's most promising young rebounder.

The 6 ft. 6 in. sophomore, who came to Bona from Manlius Military School, showed his value as a reserve during the '55-'56 season.

In high school Connors won letters in both basketball and baseball and holds the season scoring record in the Syracuse parochial school league.

The Syracusan fires a line drive jump shot and can drive well for his height.

As a Bona frosh he set a Papoose scoring record of 38 points in a single game while leading the team in scoring.

Connors stood out in the season's lidlifter against St. Vincent's when he scored 14 points.

## *St. Bona's 85 Gannon 65*

Gunning for the 62nd straight Brown and White victory in the Olean Armory, five Bonnies crushed double figures and two others had eight points each as Gannon was soundly trounced 85-65.

Hitting well from the floor and rebounding savagely against the height-less Knights the Indians closed their home season in fine style.

Bona, stymied by the fine shooting of Dick Fox and Bob Vilchinski of the Knights, didn't get rolling until the second half.

The Bonnies finally moved out to a comfortable 67-40 margin with ten minutes left and coasted the rest of the way.

Although the Gannon quintet was no match for the deeper Bonnies push-shot ace Vilchinski hit over half his shots to constantly harass the Bona defense.

The Gannon ace, who smashed most of the Knight's scoring records, finished with 20 points.

Brendan McCann sparked the Bona attack with a brilliant passing exhibition that bewildered the porous Knight defense.

Bona's Indians, after two straight decisive victories, moved into Buffalo's Memorial Auditorium to attempt to spoil the tournament hopes of the youthful Purple Eagles of Niagara.

But the rapidly-improving Eagles only strengthened their chances for a National Invitational Tournament berth by devouring the Bonnies 83-72.

"Taps" Gallagher's sophomores, with Tom Hemans and Alex "Boo" Ellis doing the rebounding and scoring, jumped to a quick lead.

Bona narrowed the gap to one point at one stage in the first half but the Eagles moved out to pull away 42-33 at the half.

Hemans led the Niagara five with 20 points as the Eagles dealt the Bonnies their fourth Little Three defeat of the season.

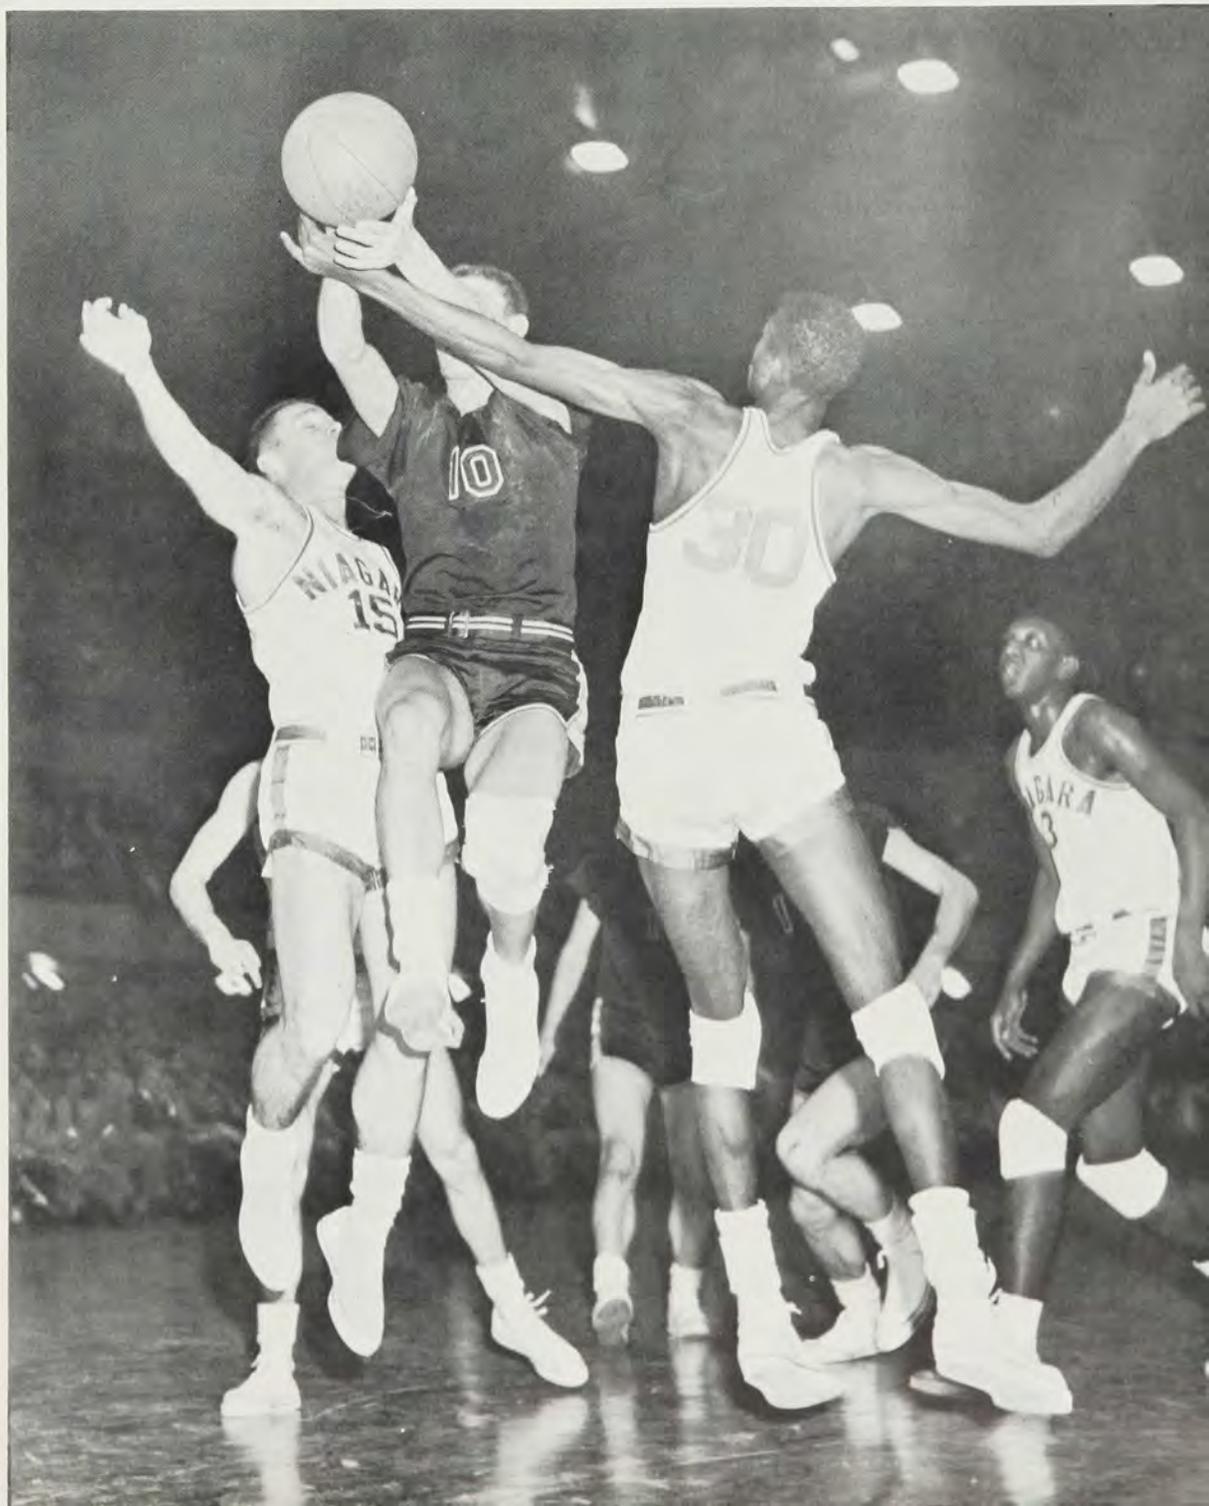

Sophomores Jim Maloney and Tommy Mulroy each had 18 points for the Niagarans who stormed to their sixth straight win after getting off to a bad start earlier in the campaign.

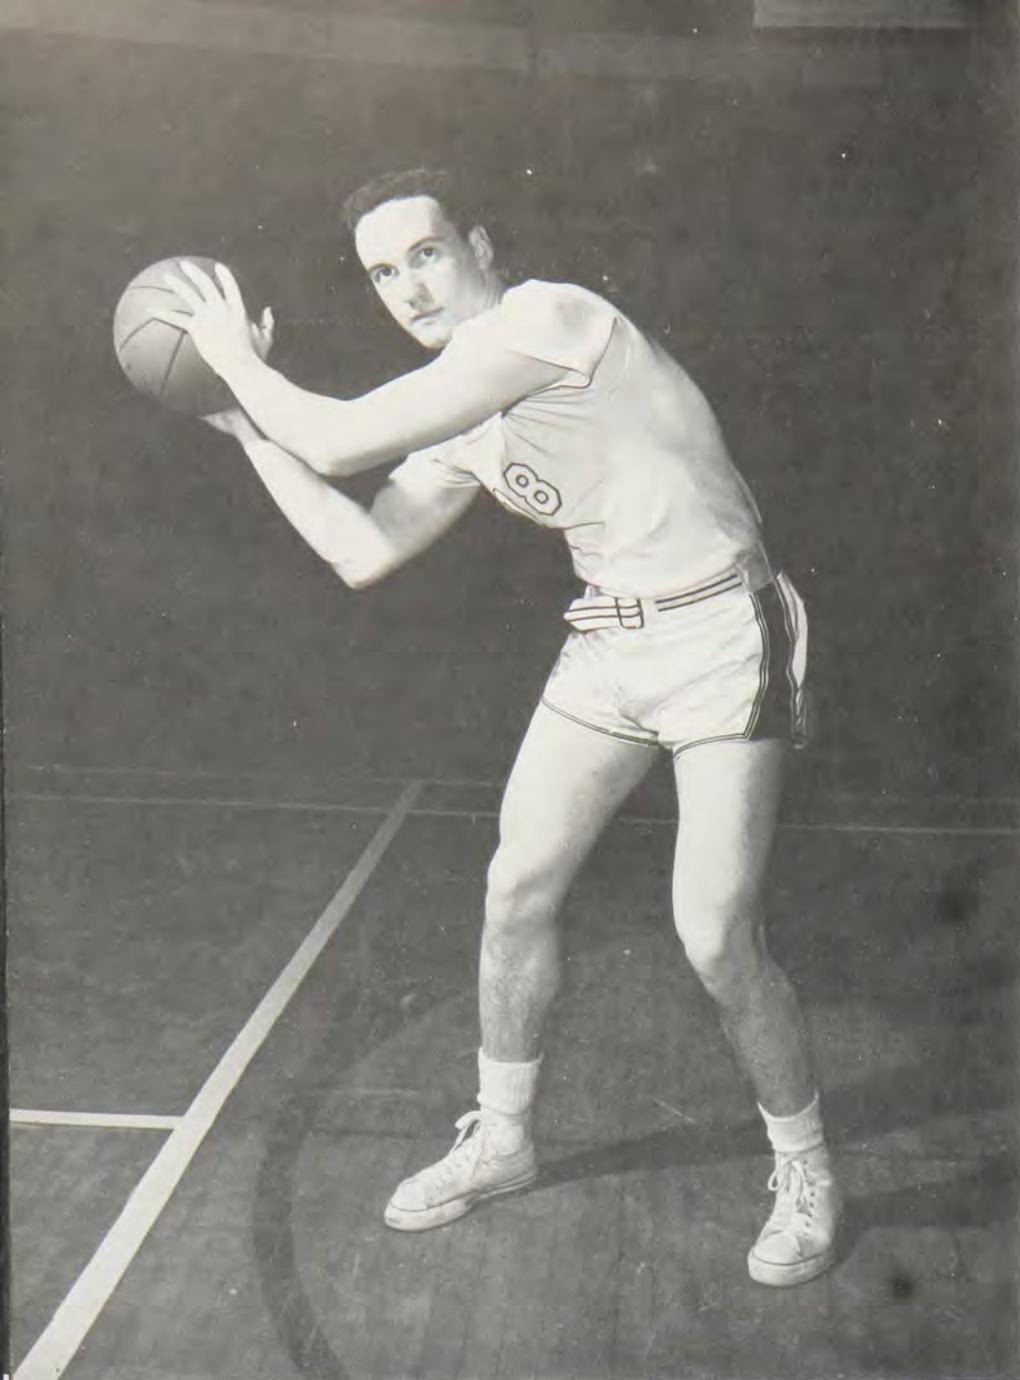

Brendan McCann led Bona with 20 points.

## *St. Bona's 72* *Niagara 83*

OUT OF MY WAY. Tall Tommy Hemans of Niagara has notions of keeping Brendan McCann of the Bonnies from scoring in this 83-72 Eagle victory.

The Eagles' Jim Maloney is only worried about staying out of the way of the driving McCann while Alex "Boo" Ellis finds that the safest place is far, far away from McCann.

## John Durr

Six-foot John Durr earned his chance to play varsity basketball for the Bonnies by his showing in Bona intramurals last year.

The Utica, N. Y., resident was a starter with the freshman five two years ago but switched to intramurals as a soph.

He attracted so much attention in the I-M league when he set a school scoring record that he was asked to join the varsity squad this year.

Durr's best shot is a quick jump shot that he perfected after coming to Bona.

He also has developed a fine outside set shot to provide more scoring potential.

Because of a lack of experience Durr played with the reserves this season.

## *St. Bona's 81 LeMoyne 61*

After losing to Bona in the comfortable confines of the Olean Armory, LeMoyne's Dolphins were intent on revenging the loss before their home crowd in the Syracuse War Memorial.

But this was stimulus enough for the Indians who crushed the astonished Dolphs 81-61.

The Dolphins opened up with the first score of the evening but never led again as the undependable Bonnies decided to have one of their better nights.

Bona bounced back and before the Salt City five could recover the Indians had doubled the score.

Bona was in front 46-23 at the half.

Paced, as usual, by the clever passwork of Brendan McCann the Indians connected on more than half their field goal attempts.

The Dolphins' leading scorer Dick Kenyon was a thorn in the side once again as he topped the LeMoyne pointmakers with 16, ten from the free throw line.

Bona ended with a 50.7% shooting mark, one of their hottest performances of the season, while the Dolphs finished with a good 35%.

Bona's Brown Indians fell and fell hard on their final trip of the season when they dropped successive games to St. Francis of Loretto, Villanova, St. Peter's and Duquesne.

Jim McClellan and Frank Puschauer split 46 points as the Frankies lambasted the Bonnies 99-83 in the opening game of the excursion. Brendan McCann fired in 28 points for game honors.

The Bonnies then ran into their worst offensive night of the year at Villanova.

With McCann held to three points, his lowest total of the season, the Bonnies were no match for the Wildcats who waltzed to a 72-54 triumph.

The next night Bona reversed the situation and jumped off to a fast start against the Peacocks of St. Peter's. But the Jerseyites shot 61% in the second half to spill Bona 85-74.

With Si Green smashing the Dukes' seasonal scoring record in the midst of a 29 point night Duquesne sunk the Bonnies 64-56. McCann had another poor night as the Bonnies finished with a 14-12 record.

## *Philadelphia Excursion*

THE ONE THAT GOT AWAY. This is one of the few times that Duquesne's All-American Si Green got his hands on the ball and didn't score against Bona.

Green hooped 29 points as the Dukes romped 64-56 but Jimmy Crough has other ideas here as he makes an in-the-air steal from the Duquesne ace.

## Jimmy O'Dell

Jimmy O'Dell, one of Bona's three fine soph prospects this season, is a product of Columbia High School in Maplewood, N. J. where he played both baseball and basketball.

The 6 ft. 2 in. O'Dell worked his way into a starting position on the Bona freshman squad after averaging 20 points per game in the Essex County league.

As a frosh O'Dell finished second in scoring to Jack Connors.

He has tremendous spring which enables him to rebound effectively with taller opponents.

He balances a good outside two-hand set with a speedy drive for his points.

Because of inexperience O'Dell saw little action until the final trip of the year.

## *St. Bona's 76 Sampson 56*

Bona's lethal anti-aircraft attack was powerful enough to trip up the Sampson Air Base Sabres twice this season.

In the first game at the Olean Armory Bona won going away by 76-56.

With Brendan McCann combining pinpointed passes with an Annie Oakley shooting eye the Bonnies jumped to a 14-0 lead and were never behind.

The Injuns led at the half 38-20.

Big Bill Barnes of the Sabres pitched in 14 points in the second half but the airmen couldn't close the gap.

In the return contest at Sampson the Sabres concentrated their defense on McCann but the 6 ft. 2 in. junior riddled the defense with his uncanny passing as Bona won 83-70.

The Sabres kept the game even for the first 15 minutes but the Brown Indians moved in front 38-30 at the half.

Sampson narrowed the margin to 54-43 before the Bonnies tossed in 12 points in a row and pulled away from the airmen.

The Quantico Marines, called "the best service team in the East and probably in the nation" were only good enough to become Bona's 60th straight victim, 90-81, on the Olean Armory court.

Gerry Olshefski, a surprise starter, played his finest game of the year for the Bonnies as he topped both fives in scoring with 21 points.

Bona jumped off to a 9-0 lead against the Marine quintet that included such luminaries as Iona's record-holder Richie Guerin, Holy Cross' fine guard Bonnie Perry and Don Lange, the Navy hook shot artist.

But Ted Henderson of the Marines began to cut the lead with a lethal jump shot and, with help from Perry and Guerin, Bona's first half spread was chopped to 48-46.

Just after the second half began Bona opened up a ten point lead and the Marines could not keep up the fast scoring pace.

Brendan McCann trailed Olshefski in the scoring column with 20 points as Bona successfully held Perry and Lange under double figures.

## *St. Bona's 90 Quantico 81*

UP AND IN. Larry Weise drives for a bucket against the Quantico Marines as Bona surprised the highly-rated service five 90-81 for their 60th straight victory in the Olean Armory.

Jerry Schlee of Bona and the Marines' great Richie Guerin are waiting underneath for a rebound that never came in this first half action.

### Freshman Team

The 1955-56 version of the Bona freshman basketball squad early became one of the highlights of the sports season.

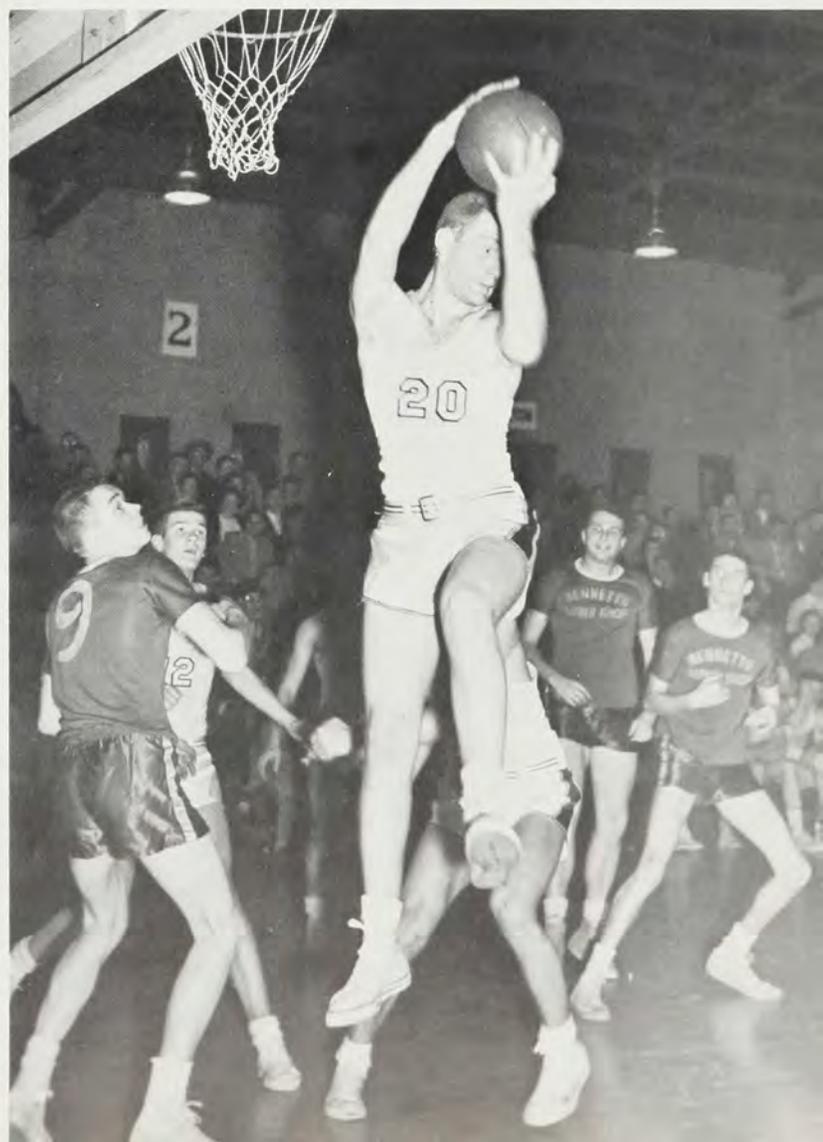

The youthful Indians, under the coaching eye of one-time Bona great Leo Corkery, won 17 of 20 games against college frosh teams and some of the best independent fives in Western New York.

Corkery started the season with Don Newhook, Ken Fairfield, Chuck Ritger, Lee Fitzpatrick and Mike Schrauth as his first five and none of these could be dislodged until the arrival of big Mike Cavellier in January.

The Bonnies won all three games against Canisius' freshman squad but dropped the only game they played against the Niagara yearlings.

Newhook and Fitzpatrick led the Papooses in scoring most of the season as five men finished in double figures.

Ritger, Cavellier and Schrauth provided the frosh with a solid rebounding trio while Fairfield showed one of the best jump shots ever seen at Bona.

# BOWLING

Bowling is one of the most popular intramural sports here on campus. To satisfy the wants of the campus keglers, a round robin schedule was made up by league officials and on Tuesdays each team played an oponent to determine the league winners. After the dust had settled, in some of the most heated competition seen in some time, the Strikers, led by league president, Cliff Mayotte, emerged as champions.

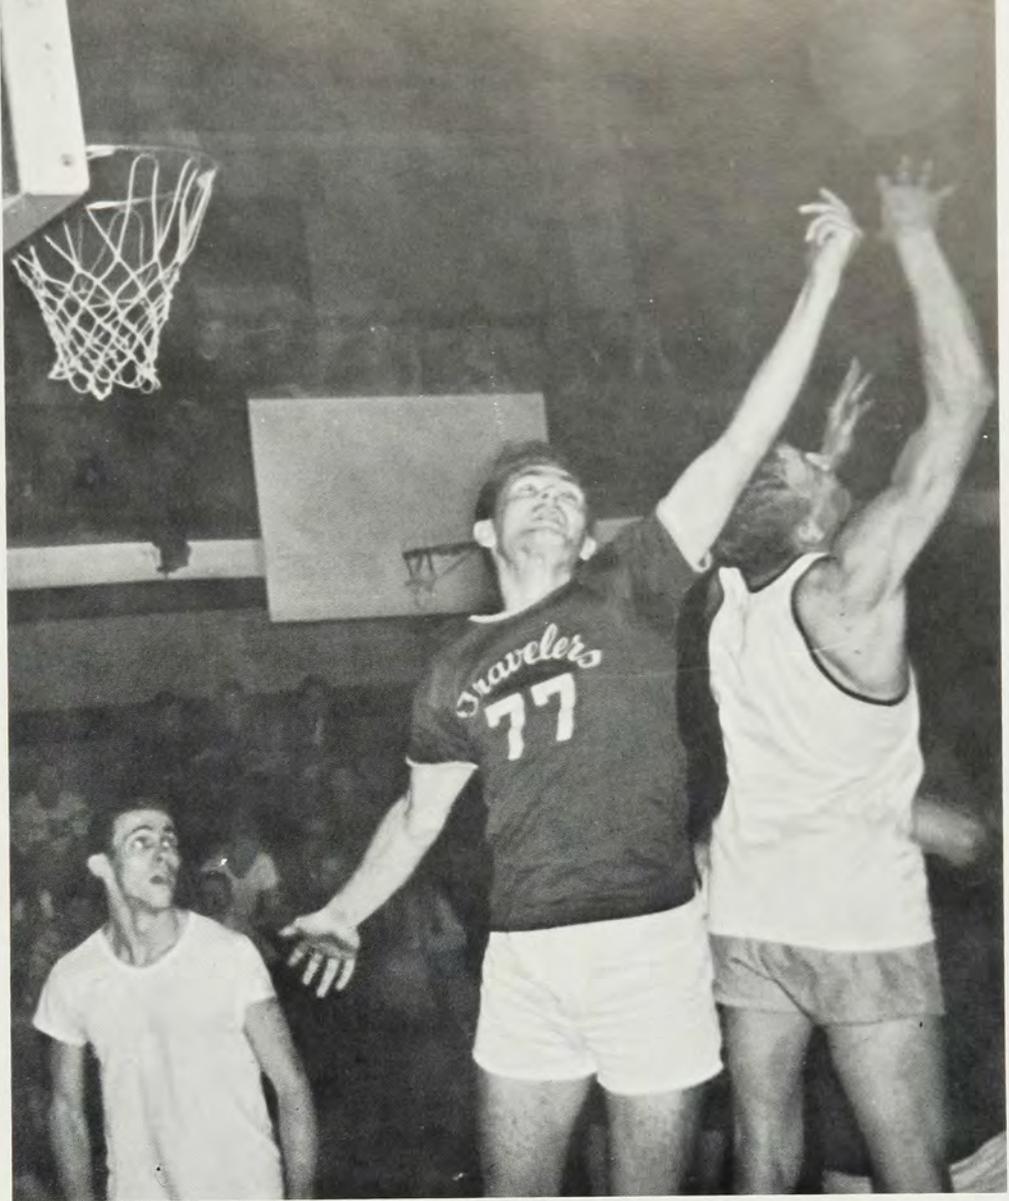

J. Horka, C. Mayotte, R. Greblich, R. Cross, C. Robbins.

# BASKETBALL

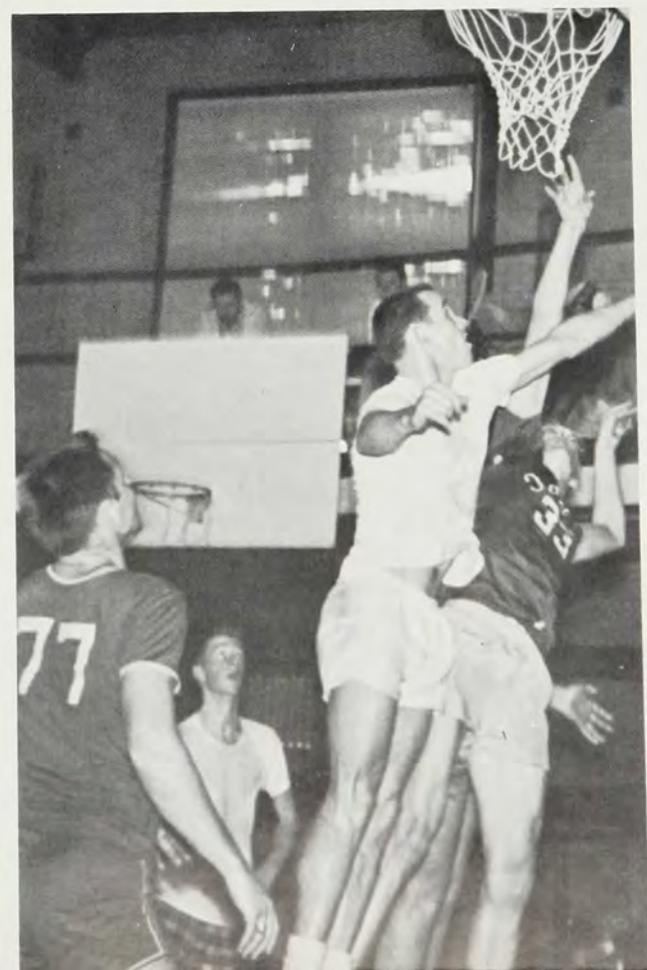

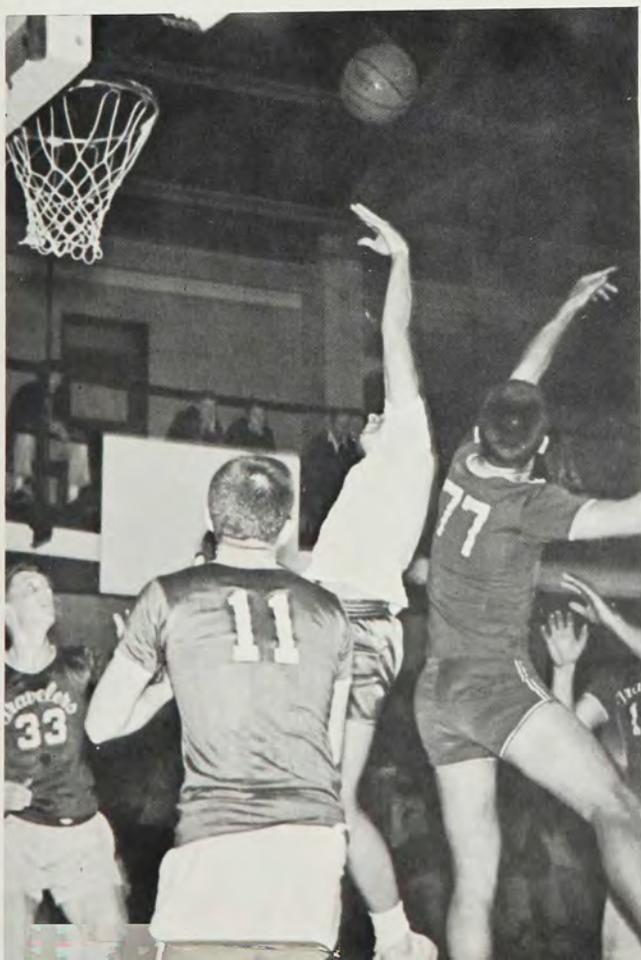

Basketball, the most extensive of the Intramural sports program, due to the efforts of "Czar" Fred Leary and his staff, enjoyed one of its better seasons during this school year.

Four leagues were set up to fill the demand. The top four teams in each league played off and then met the winners of each league for the intramural championship. The Bulldogs, after losing only one game, roared to the championship over the Flipping Micks.

# Acknowledgments:

In the publication of an annual such as the 1956 *Bonadieu* no one man or two men can do all the work. There must be united effort on the part of the yearbook staff and help and consideration from varied other sources.

This yearbook is formulated from the virtues of kindness, of consideration and of willingness to sacrifice. But primarily it is a yearbook struck from the hard work of a great many people.

To all of you who aided us so wonderfully we give our deepest thanks but especially . . .

to FATHER MARTIN McCORMACK, O.F.M., for always being there when he was most needed . . .

to FATHER JEROME KELLY, O.F.M., for his very helpful suggestions . . .

to MR. RAUCH and MR. KNOCKENHAUER of Rauch & Stoeckl Printing Co., Inc. for their professional touch . . .

to FATHER BRENDAN SULLIVAN, O.F.M., for his ever-ready supply of photos . . .

to photographer DOUG WRIGHT for his help in the clutch . . .

to KEN CORNELL for the use of the Laurel office . . .

to JERRY SCHLEE and many others who provided us with a myraid of candid pictures . . .

to PETE ABBASS for his much-needed help . . .

to RAY CHAPIUS for doing far more than his share . . .

to the rest of the BONADIEU staff who combined to make our work quite a bit easier . . .

and finally to our patrons and advertisers without whose aid this book could never have been printed . . .

to each of you—

THANKS

A hand-drawn illustration of an unrolled scroll. The scroll is shown from a perspective that makes it appear to be lying flat but with its ends rolled up. The drawing uses simple black lines and some cross-hatching for shading on the rolled-up parts. The text is written in a stylized, slightly gothic or calligraphic font.

Now that I have  
become a man,

I have put away  
the things of a child.

1 Corinthians, 11-12.
